# Joseph Joseph Multi-Prep Compact 4-in-1 Multifunctional Set Instruction Manual

Model: 20222

## 1. INTRODUCTION

---

Thank you for choosing the Joseph Joseph Multi-Prep Compact 4-in-1 Multifunctional Set. This versatile kitchen tool is designed to simplify your food preparation tasks, offering chopping, slicing, grating, and julienne cutting functions in one compact unit. Please read this manual carefully before first use to ensure safe and optimal operation.

This set includes a clear collecting base and four interchangeable tools: a chopping blade, a slicing blade, a grating blade, and a julienne blade. A finger guard is also provided for safety during use.

## 2. PRODUCT COMPONENTS

---

Familiarize yourself with the various parts of your Multi-Prep set:

Figure 2.1: Exploded view of Multi-Prep components

- **Chopping Blade:** For dicing vegetables and fruits.
- **Slicing Blade:** For creating even slices of various ingredients.
- **Grating Blade:** For grating cheese, vegetables, and other foods.
- **Julienne Blade:** For cutting thin, matchstick-like strips.
- **Finger Guard:** Essential for safe handling during slicing, grating, and julienne cutting.
- **Collecting Base:** Clear container to collect prepped food.

### 3. INITIAL SETUP

---

1. **Unpack:** Carefully remove all components from the packaging.
2. **Wash:** Before first use, wash all parts in warm, soapy water. Rinse thoroughly and dry. Refer to the 'Maintenance and Cleaning' section for detailed care instructions.
3. **Assemble:** Place the clear collecting base on a stable, flat surface. Select the desired blade tool and fit it securely onto the top of the collecting base.

### 4. OPERATING INSTRUCTIONS

Always ensure the chosen tool is securely fitted to the collecting base before use. Use the finger guard for all slicing, grating, and julienne tasks to protect your hands.

#### 4.1 Chopping (Dicing)

1. Attach the chopping blade tool to the collecting base.
2. Place the food item (e.g., onion, bell pepper) onto the chopping grid. For larger items, pre-cut them into smaller pieces that fit the grid.
3. Firmly press down on the lid to push the food through the blades into the collecting base.

#### 4.2 Slicing

1. Attach the slicing blade tool to the collecting base.
2. Secure the food item (e.g., cucumber, radish) onto the finger guard.
3. Slide the finger guard with the food item back and forth across the slicing blade to create even slices, which will fall into the collecting base.

### 5. SAFETY PRECAUTIONS

- **Sharp Blades:** The blades are extremely sharp. Always handle with care.
- **Use Finger Guard:** Always use the provided finger guard when slicing, grating, or julienne cutting to protect your fingers.
- **Keep Away from Children:** Store the product and its components out of reach of children.

- **Stable Surface:** Always use the product on a stable, flat surface.
- **Intended Use:** Use only for its intended purpose of food preparation.

## 6. MAINTENANCE AND CLEANING

---

Proper care ensures the longevity and performance of your Multi-Prep set.

- **Hand Wash Only:** All components of the Joseph Joseph Multi-Prep set are recommended for hand washing only.
- **Warm Soapy Water:** Wash with warm, soapy water immediately after use to prevent food from drying onto the blades and surfaces.
- **Care with Blades:** Use a brush to clean around the blades to avoid direct contact with your hands.
- **Dry Thoroughly:** Ensure all parts are completely dry before storing to prevent rust on stainless steel blades.
- **Storage:** The four tools stack neatly together on top of the base for space-saving storage.

## 7. TROUBLESHOOTING

---

If you encounter any issues, please refer to the following common solutions:

- **Difficulty Chopping/Slicing:** Ensure the food item is appropriately sized for the blade. For harder vegetables, apply firm, even pressure. Ensure blades are clean and free of debris.
- **Food Not Collecting Properly:** Verify that the chosen tool is correctly seated on the collecting base.
- **Blades Seem Dull:** While Joseph Joseph blades are designed for durability, excessive force or improper cleaning can affect performance. Ensure proper cleaning and storage.
