SETUP AND ASSEMBLY

Each figure in this bundle requires assembly. Follow the specific instructions provided with each individual figure for detailed steps. General assembly guidelines are provided below.

1. **Unpack Carefully:** Gently remove each figure and its components from its packaging. Be mindful of small parts.
2. **Identify Components:** Before starting, lay out all pieces for a single figure and compare them against the parts list in its individual instruction sheet.
3. **Follow Step-by-Step Instructions:** Refer to the specific instruction sheet for each figure. Mega Construx figures typically involve connecting small building blocks and articulated joints.
4. **Secure Connections:** Ensure all pieces are firmly connected. Gentle pressure is usually sufficient; avoid excessive force to prevent damage.
5. **Attach Accessories:** Once the main figure is assembled, attach any included weapons or armor pieces as indicated.

in the instructions.

OPERATING AND DISPLAY

Once assembled, your Mega Construx Halo Heroes figures are ready for display or imaginative play.

- **Articulation:** Each figure features multiple points of articulation, allowing for a wide range of poses. Gently manipulate the joints to achieve desired stances.
- **Display Stands:** Many figures include a small display stand. Use these to enhance stability and presentation, especially for dynamic poses.
- **Interchangeable Parts:** Some figures may have interchangeable armor or weapon parts. Refer to individual figure instructions for specific details.
- **Creative Play:** These figures are designed to be integrated into larger Mega Construx builds or used for standalone storytelling.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your figures.

- **Cleaning:** Dust figures regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, but avoid harsh chemicals or abrasive materials.
- **Storage:** Store figures away from direct sunlight, extreme temperatures, and high humidity to prevent discoloration or material degradation.
- **Handling:** Handle figures by their main body parts rather than small accessories or delicate joints to prevent breakage.
- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years due to choking hazards. Recommended for ages 13+.

TROUBLESHOOTING

If you encounter any issues during assembly or display, consider the following:

- **Loose Connections:** If a part feels loose, gently re-seat it. Ensure the correct pieces are being connected as per

the instructions.

- **Missing Parts:** Double-check the packaging and surrounding area for any small pieces that may have been overlooked. If parts are genuinely missing, contact customer support.
- **Difficulty Posing:** If a joint is stiff, try gently wiggling it to loosen. Avoid forcing joints beyond their intended range of motion.
