### Belkin NPA004btWH

# Belkin Rockstar™ 3.5mm Audio with USB-C Charge Adaptor Instruction Manual

Model: NPA004btWH

## INTRODUCTION

The Belkin Rockstar™ 3.5mm Audio + USB-C Charge Adapter is designed to enable simultaneous audio output and device charging through a single USB-C port. This adapter provides a 3.5mm audio output for listening to music or taking calls, alongside a USB-C input for charging. It supports fast charging speeds up to 60W when used with a compatible USB Power Delivery or Quick Charge 2.0 charger and device. The adapter incorporates high-quality components and a digital-to-analog converter for clear audio performance.

## MAINTENANCE

To ensure the longevity and optimal performance of your Belkin Rockstar™ adapter, follow these maintenance guidelines:

- **Keep Clean:** Regularly wipe the adapter with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Handle with Care:** Avoid excessive bending or pulling on the cables and connectors to prevent internal damage.
- **Store Properly:** When not in use, store the adapter in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Moisture:** Do not expose the adapter to water or other liquids.

## TROUBLESHOOTING

If you encounter issues with your Belkin Rockstar™ adapter, consider the following:

- **No Audio Output:**
  - Ensure the 3.5mm audio cable is fully inserted into the adapter and your audio device.
  - Verify your device's volume is not muted or set too low.
  - Test with a different 3.5mm audio device to rule out headphone/speaker issues.
- **No Charging:**
  - Confirm the USB-C charging cable is securely connected to both the adapter and the power source.
  - Ensure the power source is active and functioning correctly.
  - Test with a different USB-C charging cable and/or power source.
- **Static or Poor Audio Quality:**
  - Ensure all connections are secure.
  - Try disconnecting and reconnecting the adapter.

- Avoid using the adapter near sources of electromagnetic interference.

- **Adapter Not Recognized by Device:**

- Disconnect and reconnect the adapter to your device.
- Restart your device.
- Ensure your device's operating system is up to date.
