FITUEYES F02W1443N

FITUEYES F02W1443N Low-Type TV Stand Instruction Manual

Model: F02W1443N

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in property damage, serious injury, or death.

- **Weight Capacity:** Do not exceed the maximum load capacity of 40kg (88 lbs). This stand is designed for TVs between 32 and 65 inches.
- **Stability:** Ensure the stand is placed on a flat, stable, and level surface. Do not place heavy objects on the base or shelves that could cause instability.
- **Assembly:** Assemble the product strictly according to the instructions. Do not modify the product or use it for purposes other than its intended use.
- **Children and Pets:** Keep children and pets away from the assembly area. Small parts can be a choking hazard. Do not allow children to climb on the stand or TV.
- **Wall Anchoring:** Consider anchoring the TV stand to the wall to prevent tipping, especially in households with children. Wall anchoring hardware may be sold separately.
- **Cable Management:** Properly route all cables to prevent tripping hazards and to ensure they are not pinched or damaged.

2. PRODUCT SPECIFICATIONS

Feature	Specification
Main Unit Dimensions (W x D x H)	600mm x 395mm x 947-1207mm
Base Plate Dimensions (W x D x H)	600mm x 395mm x 27mm

3. PACKAGE CONTENTS

Before beginning assembly, please ensure all parts listed in the included parts diagram are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Main TV Stand Components
- TV Mounting Brackets
- Hardware Kit (screws, washers, spacers, clips)
- Instruction Manual

Tools Required (Not Included): A Phillips head screwdriver may be required for some steps, though basic tools are often provided.

4. ASSEMBLY INSTRUCTIONS (SETUP)

Assembly is designed to be straightforward. Follow the step-by-step instructions provided in the printed manual.

included with your product. A supplementary assembly video may also be available online for visual guidance.

1. **Unpack and Identify:** Carefully unpack all components and compare them against the parts list to ensure everything is present.
2. **Base Assembly:** Assemble the base of the TV stand according to the diagrams. Ensure all connections are secure.
3. **Column Assembly:** Attach the main support column to the base.
4. **Back Panel Selection:** The stand features a dual-sided back panel. Choose between the oak or white finish and install it into the column. This can be changed later by removing the clips.
5. **TV Bracket Installation:** Attach the TV mounting brackets to the back of your television. Refer to your TV's manual for specific VESA mounting points.
6. **Mounting the TV:** Carefully lift and attach the TV (with brackets) to the stand's main column. It is recommended to have at least two people for this step, especially for larger TVs. Secure the TV using the provided locking mechanisms.
7. **Cable Management Setup:** Utilize the integrated cable management features to route and conceal cables for a tidy appearance.

Special Note for Sony TVs: Some Sony TV models include four wall-mount attachments. If the provided TV mounting screws are too short for your Sony TV, please first attach these four wall-mount attachments to your TV before proceeding with our stand's mounting screws.

5. OPERATING INSTRUCTIONS

5.1 Height Adjustment

The TV stand allows for height adjustment of the television within a range of 947mm to 1207mm. This feature

enables you to set the TV at an optimal viewing height, whether you are sitting on a sofa, a chair, or directly on the floor.

視線に合わせて、幅広い調整範囲で高さを調整できます。

ソファや座椅子に座って見る場合にも畳や床に直に座って見る場合にも適合します。

5.2 Swivel Function

When the swivel component is installed, the television can be rotated up to $\pm 20^\circ$ to the left and right. This allows for flexible viewing angles from various positions within the room, not just directly in front of the stand.

首振り可能

左右±20°
まで回転できます。

5.3 Dual-Sided Back Panel

The stand features a high-quality wood-grain cover with different colors on each side (oak and white). You can easily change the aesthetic by removing the clips on the back panel and flipping it to your preferred color. This allows for customization to match your room's decor.

両面通用背板

5.4 Cable Management

The back of the TV stand is equipped with integrated cable management features, including cable routing channels, a power strip placement area, and an HDD holder. This helps to keep cables organized and out of sight, contributing to a clean and uncluttered appearance.

Image: Detailed views of the TV stand's cable management system, highlighting the integrated channels for organizing wires, a compartment for a power strip, and a holder for an external hard drive.

5.5 Placement Options

The freestanding design allows for versatile placement. It can be positioned in the corner of a room to efficiently utilize space. If the swivel component is not installed, the distance from the back of the TV to the wall is approximately 11.2cm, creating a sleek, wall-mounted aesthetic without the need for drilling.

場所を問わずどこでも設置できる自立式

コーナー置き

お部屋のコーナーにも設置可能で。スペースを有効活用し狭いところにもピッタリ。

壁に近い

首振り部品を装着しない場合、テレビ取り付け面から壁までの距離は11.2センチしかありません。まるで壁掛けのように見えます。

6. MAINTENANCE

Regular maintenance helps ensure the longevity and appearance of your TV stand.

- Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- Hardware Check:** Periodically check all screws and connections to ensure they remain tight and secure. Retighten if necessary.
- Dusting:** Regularly dust the stand to prevent buildup, especially in cable management areas.

7. TROUBLESHOOTING

If you encounter any issues with your FITUEYES TV stand, please refer to the following common solutions:

- Instability:** Ensure the stand is on a level surface. Check that all assembly screws are fully tightened. Verify

the TV weight and size are within the specified limits.

- **TV Not Level:** Recheck the TV mounting bracket installation and ensure it is centered and level before tightening.
- **Missing Parts:** If you discover any missing parts during assembly, do not attempt to substitute them. Contact customer support immediately for replacements.
- **Difficulty Assembling:** Review the instruction manual and diagrams carefully. If you are still having trouble, consider watching the assembly video (if available) or contacting customer support.

8. WARRANTY AND SUPPORT

FITUEYES products are manufactured with quality and durability in mind. This product comes with a standard manufacturer's warranty against defects in materials and workmanship. Please retain your proof of purchase for warranty claims.

For technical assistance, missing parts, or warranty inquiries, please contact FITUEYES customer support:

- **Email:** support@fitueyes.com
- **Website:** Visit the official FITUEYES website for FAQs and additional support resources.

We aim to respond to all inquiries within 24 hours.
