

BONTEC TZ

BONTEC 4-Step Ladder Instruction Manual

Model: TZ | Max Load: 400 lbs

INTRODUCTION

This manual provides essential information for the safe and effective use of your BONTEC 4-Step Ladder. Designed for versatility and durability, this folding step stool is ideal for various tasks around the home and workplace, offering a secure platform for reaching elevated areas.

IMPORTANT SAFETY INSTRUCTIONS

- Always ensure the ladder is fully unfolded and locked into place before use.
- Verify all rubber feet are in full contact with the ground to prevent wobbling and ensure stability.
- Do not exceed the maximum load capacity of 400 lbs.
- Use the handrail for secure grip while ascending or descending.
- Ensure anti-slip pedals are clean and dry before stepping.
- Avoid using the ladder on uneven or slippery surfaces.
- Do not stand on the tool tray.
- Store the ladder in a dry, secure location when not in use.
- Keep children away from the ladder during use and storage.

PRODUCT FEATURES

- Superior Stability:** Constructed from high-grade steel, supporting up to 400 lbs.
- Convenient Tool Tray:** Detachable tray for holding tools, paint buckets, and other essentials.
- Space-Saving Design:** Folds down to just 2.7 inches thick for compact storage.
- Enhanced Safety:** Features wide anti-slip pedals, non-slip rubber feet, and a sponge-wrapped handrail for secure grip.
- Lightweight & Portable:** Weighs only 18.7 lbs, making it easy to carry and transport.
- No Assembly Required:** Ready for immediate use right out of the box.

Overall view of the BONTEC 4-Step Ladder, highlighting its sturdy design and included tool tray.

Detailed dimensions of the ladder in both unfolded and folded states, showing its compact size and 400 lbs max load.

Illustration of the non-slip rubber feet, emphasizing proper contact with the ground for stability and floor protection.

A user demonstrating the convenient tool tray, which can hold various items like paint cans and brushes, reducing trips up and down.

The lightweight design of the ladder makes it easy for a user to carry it with one hand when folded.

The slim, folded profile of the ladder allows for convenient storage in narrow spaces, such as beside a door or in a pantry.

Close-up view of the sponge-covered handrail for comfortable grip and the extra-wide, anti-slip pedals for secure footing.

SETUP GUIDE

1. **Unpacking:** Carefully remove the ladder from its packaging.
2. **Unfolding:** Place the ladder on a flat, stable surface. Hold the top handle and gently pull the front and back legs apart until the ladder is fully extended and the locking mechanisms engage. You should hear a click indicating it's securely locked.
3. **Tool Tray Attachment (Optional):** If desired, attach the tool tray to the designated slots on the top step. Ensure it is firmly seated.

OPERATING INSTRUCTIONS

1. **Placement:** Position the ladder on a firm, level, and non-slippery surface. Ensure there are no obstructions around the base or top.
2. **Ascending:** Face the ladder and use the handrail for support. Step onto the pedals one at a time, ensuring your feet are centered and fully on the anti-slip surface.
3. **Working:** Maintain three points of contact (two feet and one hand, or two hands and one foot) whenever possible. Do not overreach; reposition the ladder as needed.
4. **Descending:** Face the ladder and descend carefully, using the handrail for support.

A person safely using the BONTEC 4-Step Ladder to access items on a high shelf, demonstrating its practical application.

CARE AND MAINTENANCE

- **Cleaning:** Wipe down the ladder with a damp cloth and mild detergent. Avoid abrasive cleaners.

- **Inspection:** Regularly check all bolts, rivets, and moving parts for tightness and wear. Ensure rubber feet are intact and not worn.
- **Storage:** After use, fold the ladder and store it in a dry place, away from direct sunlight and extreme temperatures. Its compact design allows for storage in narrow spaces.

TROUBLESHOOTING

Ladder feels wobbly:

- Ensure the ladder is fully unfolded and locked.
- Check that all four rubber feet are firmly on a flat, level surface. Adjust placement if necessary.
- Inspect rubber feet for wear or damage; replace if needed.

Difficulty folding/unfolding:

- Ensure no debris is obstructing the hinges or locking mechanisms.
- Apply a small amount of silicone lubricant to moving parts if stiffness persists.

PRODUCT SPECIFICATIONS

Attribute	Value
Material	Alloy Steel
Brand	BONTEC
Product Dimensions	18.1"W x 57.5"H
Color	Black
Special Feature	Anti-Slip, Foldable
Item Weight	18.7 Pounds
Load Capacity	400 Pounds
Maximum Height	146 Centimeters
Number of Steps	4
Model Number	TZ
Country of Origin	China
