Automatic Pet Feeder 5Kg with Voice Recording

Brand: Generic | Model: B0CF7LZ5KN

INTRODUCTION

This automatic pet feeder is designed to provide scheduled meals for your dogs and cats, ensuring they are fed regularly even when you are away. It features a timer for programming meal times, allowing you to set breakfast, lunch, and dinner. You can customize the quantity for each daily meal, with options ranging from 1/4 to 3 cups per portion, for up to 3 meals per day. A unique voice recording feature allows you to record a message to call your pet at meal times, adding a personal touch. The feeder has a 5-liter capacity and operates on 3 D batteries (not included). Constructed from durable plastic, it comes in a sleek black color. Its dimensions are approximately 40cm in height, 20cm in width, and 22cm in length.

PRODUCT OVERVIEW

This image shows the assembled automatic pet feeder, ready for use. The transparent container holds dry pet food, which dispenses into the attached bowl.

SETUP INSTRUCTIONS

1. **Unpack the Feeder:** Carefully remove all components from the packaging. Ensure all parts are present: main unit, food reservoir, lid, and food bowl.
2. **Install Batteries:** Locate the battery compartment at the bottom of the unit. Insert 3 D-size batteries (not included), ensuring correct polarity. These batteries serve as a backup power source.
3. **Connect Power Adapter:** Plug the power adapter into the feeder's power port and then into a wall outlet.
4. **Assemble the Feeder:** Place the food reservoir onto the main unit, ensuring it is securely seated. Attach the

food bowl to the front of the main unit.

5. **Fill with Food:** Open the lid of the food reservoir and fill it with dry pet kibble. Close the lid securely.

OPERATING INSTRUCTIONS

1. **Programming Meal Times:** Use the control panel on the feeder or the dedicated mobile application (if available and compatible) to set up to 3 daily meal times.
2. **Setting Portion Sizes:** For each programmed meal, select the desired portion size, ranging from 1/4 cup to 3 cups. Refer to your pet's dietary needs for appropriate amounts.
3. **Voice Recording Feature:** To record a personalized voice message (up to 10 seconds), press and hold the record button on the control panel. Speak clearly into the microphone. Release the button to save. This message will play at each scheduled meal time to alert your pet.
4. **Manual Feeding:** Most feeders include a manual feed button for immediate dispensing of a single portion. Consult the specific button layout on your device.

MAINTENANCE AND CLEANING

Regular cleaning ensures hygiene and proper functioning of the feeder.

1. **Disassembly:** Unplug the feeder and remove the batteries. Detach the food bowl and the food reservoir from the main unit.
2. **Cleaning Components:** Wash the food bowl and food reservoir with warm, soapy water. Rinse thoroughly and dry completely before reassembly. Do not immerse the main unit in water.
3. **Wipe Main Unit:** Use a damp cloth to wipe the exterior of the main unit. Avoid getting water into electronic components.
4. **Reassembly:** Once all parts are dry, reassemble the feeder by attaching the food reservoir and food bowl. Reinsert batteries and plug in the power adapter.

TROUBLESHOOTING

- **Feeder Not Powering On:** Check if the power adapter is securely plugged in. If using batteries, ensure they are correctly inserted and not depleted. Replace batteries if necessary.
- **Food Not Dispensing:** Verify that the food reservoir is not empty. Check for any kibble jams in the dispensing mechanism. Ensure the food size is appropriate for the feeder.
- **Voice Recording Not Playing:** Ensure a voice message has been successfully recorded. Check the volume settings if adjustable.
- **Wi-Fi Connectivity Issues (if applicable):** This feeder requires a 2.4 GHz Wi-Fi network for app control. If you have a dual-band router, ensure your device is connected to the 2.4 GHz band during setup.
