## Greenote GSC45

# Greenote GSC45 Battery Pack Instruction Manual

Model: GSC45

## 1. INTRODUCTION

Thank you for choosing the Greenote GSC45 Battery Pack. This product is designed as a replacement or spare battery for the Greenote GSC45 cordless vacuum cleaner. It provides reliable power to ensure optimal performance of your vacuum. Please read this manual thoroughly before use to ensure proper operation and maintenance.

## 2. SAFETY INSTRUCTIONS

To prevent damage to the battery pack or injury to yourself, please observe the following safety precautions:

- Do not disassemble, open, or shred the battery pack.
- Do not expose the battery pack to heat or fire. Avoid storage in direct sunlight.
- Do not short-circuit the battery pack. Do not store battery packs haphazardly in a box or drawer where they may short-circuit each other or be short-circuited by other metal objects.
- Do not expose the battery pack to mechanical shock.
- In the event of a battery leaking, do not allow the liquid to come into contact with the skin or eyes. If contact has been made, wash the affected area with copious amounts of water and seek medical advice.
- Keep the battery pack clean and dry.
- Only use the battery pack with the Greenote GSC45 cordless vacuum cleaner.
- Dispose of the battery pack properly according to local regulations. Do not dispose of with household waste.

## 3. PRODUCT OVERVIEW

**Figure 1:** Greenote GSC45 Battery Pack. This image shows the main body of the battery pack, featuring connection terminals at the bottom, a release button, and an indicator light on the side.

The Greenote GSC45 Battery Pack is a compact and lightweight lithium-ion battery designed for easy installation and replacement. It features high energy density for efficient and stable power delivery to your Greenote GSC45 vacuum cleaner.

## 4. SETUP AND INSTALLATION

Follow these steps to install the battery pack into your Greenote GSC45 cordless vacuum cleaner:

1. Ensure the vacuum cleaner is turned off and disconnected from any power source.
2. Locate the battery compartment on your Greenote GSC45 vacuum cleaner. Refer to your vacuum cleaner's manual for the exact location.

3. Align the battery pack with the compartment, ensuring the connection terminals match the vacuum's connectors.
4. Gently slide the battery pack into the compartment until it clicks securely into place. Do not force the battery.
5. Verify that the battery pack is firmly seated and does not wobble.

## 5. CHARGING INSTRUCTIONS

---

To charge your Greenote GSC45 Battery Pack:

1. Connect the vacuum cleaner (with the battery installed) to its designated charging adapter.
2. Plug the charging adapter into a standard electrical outlet.
3. The battery indicator lights on the vacuum cleaner will typically show the charging status. Refer to your vacuum cleaner's manual for specific indicator patterns.
4. A full charge typically takes approximately **3.5 hours**.
5. Once fully charged, disconnect the charging adapter from the outlet and the vacuum cleaner.

*Note: It is recommended to fully charge the battery before its first use.*

## 6. OPERATION

---

Once the battery pack is installed and charged, it will power your Greenote GSC45 cordless vacuum cleaner. The battery provides stable energy support for the vacuum's operation. Refer to your Greenote GSC45 vacuum cleaner's instruction manual for details on operating the vacuum itself.

## 7. MAINTENANCE

---

Proper maintenance can extend the life of your battery pack:

- **Regular Charging:** Recharge the battery pack when its power is low. Avoid completely draining the battery frequently, as this can reduce its overall lifespan.
- **Storage:** If storing the battery for an extended period, charge it to approximately 50% and store it in a cool, dry place. Recharge it every few months to prevent deep discharge.
- **Cleaning:** Keep the battery pack and its terminals clean and free from dust or debris. Use a dry, soft cloth for cleaning.
- **Temperature:** Avoid exposing the battery to extreme temperatures, both hot and cold, as this can affect performance and lifespan.

## 8. TROUBLESHOOTING

---

If you encounter issues with your Greenote GSC45 Battery Pack, consider the following:

- **Battery Not Charging:**
  - Ensure the charging adapter is correctly connected to both the vacuum and the power outlet.
  - Check if the power outlet is functional.
  - Verify that the battery pack is properly installed in the vacuum cleaner.
- **Short Operating Time:**
  - Ensure the battery is fully charged before use.
  - Battery performance can decrease over time with repeated charge cycles. Consider replacing the

battery if its capacity has significantly diminished.

- **Battery Overheating:**

- Stop using and charging the battery immediately.
- Allow the battery to cool down in a well-ventilated area.
- If overheating persists, discontinue use and contact customer support.

## 9. SPECIFICATIONS

<b>Model</b>	GSC45 Battery Pack
<b>Brand</b>	Greenote
<b>Battery Type</b>	Lithium Ion
<b>Voltage</b>	3.7 Volts
<b>Dimensions (L x W x H)</b>	12 x 9 x 5 cm
<b>Weight</b>	420 g
<b>Charging Time</b>	Approx. 3.5 hours
<b>Compatibility</b>	Greenote GSC45 Cordless Vacuum Cleaner
