Feandrea UPCT190T01 81.1-Inch Multi-Level Cat Tree Instruction Manual

Model: UPCT190T01 | Brand: Feandrea

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, use, and maintenance of your Feandrea UPCT190T01 81.1-Inch Multi-Level Cat Tree. Designed for multiple cats, this robust cat tower offers various activity zones including padded perches, cozy caves, a basket, a hammock, and numerous scratching posts to satisfy your cat's natural instincts.

2. SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use to ensure the well-being of your pets and household members.

- If your cat starts to chew or eat the pompom or elastic band, please remove them and keep them out of reach to prevent ingestion.
- If any part of the cat tree, such as a cat cave, becomes scratched or damaged by active play, repair or replace it immediately to avoid injury to your pet.
- Due to the height and dynamic nature of cat play, always attach the cat tower to the wall using the provided anti-tip kit for enhanced stability and safety.
- Ensure the cat tree is placed on a flat, stable surface.
- Regularly inspect the cat tree for loose or damaged parts and tighten or replace as necessary.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. Refer to the included accessory kit and instructions for a detailed list of parts.

5. FEATURES AND COMPONENTS

The Feandrea UPCT190T01 Cat Tree is designed with multiple features to provide comfort, entertainment, and exercise for your cats.

- **Multi-Level Design:** Standing 81.1 inches tall with 5 levels, this cat tree offers ample vertical space for climbing and exploration. The short 12-16 inch distance between levels makes it easy for cats of all ages to navigate.
- **Padded Perches:** Two soft, padded perches at the top provide comfortable spots for resting and observing surroundings.
- **Cozy Caves:** Two enclosed cat caves offer private, secure spaces for napping and hiding.
- **Scratching Posts and Ramp:** Features 13 scratching posts wrapped in sisal rope and a scratch ramp, encouraging healthy scratching habits and protecting your furniture. The ramp also serves as an easy climbing aid.
- **Basket and Hammock:** A comfortable basket and a soft hammock provide additional lounging options.
- **Play Pompoms:** Equipped with dangling pompoms to engage your cats in playful activities.

6. USAGE GUIDELINES

Encourage your cats to use the tree by placing treats or toys on different levels. The multi-level design caters to cats' natural climbing instincts, providing a safe and engaging environment.

- Place the cat tree near a window to allow cats to observe outdoor activities, which can be highly stimulating.
- The various perches and caves offer options for multiple cats to coexist and find their own space.

- Utilize the scratching posts and ramp to redirect scratching behavior away from household furniture.

7. MAINTENANCE

Regular maintenance will extend the life of your cat tree and keep it hygienic for your pets.

- **Cleaning:** Use a lint roller or vacuum cleaner to remove fur, dirt, and crumbs from the plush surfaces.
- **Spot Cleaning:** For spills or stains, spot clean with a damp cloth and mild pet-safe detergent. Avoid harsh chemicals.
- **Inspection:** Periodically check all connections and posts for tightness. Re-tighten any loose screws to maintain stability.
- **Damage:** If any part of the cat tree becomes significantly damaged, especially scratching surfaces or structural components, consider replacing the affected part or the entire tree to ensure safety.

8. TROUBLESHOOTING

If you encounter any issues with your Feandrea Cat Tree, refer to the following common solutions:

- **Instability:** Ensure all screws are tightened. Verify the anti-tip kit is securely installed to a wall stud. Check that the base is on a level surface.
- **Cats not using the tree:** Try placing catnip, treats, or favorite toys on different levels. Encourage exploration with interactive play. Place the tree in a high-traffic area or near a window.
- **Damaged components:** Contact customer support for replacement parts if available, or consider replacing the affected part or the entire tree if structural integrity is compromised.
