INFINMIND Y670

INFINMIND Wireless Bluetooth Mouse User Manual

MODEL: Y670

Brand: INFINMIND

INTRODUCTION

Thank you for choosing the INFINMIND Wireless Bluetooth Mouse. This multi-device ergonomic mouse is designed to enhance your productivity and comfort across various platforms. Featuring seamless connectivity for up to three devices, adjustable DPI settings, hyper-fast scrolling, and a quiet click design, it's an ideal peripheral for work, browsing, graphic design, and gaming. This manual provides detailed instructions for setup, operation, and maintenance to ensure optimal performance.

WHAT'S IN THE BOX

- 1 x Wireless Bluetooth Mouse
- 1 x 2.4GHz USB Receiver (stored inside the mouse)
- 1 x USB-A to Type-C Charging Cable (Note: Fast charging not supported)
- 1 x Instruction Manual

SETUP

Initial Charging

Before first use, fully charge the mouse for 2 hours using the provided USB-A to Type-C charging cable. The mouse can last up to 60 days on a single charge. Avoid using fast chargers.

Retrieving the USB Receiver

The 2.4GHz USB receiver is conveniently stored under the magnetic surface cover of the mouse. Gently lift the top cover to access and remove the receiver.

Easy To Wash The Top Parts

No weird soft plastic that peels off

**Open the magnetic surface cover
to remove the USB receiver**

Figure 1: Accessing the 2.4GHz USB Receiver.

Connectivity Modes

The mouse supports three connection modes: one 2.4GHz USB connection and two Bluetooth connections (BT1 and BT2). Use the device switch button on the mouse to cycle between these modes. LED indicators (White for 2.4G USB, Blue for BT1, Green for BT2) confirm the active connection.

WORK SEAMLESSLY ACROSS COMPUTERS

Suitable for various environments and flat surfaces

Figure 2: Multi-Device Connectivity Overview.

2.4GHz USB Connection

1. Turn on the mouse using the ON/OFF switch on the bottom.
2. Insert the 2.4GHz USB receiver into an available USB port on your computer or device.
3. Switch the mouse to 2.4G mode (White LED indicator). The mouse should automatically connect.

Bluetooth Connection (BT1 / BT2)

1. Turn on the mouse using the ON/OFF switch on the bottom.
2. Switch the mouse to either BT1 (Blue LED) or BT2 (Green LED) mode.
3. On your device (computer, tablet, phone), go to Bluetooth settings and search for new devices.
4. Select "INFINMIND Mouse" or similar from the list to pair.
5. Once paired, the corresponding LED indicator will remain solid.

OPERATING INSTRUCTIONS

RECHARGEABLE WIRELESS MOUSE

If used for 2 hours per day after being fully charged, it can last for 90 days

Figure 3: INFINMIND Wireless Bluetooth Mouse Features.

DPI Adjustment

The mouse features 4 adjustable DPI levels: 1000, 1600, 2400, and 3200. Press the DPI button located below the scroll wheel to cycle through these settings. This allows you to adjust cursor sensitivity for different tasks, from precise graphic design to fast-paced gaming.

ULTRA FAST SCROLLING & HORIZONTAL SCROLLING

High-precision sensor & Higher productivity

Figure 4: Adjustable DPI Settings.

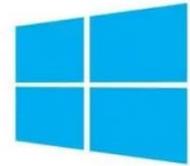

Scrolling and Navigation

- **Hyper-Fast Scrolling:** The stainless steel roller provides super-fast vertical scrolling for long documents and web pages.
- **4-Way Horizontal Scrolling:** Tilt the scroll wheel left or right to navigate horizontally, useful for wide spreadsheets or timelines.
- **Quiet Operation:** Both clicks and scrolling are designed to be quiet, making it suitable for quiet environments like offices or libraries.
- **Back/Forward Buttons:** Use the dedicated side buttons to quickly navigate back or forward in web browsers or document explorers.

or switch to the next page**

Figure 6: Back and Forward Buttons with System Compatibility.

System Compatibility

The mouse is compatible with Windows, Linux, Chrome OS, Mac, iOS, and Android devices. A convenient one-touch button allows for seamless switching between Windows and Mac systems.

MAINTENANCE

Battery Management

- **Recharging:** Recharge the mouse using the provided USB-A to Type-C cable. A full charge takes approximately 2 hours and provides up to 60 days of use.
- **Auto Sleep Function:** To conserve battery, the mouse will automatically enter sleep mode after 5 minutes of inactivity. Click any button or move the mouse to reactivate it.
- **ON/OFF Switch:** For extended storage or travel, use the integrated ON/OFF switch on the bottom of the mouse to completely power it down and maximize battery efficiency.

Cleaning

The top parts of the mouse are designed for easy cleaning. Use a soft, damp cloth to wipe down the surface. Avoid harsh chemicals or abrasive materials. The durable construction ensures no peeling plastic.

TROUBLESHOOTING

- **Mouse not responding:**

- Ensure the mouse is turned ON using the switch on the bottom.
- Check battery level and recharge if necessary.
- Verify the USB receiver is securely plugged into a working USB port.
- If using Bluetooth, ensure the mouse is in the correct BT mode (BT1/BT2) and properly paired with your device. Try re-pairing if connection is lost.

- **Cursor movement is erratic or slow:**

- Adjust the DPI setting using the DPI button to a higher sensitivity.
- Ensure the mouse is used on a clean, flat surface.
- Clean the optical sensor on the bottom of the mouse if it's obstructed.

- **Cannot switch between devices:**

- Press the device switch button firmly to cycle through 2.4G, BT1, and BT2 modes. Observe the LED indicators to confirm the active mode.
- Ensure all devices are within range and have their respective connections (USB receiver or Bluetooth) enabled.

- **USB receiver missing:**

- The 2.4GHz USB receiver is stored under the magnetic top cover of the mouse. Gently lift the cover to locate it.

SPECIFICATIONS

Model Number	Y670
Product Dimensions	2.4 x 4.13 x 0.1 inches
Item Weight	5.6 ounces
Connectivity Technology	2*Bluetooth, USB (2.4GHz)
DPI Settings	1000/1600/2400/3200
Movement Detection	Optical
Battery Life	Up to 60 days (after 2-hour charge)
Manufacturer	INFINMIND
Country of Origin	China
