2. KEY FEATURES

- Minimalist Charm & Functional Design:** Embedded with two geometric motif doors and five layers of shelves, this freestanding cabinet offers ample storage while adding a sleek, clean-lined silhouette to any contemporary ensemble.
- Space Saving & Clutter Concealment:** Designed to hold up to 15-20 pairs of shoes (depending on height and size), this 2-door cabinet maximizes footwear storage. The tabletop provides space for decor and essentials, and the bottom space can accommodate additional pairs.
- Movable Boards for Versatility:** Removable shelves inside each cabinet allow for accommodation of various shoe heights, including large-sized shoes and boots. High metal legs facilitate easy cleaning underneath.
- Durable Construction:** Constructed from durable MDF and metal, ensuring long-term stability and life. Features golden door handles for a simple yet elegant touch. Adjustable feet prevent wobbling on uneven floors.

3. SETUP AND ASSEMBLY

The Tribesigns Shoe Cabinet requires assembly. Tools and detailed instructions are included in the packaging to guide you through the process. For optimal ease and efficiency, assembly is preferably done by two people, and an electric drill is recommended.

Caution:

- Ensure all parts are securely assembled to prevent any risk of injury or damage.

- Follow the provided instructions carefully for correct and safe installation.

4. OPERATING INSTRUCTIONS

To use your Tribesigns Shoe Cabinet:

1. **Open Doors:** Gently pull the golden handles to open the cabinet doors.
2. **Arrange Shelves:** Utilize the five internal shelves to organize your shoes. The shelves are removable, allowing you to adjust the height to accommodate different types of footwear, such as boots or high heels.
3. **Store Shoes:** Place your shoes neatly on the shelves. The cabinet can store approximately 15-20 pairs, depending on their size and style.
4. **Utilize Top Surface:** The top surface of the cabinet can be used for decorative items, keys, mail, or other on-the-go essentials.
5. **Bottom Space:** The elevated design provides space underneath the cabinet for additional shoe storage, particularly for frequently used slippers or sandals.
6. **Close Doors:** Ensure the doors are fully closed to conceal the shoes and maintain a tidy appearance.

5. MAINTENANCE

To ensure the longevity and appearance of your Tribesigns Shoe Cabinet:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the cabinet to prevent buildup.
- **Spills:** Promptly clean any spills to prevent staining or damage to the engineered wood.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Cabinet wobbles or is unstable.	Uneven floor surface or loose adjustable feet.	Adjust the leveling feet at the bottom of the cabinet until it is stable. Ensure all assembly screws are tightened.

Problem	Possible Cause	Solution
Doors do not close completely or are misaligned.	Improper hinge alignment during assembly or loose hinge screws.	Adjust the hinges on the doors. Most hinges allow for minor adjustments to align the doors. Refer to the assembly instructions for detailed hinge adjustment steps. Ensure all hinge screws are secure.
Limited storage capacity for certain shoe types.	Fixed shelf height.	Utilize the removable shelves feature. Remove one or more shelves to create taller compartments for boots or larger footwear.
