# Vtopmart Stackable Storage Drawers Instruction Manual

**Brand:** Vtopmart

**Model:** SVM10016

## 1. INTRODUCTION

Thank you for choosing Vtopmart Stackable Storage Drawers. This set of clear plastic organizer bins is designed to help you efficiently organize various items in your home or office, from makeup and cosmetics to pantry supplies and office essentials. Their stackable design and clear visibility make organization simple and effective, helping you create a neat and tidy living space.

## 2. PRODUCT FEATURES

- **Stackable Design:** The set includes three storage drawers (one 12.1" W wide and two 4.4" tall containers) that are designed to be stackable, allowing for vertical storage to maximize space efficiency.
- **Built-in Handle and Non-Slip:** Each storage container features convenient pull-out handles. Extra silicone pads are included to be affixed to the bottom of the outer box, preventing movement when drawers are pulled out and ensuring stable organization.
- **Multi-Purpose Organizers:** These versatile drawers are suitable for organizing items in various locations, including bathroom countertops, under sinks, kitchen cabinets, laundry rooms, medicine cabinets, pantry shelves, vanities, offices, garages, and craft rooms.
- **Clear View Design:** Made from clear acrylic, these organizers allow for quick identification of contents without the need for searching or labeling, promoting a neat and organized lifestyle.
- **Quality Construction:** Constructed from durable, BPA-free, shatter-resistant plastic, ensuring longevity. The transparent and fashionable design complements various decor styles.

### 3. PACKAGE CONTENTS

Your Vtopmart Stackable Storage Drawers package includes:

- 1 x Wide Storage Drawer (approx. 12.1" W x 7.5" D x 3.5" H)
- 2 x Small Storage Drawers (approx. 6" W x 7.5" D x 4.4" H each)
- Silicone Rubber Feet (for non-slip application)

### 4. SETUP AND ASSEMBLY

The Vtopmart Stackable Storage Drawers require minimal assembly. Follow these steps for optimal setup:

1. **Unpack:** Carefully remove all components from the packaging.
2. **Inspect:** Check all drawers for any signs of damage during transit.
3. **Apply Non-Slip Feet:** Locate the included silicone rubber feet. Peel them off their backing and firmly stick them onto the bottom corners of the outermost storage box. This will prevent the unit from sliding when drawers are opened or closed.

# Non-Slip Design

Includes silicone rubber feet, just stick them on the bottom of the plastic bins for non-slip

**Take the rubber feet from the package**

**Stick the rubber feet on the bottom of the bins**

Once the non-slip feet are applied, you can stack the drawers in any configuration that best suits your storage needs and available space.

## 5. USAGE AND OPERATING INSTRUCTIONS

These stackable drawers are designed for versatile use across various areas. Here are some common applications:

- **Bathroom Organization:** Ideal for storing toiletries, cosmetics, skincare products, and small towels. The clear design allows for easy access to daily essentials.
- **Vanity/Makeup Storage:** Keep makeup, brushes, and beauty tools neatly organized on your vanity or dresser.
- **Kitchen/Pantry Storage:** Use for organizing spices, tea bags, small snacks, or other kitchen essentials.
- **Office Supplies:** Store pens, paper clips, sticky notes, and other desk accessories to maintain a clutter-free workspace.
- **Medicine Cabinet:** Organize medications, first-aid supplies, and vitamins for easy retrieval.
- **Craft Room:** Perfect for sorting beads, threads, small tools, and other craft supplies.

To access items, simply pull the drawer forward using the built-in handle. The smooth-gliding mechanism ensures effortless operation.

## 6. MAINTENANCE AND CARE

To ensure the longevity and clear appearance of your Vtopmart storage drawers, please follow these care instructions:

- **Cleaning:** Easily clean the drawers with mild soap and warm water.

- **DO NOT PUT IN DISHWASHER:** The material is not dishwasher safe and may warp or become damaged.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or harsh chemicals, as these can scratch or damage the clear plastic surface.
- **Drying:** Air dry or wipe with a soft, clean cloth to prevent water spots.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Dust or debris in the tracks; drawer overloaded.	Remove the drawer and clean the tracks with a damp cloth. Reduce the weight or volume of items in the drawer.
Unit slides on surface.	Non-slip feet not applied or worn out.	Ensure silicone rubber feet are properly affixed to the bottom of the unit. Replace if worn.
Plastic appears cloudy or scratched.	Improper cleaning agents or abrasive materials used.	Always use mild soap and warm water for cleaning. Avoid harsh chemicals or abrasive cloths.
