Maintenance

Proper care will extend the life and appearance of your velvet sectional sofa.

- **Cleaning Velvet Fabric:** The velvet fabric is skin-friendly, breathable, and resistant to pet scratching. For general cleaning, gently vacuum with an upholstery attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain and damage the fabric pile. For tougher stains, use a mild, water-free solvent or dry-cleaning product. Always test on an inconspicuous area first.
- **Removable Pillow Covers:** All back pillow covers are removable and washable. Follow the care instructions on the label for best results, typically cold water wash and air dry to maintain fabric integrity.

- **Fluffing Cushions:** Regularly fluff and rotate seat and back cushions to maintain their shape and even out wear.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading. Position your sofa away from direct sun or use curtains/blinds.
