

Aspiron AS-CA038

Aspiron AS-CA038 Cordless Handheld Vacuum Instruction Manual

Model: AS-CA038

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the Aspiron AS-CA038 Cordless Handheld Vacuum. This powerful and portable vacuum cleaner is designed for efficient cleaning in various environments, including your home, office, and car. Its compact design, two-speed suction modes, and versatile charging options make it an ideal tool for quick clean-ups.

With a cord-free design and lightweight construction, this vacuum offers exceptional convenience and ease of use. The ergonomic handle ensures a comfortable grip, making vacuuming effortless on any surface.

2. PRODUCT COMPONENTS

The Aspiron AS-CA038 Cordless Handheld Vacuum comes with the following components:

- Aspiron AS-CA038 Handheld Vacuum Unit
- 2-in-1 Brush/Crevice Nozzle Attachment
- Charging Dock
- Power Adapter
- HEPA Filter (pre-installed)
- Metal Mesh Filter (pre-installed)

3. SETUP

Before first use, ensure all packaging materials are removed. The dust collection container and filters are typically pre-assembled. For initial activation, you must connect the power supply to power on the unit.

1. Unpack all components from the box.
2. Ensure the dust collection container is securely attached to the main vacuum body.
3. Verify that the HEPA filter and metal mesh filter are correctly installed inside the dust collection container.
4. Attach the desired nozzle (e.g., 2-in-1 brush/crevice nozzle) to the vacuum's suction inlet.

4. CHARGING

The Aspiron AS-CA038 offers versatile charging options to keep your vacuum ready for use.

Charging Methods:

- **Using the Charging Dock:** Connect the power adapter to the charging dock and plug it into a wall outlet. Place the handheld vacuum onto the charging dock. The indicator lights on the vacuum will illuminate to show charging status.
- **Direct Charging:** Alternatively, you can plug the charging cable directly into the charging port located on the vacuum unit.

A full charge typically takes 4-5 hours. The large capacity battery provides approximately 25 minutes of constant operation at the lower suction level and 13 minutes at the higher suction level.

Video: Demonstrates the Aspiron AS-CA038 Cordless Handheld Vacuum's features, including its charging process using the docking station.

5. OPERATING INSTRUCTIONS

The Aspiron AS-CA038 features two powerful suction modes and a versatile 2-in-1 attachment for various cleaning tasks.

Power On/Off and Suction Modes:

1. To turn on the vacuum, press and hold the power button for a few seconds. The vacuum will start in Standard mode (8000Pa).
2. To switch to Max mode (15000Pa), press the power button again.
3. To turn off the vacuum, press the power button once more.

Using the 2-in-1 Brush Head:

- **Crevice Nozzle:** Extend the crevice nozzle to clean hard-to-reach areas such as sofa crevices, car seat gaps, and tight corners.
- **Brush Tool:** Slide the brush bristles forward to use the brush tool. This is ideal for cleaning carpets, blankets, upholstery, and keyboards, helping to dislodge stubborn dirt and debris.

The ergonomic design ensures a comfortable grip, making it easy to maneuver the vacuum for an effortless surface clean.

Video: Shows the Aspiron AS-CA038 Cordless Handheld Vacuum being used for car cleaning, highlighting its effectiveness with the included attachments.

6. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your Aspiron handheld vacuum.

Emptying the Dust Collection Container:

1. Ensure the vacuum is turned off.
2. Twist the dust collection container counter-clockwise to unlock and detach it from the main body.
3. Carefully empty the collected debris into a trash bin.

Cleaning the Filters:

The vacuum features a detachable and washable filter system for easy maintenance.

1. After emptying the dust container, remove the metal mesh filter and the HEPA filter.
2. Tap the filters gently to remove loose dust and debris.
3. Rinse both filters under running water until clean. Do not use harsh detergents.
4. Allow the filters to air dry completely before re-installing them. Ensure they are thoroughly dry to prevent damage to the vacuum.

5. Re-install the HEPA filter, then the metal mesh filter, and finally re-attach the dust collection container to the vacuum body.

Replacement filters (B0DLBWT1FK) are available to maintain peak performance.

7. TROUBLESHOOTING

If you encounter any issues with your Aspiren AS-CA038 Cordless Handheld Vacuum, please refer to the following troubleshooting steps:

- **No Power/Not Turning On:** Ensure the vacuum is fully charged. For first-time use, it must be connected to the power supply to activate.
- **Low Suction Power:** Check if the dust collection container is full and needs emptying. Inspect the filters for blockages or excessive dirt; clean or replace them if necessary. Ensure all attachments are securely fitted.
- **Not Charging:** Verify that the power adapter is correctly plugged into both the wall outlet and the charging dock/vacuum. Ensure the vacuum is properly seated on the charging dock, making good contact with the charging pins.
- **Unusual Noise:** Turn off the vacuum immediately. Check for any obstructions in the nozzle or dust container.

If the issue persists after following these steps, please contact customer support.

8. SPECIFICATIONS

Feature	Specification
---------	---------------

Brand	Aspiron
Model Name	AS-CA038
