1. PRODUCT OVERVIEW

The Qiebenav Refrigerator Storage Container is designed to help organize your refrigerator and keep food fresh for longer. This durable, space-saving plastic box features a lid and a unique drainage design, making it ideal for storing various food items without fear of leakage or spoilage.

Image 1.1: The Qiebenav Refrigerator Storage Container, shown with chicken wings and lettuce, highlighting its clear lid and gray base with drainage slots.

2. KEY FEATURES

- **Stackable Design:** Engineered to save space within your refrigerator, allowing for efficient organization of food items. The lid helps prevent odors from spreading.
- **Double-Layer Drainage System:** Features a two-layer structure with an upper basket for draining excess water from fruits, vegetables, or seafood, and a transparent lower box to collect the drained water, ensuring food remains dry and fresh.
- **Food-Grade Material:** Constructed from high-quality, safe, and durable food-grade plastic (PP) that is resistant to deformation, ensuring long-term use.
- **Strong Sealing:** Each side of the container is equipped with a secure clamp to prevent air and dust from entering, maintaining food freshness and preventing spoilage.

Image 2.1: An arrangement of multiple Qiebenav storage containers, demonstrating their stackable and classified storage capability for different food types like seafood, meat, and vegetables.

Image 2.2: A detailed view of several Qiebenav containers, showcasing their contents such as chicken wings, fish, crabs, and vegetables, emphasizing the organized and fresh storage.

3. SETUP

Before first use, please follow these steps:

1. **Unpack:** Carefully remove the storage container from its packaging.
2. **Inspect:** Check the container and lid for any signs of damage. Do not use if damaged.
3. **Wash:** Wash all components (container, drainage basket, and lid) thoroughly with warm soapy water. Rinse completely to remove any soap residue.
4. **Dry:** Allow all parts to air dry completely before assembly or use.

4. OPERATING INSTRUCTIONS

Using your Qiebenav storage container is straightforward:

1. **Prepare Food:** Wash and prepare your food items (fruits, vegetables, meats, seafood) as needed.
2. **Place in Drainage Basket:** For items that benefit from drainage (e.g., washed berries, thawed meats), place them directly into the inner drainage basket.
3. **Assemble Container:** Insert the drainage basket into the main transparent container.
4. **Secure Lid:** Place the lid firmly on top of the container and engage the side clamps to ensure a strong seal. This prevents air and dust from entering and helps maintain freshness.
5. **Store:** Place the sealed container in your refrigerator. The stackable design allows for efficient use of space.

Image 4.1: A user demonstrating the handling of the Qiebenav storage containers, illustrating how the lids are opened and closed, and the inner drainage basket is accessed.

5. MAINTENANCE AND CLEANING

Proper care will extend the life of your Qiebenav storage container:

- **Regular Cleaning:** After each use, disassemble the container (lid, drainage basket, main container) and wash all parts.
- **Hand Wash Recommended:** This product is *not* dishwasher safe. Please hand wash with warm water and mild dish soap.
- **Rinse Thoroughly:** Ensure all soap residue is rinsed off to prevent taste transfer to food.
- **Dry Completely:** Allow all components to air dry completely before reassembling or storing to prevent mold or mildew growth.
- **Avoid Abrasives:** Do not use abrasive cleaners or scouring pads, as these can scratch the plastic surface.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Food not staying fresh	Lid not properly sealed; food not properly prepared (e.g., not drained); container overfilled.	Ensure lid clamps are fully engaged. Drain excess moisture from food before storing. Do not overfill the container.
Container smells after cleaning	Not dried completely; strong food odors absorbed.	Ensure container is completely dry before storage. For persistent odors, try a baking soda and water paste, let sit, then wash and dry.
Lid difficult to close/open	Food obstructing seal; lid or container warped (unlikely with proper use).	Ensure no food is caught in the sealing area. Check for any visible damage or warping.

7. SPECIFICATIONS

Attribute	Detail
Brand	Qiebenav
Model Number (ASIN)	B0CDGRNB3H
Color	Gray
Material	Food-grade PP Plastic
Dimensions (L x W x H)	30.5 cm x 16 cm x 7.5 cm (approx. 12.01" x 6.3" x 2.95")
Item Weight	529 g (approx. 1.17 lbs)
Dishwasher Safe	No
Number of Products	1

8. SAFETY INFORMATION

- Ensure the container is clean before storing food to prevent contamination.
- Do not use in microwave ovens or conventional ovens.

- Avoid extreme temperature changes, which may cause material stress.
- Keep out of reach of small children when not in use, especially if storing small items.

9. WARRANTY AND SUPPORT

For any questions regarding your Qiebenav Refrigerator Storage Container, please contact the seller or manufacturer directly through the platform where you purchased the product. They will be able to assist you with product inquiries, after-sales service, and any potential issues.

Refer to your purchase documentation for specific warranty details, if applicable.
