Huffy Disney Minnie Mouse Light Up Kids' Trike Instruction Manual

Model: 29132

INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your Huffy Disney Minnie Mouse Light Up Kids' Trike. Please read this manual thoroughly before assembly and use to ensure safe and proper operation. Retain this manual for future reference.

SAFETY INFORMATION

WARNING: Wear a helmet and ride in a safe environment under adult supervision.

- Always ensure adult supervision during use.
- Ensure all parts are securely fastened before each ride.
- Do not use near stairs, on steep inclines, or in traffic.
- Recommended for children aged 36 months to 6 years, supporting up to 44 pounds.
- Proposition 65 Warning: This product can expose you to chemicals which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, do not proceed with assembly. Contact Huffy customer support.

- Tricycle Frame
- Front Wheel Assembly (with pedals)
- Rear Wheel Assembly (2 wheels)
- Handlebars
- Seat (with storage)
- Hardware Pack (screws, washers, nuts)
- Instruction Manual (this document)

ASSEMBLY INSTRUCTIONS

Assembly requires adult supervision and basic tools (not included).

- 1. Attach Rear Wheels:** Securely attach the two rear wheels to the tricycle frame. Ensure they are firmly in place.
- 2. Install Front Wheel and Pedals:** Insert the front wheel assembly into the front fork of the tricycle frame. Attach the pedals to the front wheel crank arms.
- 3. Mount Handlebars:** Slide the handlebars into the steering column. Tighten the handlebar clamp securely. Ensure the handlebars are aligned with the front wheel.
- 4. Attach Seat:** Place the seat onto the frame and secure it with the provided hardware. Ensure the seat is stable and does not wobble.
- 5. Check LED Lights:** Verify the functionality of the LED lights on the wheels. Locate the simple on/off switch and test the lights.
- 6. Final Inspection:** Before first use, double-check all nuts, bolts, and fasteners to ensure they are tight and secure. Confirm that the wheels spin freely and the steering operates smoothly.

OPERATING INSTRUCTIONS

Riding the Trike

- Ensure the child is wearing appropriate safety gear, including a helmet.
- Position the child on the seat with their feet on the pedals.
- Encourage the child to push the pedals forward to move the trike.
- Guide the child to steer using the handlebars.

Activating LED Lights

- Locate the on/off switch for the LED lights, typically near the wheels or frame.
- Flip the switch to the "ON" position to activate the lights.
- Flip the switch to the "OFF" position when not in use to conserve battery life.

MAINTENANCE

- Cleaning:** Wipe the trike with a damp cloth and mild soap. Avoid harsh chemicals.
- Lubrication:** Periodically check and lubricate moving parts like pedals and wheel axles if necessary.
- Storage:** Store the trike indoors in a dry place to prevent rust and prolong its lifespan.
- Battery Replacement (for LED lights):** If the LED lights dim or stop working, replace the batteries according to the instructions provided in the battery compartment.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Trike does not move smoothly.	Loose wheel fasteners or debris in axles.	Check and tighten all wheel fasteners. Remove any debris from axles.
LED lights are not working.	Batteries are dead or switch is off.	Ensure the light switch is in the "ON" position. Replace batteries if needed.

Problem	Possible Cause	Solution
Pedals are stiff.	Lack of lubrication or debris.	Clean and lubricate pedal mechanisms.
Trike feels unstable.	Loose assembly or uneven ground.	Re-check all assembly points for tightness. Ensure riding on a flat, stable surface.

SPECIFICATIONS

- Model Number:** 29132
- Product Dimensions:** 22.44 x 15.75 x 17.72 inches (Length x Width x Height)
- Item Weight:** 5.73 pounds
- Recommended Age:** 36 months - 6 years
- Maximum Weight Capacity:** 44 pounds
- Brand:** Huffy
- Features:** Light-up wheels, Minnie Mouse graphics, under-seat storage.
