SAFETY INFORMATION

For your safety and to prevent damage to the product, please observe the following:

- Always secure the cabinet to the wall to prevent tipping. Use appropriate wall anchors for your wall type.
- Be cautious when opening and closing the sliding glass doors to avoid injury. Ensure fingers are clear of the door path.
- Do not overload shelves. Refer to the Specifications section for weight capacities.
- Keep small parts away from children during assembly.
- Place the unit on a flat, stable surface.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer service.

- 1 x Sideboard Unit
- 2 x Sliding Tempered Glass Doors
- 1 x Adjustable Shelf
- Hardware Pack (screws, dowels, cam locks, etc.)
- Assembly Instruction Manual

SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the detailed instructions provided in the included manual. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Check against the parts list in the separate assembly manual.
2. **Assemble Frame:** Follow the step-by-step diagrams to connect the main frame components using the provided hardware. Ensure all connections are secure.
3. **Install Back Panel:** Attach the back panel to the assembled frame.
4. **Insert Adjustable Shelf:** The adjustable shelf can be placed in one of three positions. Locate the pre-drilled holes and insert the shelf supports. Then, place the shelf onto the supports.
5. **Install Sliding Doors:** Carefully insert the tempered glass doors into the top and bottom tracks. Ensure they slide smoothly.
6. **Attach Support Legs:** Secure the support legs to the base of the sideboard.
7. **Wall Anchoring:** For safety, it is crucial to anchor the sideboard to a wall using the provided anti-tip kit. This prevents accidental tipping.

OPERATING INSTRUCTIONS

This sideboard is designed for versatile storage and ease of use.

Adjustable Shelf

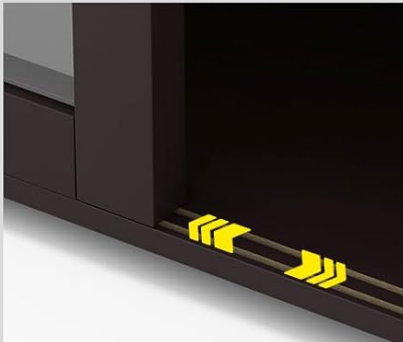

The internal shelf can be adjusted to three different height positions to accommodate items of various sizes. To adjust, remove the shelf and its supports, then reinsert the supports into the desired pre-drilled holes before placing the shelf back.

Sliding Glass Doors

The two tempered glass doors slide smoothly along the bottom track. Gently push or pull the doors to open or close them. Ensure the track is free of obstructions for optimal operation.

Tough Sliding Tempered Glass Doors

Smooth Track

Round Corner Design

Stable Support Legs

MAINTENANCE

To ensure the longevity and appearance of your sideboard, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish or glass.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Glass Care:** Use a glass cleaner for the tempered glass doors.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Environment:** Avoid placing the sideboard in direct sunlight or near heat sources, which can cause warping or fading.

TROUBLESHOOTING

If you encounter any issues with your sideboard, consider the following common solutions:

- **Wobbly Unit:** Ensure the sideboard is on a level surface. Check all assembly hardware and tighten any loose connections. Verify wall anchoring is properly installed.
- **Doors Not Sliding Smoothly:** Inspect the tracks for any debris or obstructions. Clean the tracks if necessary. Ensure the doors are correctly seated in both the top and bottom tracks.
- **Scratches/Minor Damage:** For minor scratches on the engineered wood, furniture repair markers or touch-up pens can be used.
