Generic 'I Love You to The Moon and Back' 1.5 Inch Stickers

1. PRODUCT OVERVIEW

These 1.5-inch round stickers feature the phrase *"I love you to the moon and back"* surrounded by colorful floral designs. They are designed for single use and have a matte, waterproof finish, making them suitable for various decorative and sealing purposes.

Figure 1: Example of the 'I Love You to The Moon and Back' sticker. The sticker is circular, approximately 1.5 inches in diameter, and features a crescent moon shape formed by a black line, filled with the text "I love you to the moon and back" in a handwritten style font. A small pink heart is placed below "moon". The moon shape and the area around it are adorned with various small, colorful flowers in shades of pink, purple, yellow, and blue, creating a vibrant floral border.

2. SETUP AND PREPARATION

No complex setup is required for these stickers. Ensure the surface where the sticker will be applied is clean, dry, and smooth for optimal adhesion.

- **Surface Cleaning:** Wipe the target surface with a clean, dry cloth to remove dust, dirt, or oils.
- **Surface Type:** Best results are achieved on paper, cardstock, glass, or smooth plastic surfaces.

3. OPERATING INSTRUCTIONS

Applying the stickers is a straightforward process:

1. **Peel:** Carefully peel the sticker from its backing paper. Avoid touching the adhesive side excessively to maintain stickiness.
2. **Position:** Place the sticker onto the desired clean, dry surface.
3. **Apply Pressure:** Once positioned, gently press down on the sticker from the center outwards to smooth out any air bubbles and ensure full contact with the surface.

These stickers are ideal for:

- Sealing envelopes for cards or invitations.
- Decorating gift bags or party favors.
- Adding a personal touch to scrapbooks or journals.
- Craft projects and DIY decorations.

4. CARE AND MAINTENANCE

These stickers are designed for single use and require minimal maintenance once applied. They are waterproof, offering durability against moisture.

- **Storage:** Store unused stickers in a cool, dry place away from direct sunlight to preserve adhesive quality.
- **Cleaning:** If applied to a surface that requires cleaning, gently wipe the surface, avoiding harsh scrubbing directly on the sticker to prevent damage.

5. TROUBLESHOOTING

Most issues related to sticker application are minor and easily resolved:

Problem	Possible Cause	Solution
Sticker not adhering properly	Surface is dirty, oily, or uneven; adhesive touched too much during peeling.	Ensure surface is clean and dry before application. Avoid touching the adhesive side. Apply firm, even pressure.
Air bubbles under sticker	Uneven application.	Apply from the center outwards, smoothing as you go. For existing bubbles, gently press them towards the edge to release air.
Sticker peeling off edges	Insufficient pressure applied to edges; surface not completely flat.	Re-apply pressure to the edges. Ensure the sticker is applied to a flat surface.
