# VOUNOT Large Foldable Clothes Drying Rack

USER MANUAL - MODEL 8526046069085

## 1. Important Safety Instructions

Please read all instructions carefully before assembling and using the VOUNOT Clothes Drying Rack. Retain this manual for future reference.

- Ensure all parts are present and undamaged before assembly.
- Do not exceed the maximum weight capacity of 25 kg (55 lbs) to prevent damage or collapse.
- Distribute laundry evenly across the drying surfaces to maintain stability.
- Keep children and pets away from the drying rack during use to prevent accidents.
- Use on a flat, stable surface. Engage wheel brakes when the rack is in a fixed position.
- Avoid placing the rack near open flames or heat sources.

## 2. Product Overview

The VOUNOT Large Foldable Clothes Drying Rack is designed for efficient indoor and outdoor laundry drying. It features a 2-level structure with extendable wings, a removable drying mesh, and casters for easy mobility. The rack is constructed from stainless steel and sturdy plastic, offering durability and rust resistance.

### Components:

- Main Frame (Stainless Steel & Plastic)
- Extendable Wings
- Removable Drying Mesh
- Casters (Wheels with Brakes)
- Adjustable Storage Box for Clothespins
- Integrated Sock Clips

### 3. Setup and Assembly

The VOUNOT drying rack features a quick folding/unfolding system for easy setup. No complex assembly is required beyond unfolding and securing the components.

1. **Unfold the Main Frame:** Gently pull the main frame sections apart until the rack stands upright. Ensure all locking mechanisms (if any) click into place for stability.
2. **Extend the Wings:** Pull out the side wings horizontally until they are fully extended. These provide additional drying space.

3. **Attach Drying Mesh:** If desired, place the removable drying mesh onto the designated lower level bars. This mesh is ideal for delicate items that need to lay flat.
4. **Position and Secure:** Move the rack to your desired location. Press down on the levers of the casters to engage the brakes, preventing unintended movement.

#### 4. Operating Instructions

Utilize the various features of your VOUNOT drying rack for optimal drying results.

- **Drying Surfaces:** Hang clothes on the main bars and extendable wings. The rack offers up to 30 meters of drying surface.
- **Removable Drying Mesh:** Use the mesh for delicate garments, sweaters, or items that need to dry flat to prevent stretching or wrinkles.
- **Sock Clips:** The integrated clips are convenient for hanging small items like socks, underwear, or handkerchiefs.
- **Clothespin Storage:** The adjustable storage box can hold clothespins and other small laundry accessories, keeping them within reach.
- **Mobility:** With the casters, you can easily move the rack between indoor and outdoor locations. Remember to engage the brakes once positioned.
- **Folding for Storage:** When not in use, the rack can be quickly folded to a compact size (L.11xW.61xH.104cm) for convenient storage. Its stable structure allows it to remain upright when folded.

## 5. Maintenance

Proper maintenance will ensure the longevity of your drying rack.

- **Cleaning:** Wipe down the stainless steel and plastic components with a damp cloth and mild detergent. Avoid abrasive cleaners that could damage the finish.
- **Drying:** Ensure the rack is dry before folding and storing, especially if used outdoors, to prevent water spots or mildew.
- **Storage:** Store the folded rack in a dry place when not in use.
- **Inspection:** Periodically check all joints and connections to ensure they are secure.

## 6. Troubleshooting

- **Rack is unstable:**
  - Ensure the rack is placed on a flat, level surface.
  - Verify that all sections are fully extended and locked into place.
  - Distribute laundry evenly to balance the weight.

- **Casters not rolling smoothly:**

- Check for any debris (lint, hair) caught in the wheels.
- Ensure the brakes are disengaged.

- **Difficulty folding/unfolding:**

- Ensure no clothes or objects are obstructing the folding mechanism.
- Apply gentle, even pressure. Do not force the mechanism.

## 7. Specifications

Feature	Detail
Model Number	8526046069085
Unfolded Dimensions (L x W x H)	180 cm x 61 cm x 105 cm (70.2" x 21.84" x 40.95")
Folded Dimensions (L x W x H)	11 cm x 61 cm x 104 cm (4.3" x 24" x 40.95")
