Model: CTF-20821341-16005970

INTRODUCTION

This manual provides comprehensive instructions for the proper installation, use, and maintenance of your CASETiFY Impact Case for iPhone 15 Pro Max. Designed for durability and functionality, this case offers advanced protection for your device.

SETUP

1. Unboxing the Case

Carefully remove the CASETiFY Impact Case from its packaging. Inspect the case for any signs of damage before proceeding with installation.

2. Installing Your iPhone 15 Pro Max

1. Ensure your iPhone 15 Pro Max is clean and free of dust or debris.

2. Align the iPhone with the case, starting with the top edge (camera side).

3. Gently press the iPhone into the case, ensuring all corners and edges are securely seated within the case's protective frame. The flexible bumper material will conform to your device.

Wireless Charging Compatibility

The case is designed to be fully compatible with wireless charging. Simply place your iPhone 15 Pro Max (with the case installed) onto a compatible wireless charging pad. No need to remove the case.

Side Sockets for Charm Attachment

Utilize the integrated side sockets to attach phone charms or straps. This feature allows for personalization and enhanced grip or carrying options.

Maintenance

Cleaning Instructions

To clean your CASETiFY Impact Case, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the case's finish or printed design. For stubborn stains, a mild soap solution can be used, followed by a clean, damp cloth to remove any residue.

Storage

When not in use, store the case in a cool, dry place away from direct sunlight to prevent material degradation or discoloration.

TROUBLESHOOTING

- **Case does not fit iPhone 15 Pro Max:** Ensure you have the correct model of iPhone (iPhone 15 Pro Max, 6.7" screen size). This case is specifically designed for this model.

- **Wireless charging issues:** Verify that your wireless charger is compatible with iPhone 15 Pro Max. Ensure the phone is centered on the charging pad. Remove any metal objects or thick accessories attached to the case that might interfere with charging.

- **Difficulty attaching charms:** Ensure the charm's attachment mechanism is compatible with the case's side sockets. Do not force attachments, as this may damage the case.
