## Grupo Erik LAMP005

# Grupo Erik The Little Prince Lamp (Model LAMP005)

Instruction Manual

## 1. INTRODUCTION

---

This manual provides essential information for the safe and effective use of your Grupo Erik The Little Prince Lamp. Please read these instructions carefully before operating the product and retain them for future reference.

Figure 1: The Little Prince Lamp

The Little Prince Lamp is a decorative lighting product designed to provide ambient light. It features a 3D moon design with figures of The Little Prince, a rose, and a fox. The lamp can be powered via USB or AAA batteries.

## 2. SAFETY WARNINGS

---

**WARNING:**

- In exceptional circumstances, batteries may leak fluids that can cause chemical burn injury or ruin your product. To avoid battery leakage:
  - Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc), or rechargeable.
  - Insert batteries as indicated inside the battery compartment (+ and -).
  - Remove batteries during long periods of non-use.
  - Always remove exhausted batteries from the product. Dispose of batteries safely.
  - Do not dispose of this product in a fire. The batteries inside may explode or leak.
  - Never short-circuit the battery terminals.

- Use only batteries of the same or equivalent type, as recommended (3 x AAA 1.5 V).
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the product before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.

### **3. PACKAGE CONTENTS**

---

The product package includes:

- The Little Prince Lamp
- USB Cable (Type C)

### **4. SETUP**

---

#### **4.1. Powering the Lamp**

The lamp can be powered by either 3 x AAA 1.5V batteries (not included) or via the included USB Type C cable.

##### **4.1.1. Battery Installation**

1. Loosen the screws on the battery compartment door, located at the bottom of the lamp.
2. Remove the battery compartment door.
3. Insert three new AAA 1.5V batteries, ensuring correct polarity (+ and -) as indicated inside the compartment.
4. Replace the battery compartment door and tighten the screws securely.

Figure 2: Battery Compartment Location

#### 4.1.2. USB Power Connection

Alternatively, connect the provided USB Type C cable to the port on the lamp and to a compatible USB power source (e.g., a wall adapter, computer USB port). Input: 5V DC 1A.

## 5. OPERATING INSTRUCTIONS

---

### 5.1. Power On/Off

Locate the power switch (ON/OFF) on the bottom of the lamp. Slide the switch to the 'ON' position to turn on the lamp. Slide it to the 'OFF' position to turn it off.

Your browser does not support the video tag.

## 6. MAINTENANCE

---

### 6.1. Cleaning Instructions

1. Always disconnect the product from its power source (USB or remove batteries) before cleaning.
2. Use a dry or damp cloth to clean the surface of the lamp.
3. Never submerge the lamp in water.
4. Do not use chemical cleaners or abrasive cleaners, as these may damage the surface.

## 7. TROUBLESHOOTING

---

### 7.1. Lamp Light is Faint or Not Working

If the light becomes faint, slow, or stops working, it indicates that the batteries are depleted. Replace all three AAA batteries with new ones, following the battery installation instructions in Section 4.1.1.
