ZINUS Daybed Frame DB-39 Single Black Instruction Manual

Model: DB-39 | Brand: ZINUS

1. INTRODUCTION

Thank you for purchasing the ZINUS Daybed Frame DB-39. This durable and simple bed frame is designed for single use, offering a modern aesthetic and practical under-bed storage. This manual provides essential information for safe assembly, proper use, and maintenance to ensure the longevity of your product.

Please read these instructions carefully before assembly and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe operation and prevent injury or damage, please observe the following safety warnings:

- **Mattress Thickness:** Always use a mattress with a minimum thickness of 15 cm (approximately 6 inches) to ensure proper support and product longevity.
- **Weight Distribution:** Avoid jumping on the bed frame or concentrating weight on a single point, as this can cause damage to the frame.
- **Assembly Personnel:** Assembly requires two or more adults. Attempting to assemble alone may result in injury or damage to the product.
- **Assembly Area:** Ensure sufficient space for assembly and protect your floor with a mat or blanket to prevent scratches.
- **Intended Use:** This product is designed for household furniture use. Do not use it for purposes other than its original intent to prevent unexpected accidents or injuries.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and tools are present. Some small parts may be pre-attached to the main frame components. Please check carefully.

4. ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward with included tools. Estimated assembly time is 30-50 minutes with two adults.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a protected surface. Identify each part, noting any numbering for easier assembly.

4. **Final Check:** Double-check all connections to ensure they are tight and secure. The frame should be stable and level.

5. USAGE GUIDELINES

To maximize comfort and extend the life of your daybed frame:

- **Mattress Use:** Always use a mattress on the bed frame. Using a futon directly on the frame may cause damage to the bed base due to uneven pressure distribution.
- **Under-Bed Storage:** The design provides ample under-bed clearance for storage. Utilize this space for clothes, bedding, or other items to keep your room tidy.

6. MAINTENANCE

Regular maintenance helps preserve the condition and functionality of your daybed frame:

- **Cleaning:** Wipe the frame with a dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners.
- **Fastener Check:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if any looseness is detected.

7. TROUBLESHOOTING

If you encounter any issues with your ZINUS Daybed Frame, consider the following:

- **Unstable Frame:** If the frame feels wobbly or unstable, re-examine all assembled connections. Ensure each bolt is fully tightened.
- **Missing or Damaged Parts:** If any parts are missing or damaged upon delivery, please contact ZINUS customer support immediately for assistance.
