LAKEMID DET005

LAKEMID Night Stand with Charging Station and LED Light Strip User Manual

Model: DET005

INTRODUCTION

Thank you for choosing the LAKEMID Night Stand with Charging Station and LED Light Strip. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new nightstands. Please read this manual thoroughly before assembly and retain it for future reference.

SAFETY INFORMATION

To ensure safe use of this product, please observe the following precautions:

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the drawers or shelves. Refer to specifications for weight limits.
- Keep electrical components (charging station, LED light strip) away from water and moisture.
- Do not attempt to modify the electrical components. Contact qualified personnel for repairs.
- Keep small parts and packaging materials away from children to prevent choking hazards.

PACKAGE CONTENTS

Before assembly, verify that all parts are present. If any parts are missing or damaged, please contact LAKEMID customer support.

Component	Quantity (per nightstand)
Top Panel	1
Side Frames (Left & Right)	2
Middle Shelf	1
Bottom Shelf	1
Fabric Drawers	3
Charging Station Unit (2 AC, 2 USB)	1
LED Light Strip	1
Remote Control for LED	1
Assembly Hardware (screws, wrench, etc.)	1 Set
Adjustable Feet	4

SETUP AND ASSEMBLY

Assembly is designed to be straightforward. It is recommended that one person assembles this product. All necessary tools are included.

- Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface. Identify each part using the provided parts list.
- Assemble Frame:** Attach the side frames to the bottom shelf using the provided screws. Ensure they are aligned correctly.
- Install Middle Shelf:** Secure the middle shelf between the side frames. This shelf features a 3-sided metal mesh fencing for item security.
- Attach Top Panel:** Fasten the top panel to the assembled frame.
- Insert Charging Station:** Carefully insert the charging station unit into the designated slot on the top panel. Ensure it clicks securely into place.
- Install LED Light Strip:** Adhere the LED light strip to the underside of the middle shelf or as indicated in the detailed assembly guide. Connect its USB cable to one of the USB ports on the charging station.
- Assemble Fabric Drawers:** Fold and assemble the fabric drawers according to their individual instructions. Insert them into the designated slots in the frame.
- Attach Adjustable Feet:** Screw the four adjustable feet into the bottom of the nightstand legs. Adjust them to ensure stability on uneven surfaces.

OPERATING INSTRUCTIONS

Charging Station

The integrated charging station provides convenient power access for your devices.

- **AC Outlets:** Two 125V/12A AC outlets are available for plugging in lamps, laptops, or other electronic devices.
- **USB Ports:** Two 5V/2A USB ports are provided for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The charging station is powered by a 6.5FT power cord. Plug it into a standard wall outlet.

Add ambience with LED lights

LED Light Strip

The LED light strip offers customizable ambient lighting for your space.

- **Power On/Off:** Use the power button on the remote control to turn the LED lights on or off.
- **Color Selection:** Choose from 20 vibrant colors using the color buttons on the remote.
- **Dynamic Modes:** Select from 19 dynamic modes for various lighting effects.
- **Speed Adjustment:** Adjust the speed of dynamic modes with 10 different options.
- **Brightness Control:** Select from 5 brightness modes to set the desired intensity.

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the nightstand to prevent buildup.
- **Drawer Care:** The fabric drawers can be spot cleaned with a mild detergent if necessary. Allow to air dry completely.
- **Fastener Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if loose.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Charging station not working.	Not plugged in; loose connection; power outage.	Ensure the power cord is securely plugged into a working wall outlet. Check for loose connections. Verify power to the outlet.
LED light strip not illuminating.	USB cable disconnected; remote battery dead; light strip malfunction.	Ensure the LED's USB cable is securely plugged into the charging station. Replace remote battery. If problem persists, contact support.
Nightstand is wobbly.	Uneven floor; loose assembly screws.	Adjust the four adjustable feet at the bottom of the legs until stable. Check and tighten all assembly screws.
Drawers do not slide smoothly.	Improper assembly; overloaded drawer.	Ensure drawers are assembled correctly and not overloaded. Redistribute contents if necessary.

SPECIFICATIONS

Feature	Detail
Brand	LAKEMID
