SETUP AND INSTALLATION

The VALIKIY Hanging Grow Light is designed for easy setup. Follow these steps for installation:

1. **Choose Location:** Select a suitable indoor location for your plant, ensuring it is within reach of a 120V household outlet.
2. **Install Swag Hook:** Securely install the provided swag hook into your ceiling at the desired hanging height. Ensure the hook is anchored into a stud or appropriate wall anchor to support the light's weight.
3. **Hang the Light:** Thread the fabric power cord through the swag hook and adjust the light to the desired height above your plant.
4. **Manage Cord:** Use the two provided fairleads to guide and secure the power cord along the wall or ceiling for a tidy appearance.
5. **Connect Timer:** Plug the grow light's power cord into the 24-hour cycle outlet timer.
6. **Plug In:** Plug the timer into a standard 120V household outlet.

OPERATION

Once installed, the grow light operates by simply plugging it into a 120V outlet. The included 24-hour cycle

outlet timer allows you to automate the light's on/off schedule. Refer to the timer's specific instructions for setting the desired lighting duration for your plants.

PLANT LIGHT REQUIREMENTS

The optimal distance between the grow light and your plants depends on their specific light requirements:

- **High Light Plants:** Position the light 12-24 inches above the plant.
- **Medium Light Plants:** Position the light 24-36 inches above the plant.
- **Low Light Plants:** Position the light 36-48 inches above the plant.

SPECIFICATIONS

Specification	Detail
Brand	VALIKIY
Model Name	HGLB02-WH
Color	White
Material	Aluminum
Product Dimensions	4"L x 4"W x 7"H
Item Weight	3.43 pounds
Power Source	Corded Electric
Voltage	110 Volts (AC)
Wattage	40 watts
Light Source Type	LED
Light Color	Full Spectrum (Warm White 3000 Kelvin)
Brightness	6400 Lumen
Efficiency	144-171 lumens per watt
Bulb Base	GU10
Control Method	Touch (via timer)
Indoor/Outdoor Usage	Indoor use only

MAINTENANCE

To ensure optimal performance and longevity of your VALIKIY Grow Light:

- **Cleaning:** Disconnect the power before cleaning. Wipe the light fixture with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Bulb Replacement:** The LED bulb is designed for long-term use and is not user-replaceable. If the light stops functioning, please contact customer support.
- **Cord Inspection:** Periodically inspect the fabric power cord for any signs of damage, fraying, or wear. If damage is found, discontinue use immediately and contact customer support.

TROUBLESHOOTING

Light does not turn on:

- Ensure the power cord is securely plugged into the timer and the timer is plugged into a working 120V outlet.
- Check if the outlet is receiving power by plugging in another device.
- Verify the timer settings are correct and the light is scheduled to be on.

Timer buttons are sticking:

- Gently press the buttons to ensure they are not jammed.
- If the issue persists and affects functionality, consider using a smart plug for scheduling or contact customer support for assistance with the timer.

Plants are not thriving:

- Adjust the hanging height of the light according to the plant's specific light requirements (refer to the "Plant Light Requirements" section).
- Ensure the light is on for an appropriate duration each day (typically 12-16 hours for most indoor plants).
- Check other environmental factors such as watering, humidity, and nutrients.

WARRANTY AND SUPPORT

The VALIKIY HGLB02-WH Grow Light comes with a **24-month unlimited manufacturer's warranty**. This warranty covers defects in materials and workmanship under normal use. If you encounter any issues with your product or require support, please contact VALIKIY customer service through the retailer where you purchased the product or visit the official VALIKIY website for contact information.

IMPORTANT SAFETY INFORMATION

- This product is for **indoor use only**. Do not expose to water or high humidity.
- Ensure the power source is 120V AC.
- Do not disassemble or modify the light fixture. This may void the warranty and create a safety hazard.
- Keep out of reach of children and pets.
- Always disconnect power before cleaning or performing any maintenance.
- Do not operate if the cord or light fixture is damaged.
