Ibergrif M34452B

Ibergrif 5-Piece Bathroom Accessories Set (Model M34452B)

Instruction Manual

INTRODUCTION

This manual provides instructions for the installation, operation, and maintenance of your Ibergrif 5-Piece Bathroom Accessories Set. This set includes a towel rail, a toilet paper holder, and three wall hooks, all designed for self-adhesive, no-drilling installation. The components are constructed from durable SUS304 stainless steel, suitable for wet environments like bathrooms.

304 stainless steel
Waterproof and durable

SETUP AND INSTALLATION

Follow these steps for proper self-adhesive installation:

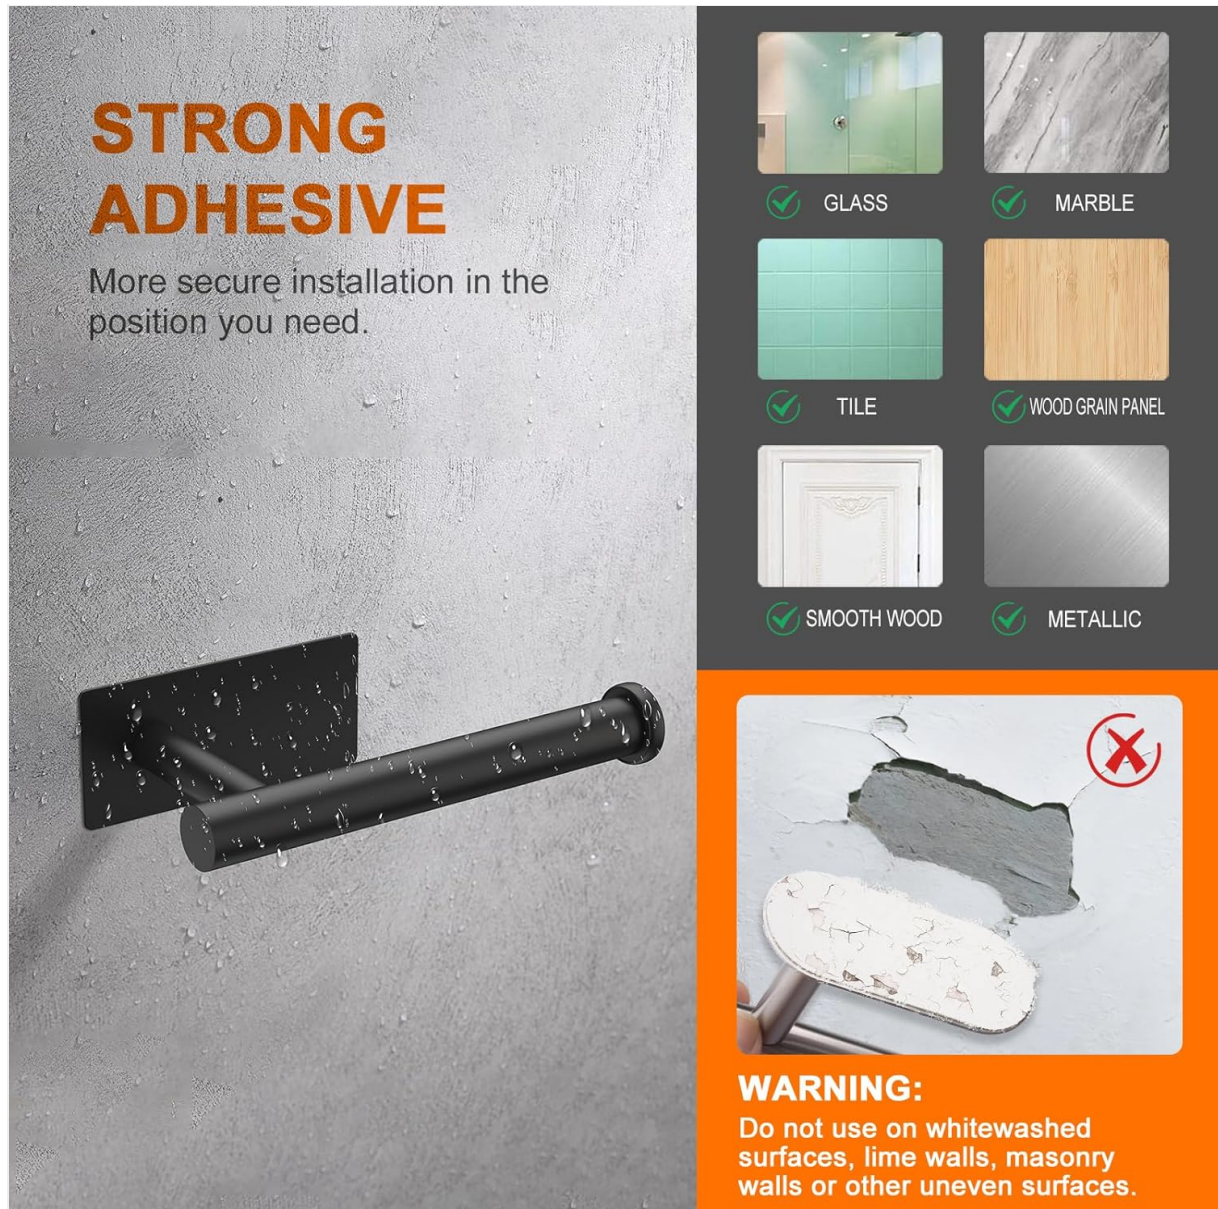

- 1. Choose a Suitable Surface:** The adhesive works best on smooth, hard surfaces such as ceramic tile, glass, wood, marble, plastic, acrylic, stainless steel, mirrors, and metal.
- 2. Clean the Surface:** Thoroughly clean the chosen installation area with rubbing alcohol or a mild cleaner. Ensure the surface is completely dry and free of dust, grease, or moisture before proceeding.
- 3. Mark the Position:** Lightly mark the desired installation spot for each accessory with a pencil. Ensure the position is level and accessible.
- 4. Remove Protective Film:** Carefully peel off the protective film from the adhesive backing of the accessory. Avoid touching the adhesive surface with your fingers.
- 5. Apply the Accessory:** Align the accessory with your marked position and press it firmly against the

wall for at least 30 seconds. Apply even pressure across the entire adhesive pad.

6. **Allow Curing Time:** For optimal adhesion, allow the adhesive to cure for 24-48 hours before hanging any items on the accessories. This allows the adhesive to bond fully with the surface.

Important Warnings:

- Do not use on whitewashed surfaces, lime walls, painted walls, drywall, plaster walls, non-smooth wallpaper, or any rough, textured, or porous surfaces. The adhesive will not bond effectively, and the accessories may fall off.
- Ensure the surface is completely dry before application. Moisture will compromise the adhesive's strength.
- Once applied, avoid repositioning the accessory as this will weaken the adhesive bond.

STRONG ADHESIVE

More secure installation in the position you need.

✓ GLASS ✓ MARBLE

✓ TILE ✓ WOOD GRAIN PANEL

✓ SMOOTH WOOD ✓ METALLIC

WARNING:
Do not use on whitewashed surfaces, lime walls, masonry walls or other uneven surfaces.

OPERATING INSTRUCTIONS

The Ibergrif bathroom accessories are designed for straightforward use:

- **Towel Rail:** Hang towels, hand towels, or washcloths over the rail.
- **Toilet Paper Holder:** Slide a standard toilet paper roll onto the holder.
- **Wall Hooks:** Use the hooks to hang small items such as bath sponges, brushes, or small towels.

Ensure that the weight of items placed on the accessories does not exceed their adhesive capacity. While the adhesive is strong, excessive weight can lead to detachment.

MAINTENANCE

To maintain the appearance and longevity of your Ibergrif bathroom accessories:

- **Cleaning:** Wipe the surfaces regularly with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Rinse thoroughly and dry immediately to prevent water spots.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or chemical solvents, as these can damage the black finish and stainless steel.

- **Water Resistance:** The accessories are made from SUS304 stainless steel, offering good resistance to rust and corrosion in wet environments. However, regular drying after use will help preserve their finish.

TROUBLESHOOTING

Accessory Detaches from Wall:

- **Cause:** The surface was not properly cleaned or dried before installation, the surface was unsuitable (e.g., painted, rough), or the adhesive curing time was insufficient.
- **Solution:** Remove the accessory. Clean the wall surface thoroughly and ensure it is completely dry. If the surface is unsuitable, choose a different location. If the adhesive is compromised, a new adhesive pad may be required (not included). Reapply following the installation steps, ensuring the full 24-48 hour curing time before use.

Scratches on Surface:

- **Cause:** Use of abrasive cleaning materials or sharp objects.
- **Solution:** Use only soft cloths and non-abrasive cleaners for maintenance. Avoid contact with sharp objects.

WARRANTY INFORMATION

For warranty details and terms, please refer to the information provided with your purchase or contact Ibergrif customer support directly. Keep your proof of purchase for any warranty claims.

CUSTOMER SUPPORT

If you have any questions, require assistance, or encounter issues not covered in this manual, please contact Ibergrif customer support through their official website or the retailer from whom you purchased the product.
