5. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is straightforward and can typically be completed by one person. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface (like a carpet or blanket) to prevent scratches. Verify all parts are present against the 'Package Contents' list.
2. **Attach Lower Shelf to Frame:** Take one metal frame leg set. Secure the lower shelf (smaller round board) to the designated supports on the metal frame using the provided screws and the included screwdriver. Do not overtighten the screws at this stage.
3. **Attach Tabletop to Frame:** Place the main tabletop (larger round board) onto the top of the metal frame. Align the pre-drilled holes on the underside of the tabletop with the holes on the top of the metal frame. Secure it with the appropriate screws.
4. **Attach Round Base:** Connect the round base to the bottom of the metal frame. Ensure it is properly aligned and secure it with screws.
5. **Tighten All Screws:** Once all components are loosely assembled, go back and firmly tighten all screws. Ensure the table is stable and all connections are secure. Do not overtighten to avoid damaging the materials.
6. **Repeat for Second Table:** Follow the same steps to assemble the second side table.
7. **Final Placement:** Carefully move the assembled tables to their desired location. Ensure they are stable and level.

6. OPERATING INSTRUCTIONS (USAGE)

The Tribesigns Round Side Table Set of 2 is designed for versatile indoor use:

- **Placement:** Position the tables next to a sofa, armchair, or bed to serve as end tables, nightstands, or accent tables.
- **Top Surface:** Use the top surface for placing lamps, beverages, books, or decorative items.
- **Lower Shelf:** Utilize the lower shelf for additional storage of magazines, small baskets, or other personal items, helping to keep your space organized.
- **Weight Distribution:** Distribute weight evenly on both tiers and avoid placing excessively heavy items on the edges.

7. MAINTENANCE AND CARE

To maintain the appearance and extend the life of your side tables, follow these care instructions:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth followed immediately by a dry cloth can be used. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the faux marble surface.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters under drinks to protect against moisture rings.
- **Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration.
- **Stability Check:** Periodically check and tighten all screws and bolts to ensure the table remains stable.

8. TROUBLESHOOTING

If you encounter any issues with your Tribesigns Round Side Table, refer to the following common solutions:

- **Table is Wobbly:**

- Ensure all screws are securely tightened.
- Verify the table is placed on a flat, even surface. Adjust floor glides if present.

- **Missing Parts:**

- Double-check the packaging and all packing materials.
- If parts are genuinely missing, contact Tribesigns customer support with your purchase details.

- **Difficulty Assembling:**

- Review the assembly instructions carefully, paying attention to the orientation of each part.
- Do not force parts together. If a part does not fit, re-examine the steps.
