COSTWAY 3-Piece Patio Rattan Furniture Set Instruction Manual

INTRODUCTION

Thank you for choosing the COSTWAY 3-Piece Patio Rattan Furniture Set. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor furniture. Please read these instructions carefully before assembly and retain them for future reference.

This set includes two comfortable rattan chairs with cushions and one coffee table with a tempered glass top, designed for outdoor conversation and relaxation. The furniture is constructed from durable PE rattan and a sturdy steel frame, ensuring stability and longevity.

Dimensions

SETUP AND ASSEMBLY

The COSTWAY 3-Piece Patio Rattan Furniture Set is designed for straightforward assembly. All necessary accessories and detailed instructions are provided within the package. Please ensure all components are present before beginning assembly.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratching.
2. Identify all hardware and furniture pieces according to the parts list in your included instruction booklet.
3. Follow the step-by-step diagrams and instructions to connect the frame components for each chair and the coffee table.
4. Secure all bolts and screws firmly, but do not overtighten until all parts are aligned.
5. Once the frames are assembled, place the tempered glass top onto the coffee table and the cushions onto the chairs.
6. Verify that all connections are secure and the furniture is stable before use.

Important Safety Note: Always follow the assembly instructions carefully to avoid injury. Inspect the furniture set regularly for any signs of wear or damage. Do not use if damaged or unstable.

OPERATING AND USAGE

This patio furniture set is designed for comfortable outdoor use in various settings such as patios, balconies, poolside areas, lawns, and gardens. The chairs provide a comfortable seating experience, while the coffee table offers a convenient surface for drinks, snacks, or decorative items.

- **Weight Capacity:** Each chair has a maximum load bearing capacity of approximately 360 lbs. The coffee table has a maximum load bearing capacity of approximately 90 lbs. Do not exceed these limits to ensure safety and product longevity.
- **Placement:** Position the furniture on a flat, stable surface to prevent tipping.
- **Environmental Conditions:** While the materials are weather-resistant, prolonged exposure to extreme weather conditions (heavy rain, strong winds, direct scorching sun, or freezing temperatures) may affect the lifespan of the product. Consider using a furniture cover during harsh weather or off-season storage.

setting.

CARE AND MAINTENANCE

Proper care and maintenance will extend the life and appearance of your COSTWAY patio furniture set.

- **Rattan Frame:** Wipe the PE rattan material with a damp cloth to remove dust and dirt. For more stubborn stains, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Cushions:** The cushion covers are made of waterproof polyester cloth and are designed to be washable. Unzip and remove the covers for cleaning. Hand wash or machine wash on a gentle cycle with cold water and mild detergent. Air dry only; do not tumble dry. The sponge inserts should be spot cleaned if necessary.
- **Tempered Glass Tabletop:** Clean the glass surface with a standard glass cleaner and a soft cloth. Avoid using abrasive pads or cleaners that could scratch the glass.
- **General Care:** Regularly check all bolts and connections to ensure they remain tight. Retighten if necessary. Store cushions indoors during inclement weather or when not in use for extended periods to preserve their condition.

TROUBLESHOOTING

This section addresses common concerns and provides solutions to ensure the optimal performance and safety of your furniture set.

- **Instability:** If the furniture feels wobbly after assembly, recheck all connections and ensure bolts are tightened evenly. Make sure the furniture is placed on a level surface.
- **Cushion Flattening:** Over time, cushions may show signs of compression. Regularly fluff and rotate cushions to maintain their shape and comfort. Store them indoors when not in use to prolong their lifespan.
- **Rattan Damage:** While PE rattan is durable, sharp objects or excessive force can cause damage. Avoid dragging the furniture or placing heavy, sharp items directly on the rattan. If minor damage occurs, it can sometimes be repaired with appropriate rattan repair kits.
- **Glass Tabletop Issues:** If the tempered glass tabletop shifts, ensure the suction cups (if applicable) are properly attached and clean. Avoid placing extremely hot items directly on the glass without a coaster.
- **Fading:** Although the rattan is sun-proof, prolonged exposure to intense UV rays can eventually cause slight fading. Using a furniture cover when not in use can help minimize this.

If you encounter issues not covered here, please refer to the support section for assistance.

SPECIFICATIONS

Below are the key specifications for the COSTWAY 3-Piece Patio Rattan Furniture Set:

Image: A diagram illustrating the precise dimensions of both the patio chair and the coffee table, including height, width, and depth measurements, along with maximum weight capacities.
