SETUP

Your Hot Wheels Neon Speeders diecast car comes ready for immediate use. Simply remove the car from its packaging. No assembly or batteries are required.

OPERATING INSTRUCTIONS

This diecast car is designed for imaginative play and display. It can be rolled on flat surfaces or used with compatible Hot Wheels tracks and playsets (sold separately). The wheels are free-rolling for smooth movement.

MAINTENANCE

To keep your Hot Wheels diecast car in optimal condition:

- **Cleaning:** Wipe the car gently with a soft, dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive materials, as these can damage the paint finish.
 - **Storage:** Store the car in a cool, dry place away from direct sunlight and extreme temperatures to prevent fading or material degradation.
 - **Handling:** Handle the car by its body to avoid bending or breaking smaller parts like spoilers or mirrors.
-

TROUBLESHOOTING

Due to the simple nature of this product, extensive troubleshooting is rarely needed. However, consider the following:

- **Wheels not rolling smoothly:** Check for any debris or foreign objects lodged in the axles. Gently remove them if found.
 - **Minor paint chips/scratches:** These can occur with regular play. Unfortunately, paint damage is typically not repairable without specialized tools and paints.
-
