IKIFLY HU9131-DY

IKIFLY California King Bed Frame User Manual

Model: HU9131-DY

Introduction

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your IKIFLY California King Bed Frame. This bed frame features a hidden storage headboard with a built-in charging station, LED lights, and four large storage drawers. Designed for durability and stability, it offers a comfortable and functional addition to your bedroom.

Important Safety Information

- Do not exceed the maximum weight capacity of **660 lbs**.
- Be cautious of sharp edges during assembly and use.
- Ensure the correct mattress size (84x72 inches for California King) is used to prevent instability.
- Always follow the assembly instructions carefully to avoid collapse or injury.
- Keep all electrical components (charging station, LED lights) away from water or excessive moisture.

Included Components

Before beginning assembly, verify that all parts listed below are present. The product is efficiently packed in two boxes.

- Installation Manual
- LED Storage Headboard
- Necessary Accessories (fasteners, tools)
- Bed Frame Components (metal frame, solid wood slats)
- Four Storage Drawers with Wheels

Setup and Assembly

Assembly of the IKIFLY California King Bed Frame requires careful attention to the provided instructions. While one person can assemble it, having two people will significantly speed up the process.

1. **Unpack Components:** Carefully unpack all parts from the two boxes. Lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Headboard:** Begin by assembling the LED storage headboard. Ensure all wiring for the LED lights and charging station is correctly routed and secured.
3. **Construct Frame:** Assemble the main metal frame of the bed. Follow the numerical sequence in the instruction manual for attaching the side rails, support bars, and legs.
4. **Install Slats:** Place the solid wood slats onto the frame. Ensure they are evenly spaced and securely fastened to provide proper mattress support.
5. **Insert Drawers:** Assemble the four storage drawers and insert them into their designated slots beneath the bed frame.

6. **Connect Power:** Plug the power cord from the headboard into a wall outlet to activate the LED lights and charging station.

Operating Instructions

LED Lights Operation

The integrated LED lights in the headboard offer customizable lighting options to enhance your bedroom ambiance. Control is available via a remote or a dedicated mobile application.

- **Remote Control:** Use the provided RF remote controller to turn the lights on/off, change colors (over 60,000 DIY options), and select from various flashing modes.
- **Mobile App:** Download the compatible app to access advanced features, including music synchronization and recording synchronization for dynamic lighting effects.

Charging Station Usage

The headboard features a convenient charging station to power your electronic devices.

- **Ports:** The charging station includes 2 standard outlets, 1 USB-A port, and 1 USB-C port.
- **Functionality:** Simply plug your device's charging cable into the appropriate port. Ensure the bed frame is plugged into a wall outlet for the charging station to function.

Storage Drawers

The bed frame includes four large storage drawers on wheels, providing ample space for organizing various items.

- **Access:** The drawers are designed to easily pull out from beneath the bed.
- **Capacity:** Ideal for storing clothing, quilts, pillows, sheets, and other personal belongings.

Maintenance

To ensure the longevity and appearance of your bed frame, follow these maintenance guidelines:

- **Cleaning:** For the upholstered linen and leather-look surfaces, dry clean only. Avoid using harsh chemicals or abrasive cleaners.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary to maintain stability.
- **Slats:** Inspect the wooden slats for any signs of wear or damage. Replace if necessary to ensure proper mattress support.
- **Drawers:** Keep the drawer wheels clean and free of debris to ensure smooth operation.

Troubleshooting

Problem	Possible Cause	Solution
LED lights or charging station not working.	Power cord disconnected or wall outlet issue.	Ensure the bed frame's power cord is securely plugged into a functional wall outlet. Check the connection at the headboard.
Bed frame feels unstable or makes noise.	Loose fasteners or improperly installed slats.	Re-tighten all screws and bolts. Verify that all wooden slats are correctly seated and secured.
Storage drawers do not slide smoothly.	Debris in wheels or misaligned drawers.	Clean any debris from the drawer wheels. Ensure the drawers are properly aligned within their tracks.
Difficulty during assembly.	Instructions unclear or missing parts.	Refer to the detailed installation manual. If parts are missing, contact IKIFLY customer support. Consider having a second person assist with assembly.

Specifications

- **Size:** California King
- **Product Dimensions:** 91.7"L x 73.6"W x 43.8"H
- **Compatible Mattress Size:** 84" x 72" (California King)
