2. SAFETY INFORMATION

WARNING: Please read the assembly instructions carefully before starting to assemble the cabinet.

- During assembly, wear appropriate protective equipment, such as gloves and safety glasses.
- Adhere to the maximum weight capacity of 30 kg.
- Assemble the cabinet on a stable and flat surface to ensure stability.
- Avoid transporting or moving the cabinet alone to minimize the risk of injury.
- Ensure the cabinet is placed on a level surface to prevent tipping.

3. PACKAGE CONTENTS

Your SoBuy BZR113-B cabinet is delivered in secure honeycomb packaging. All necessary components for assembly, along with an illustrated instruction manual, are included in the package. Please verify all parts are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support.

4. SETUP AND ASSEMBLY INSTRUCTIONS

The SoBuy BZR113-B cabinet is designed for easy self-assembly. Follow the included illustrated assembly guide step-by-step. Before assembly, it is crucial to measure the dimensions of your sink's siphon and the available space under the sink to ensure proper fit.

Key Assembly Considerations:

- The cabinet features a pre-cut opening for the siphon. Ensure this aligns with your plumbing.
- The bottom cabinet is divided into two compartments by an adjustable shelf, allowing for flexible storage.
- Solid pine feet with protective pads are included to enhance stability and protect the cabinet from moisture.

6. MAINTENANCE

To ensure the longevity and appearance of your SoBuy BZR113-B cabinet, follow these maintenance guidelines:

- Clean the cabinet surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- Wipe up any spills immediately to prevent moisture damage, especially around the base.
- The protective pads on the feet help guard against moisture from the floor. Periodically check these pads for wear and tear.
