## ZGZUXO CZK-3668

# ZGZUXO 150PSI Cordless Tire Inflator User Manual

Model: CZK-3668

## 1. INTRODUCTION

Thank you for choosing the ZGZUXO 150PSI Cordless Tire Inflator. This portable air compressor is engineered for convenience, efficiency, and safety, allowing you to quickly and accurately inflate tires for cars, motorcycles, and bicycles, as well as various sports balls. Its compact design and powerful features make it an essential tool for automotive maintenance, outdoor activities, and emergencies.

## 2. SAFETY INSTRUCTIONS

- Read all instructions carefully before using the device.
- Keep the device away from children and pets.

- Do not operate the inflator in wet conditions or near flammable liquids or gases.
- Ensure the air hose connection is secure before starting inflation to prevent air leakage or hose detachment.
- Do not overinflate tires or other items. Always refer to the manufacturer's recommended pressure.
- The air hose may become hot during prolonged use. Handle with care.
- Store the device in a cool, dry place when not in use.
- Do not disassemble or attempt to repair the device yourself. Contact customer support if issues arise.

### **3. PACKAGE CONTENTS**

Verify that all items are present in the package:

- Tire Inflator (Main Unit)
- Air Hose
- 4 Extra Nozzles (for various inflatables)
- Type-C Charging Cable
- User Manual (this document)
- Built-in Pressure Gauge (integrated into the unit)

## **4. SETUP**

### **4.1 Initial Charge**

Before first use, fully charge the tire inflator using the provided Type-C charging cable. The battery indicator on the LCD screen will show charging progress.

# BUILT FOR EMERGENCIES

*Image 2: The tire inflator can be charged via its Type-C port and also features an emergency LED light.*

## 4.2 Attaching the Air Hose

Screw the air hose securely into the designated port on the top of the inflator. Ensure it is tightened to prevent air leaks during operation.

# LONG BATTERY LIFE

Image 3: The compact size of the inflator makes it easy to carry and store in various locations.

## 5. OPERATING INSTRUCTIONS

### 5.1 Power On/Off

Press and hold the power button (usually the middle button) for 3 seconds to turn the inflator on or off.

### 5.2 Selecting Inflation Mode

Press the 'M' button to cycle through the preset inflation modes: Car, Motorcycle, Bicycle, Ball, and Custom.

Each mode has a default pressure setting, which can be adjusted.

# WIDER APPLICATION

**Car**

**26-50 PSI**

**Motorcycle**

**26-45 PSI**

**Bike**

**30-145 PSI**

**Balls**

**4-16 PSI**

**Custom**

**3-150 PSI**

*Image 4: The inflator supports multiple modes for different inflation needs.*

## 5.3 Adjusting Preset Pressure

Use the '+' and '-' buttons to increase or decrease the target pressure for the selected mode. The current pressure and target pressure will be displayed on the LCD screen.

# TRACK REAL-TIME INFLATION

Effortlessly monitor inflation in real time

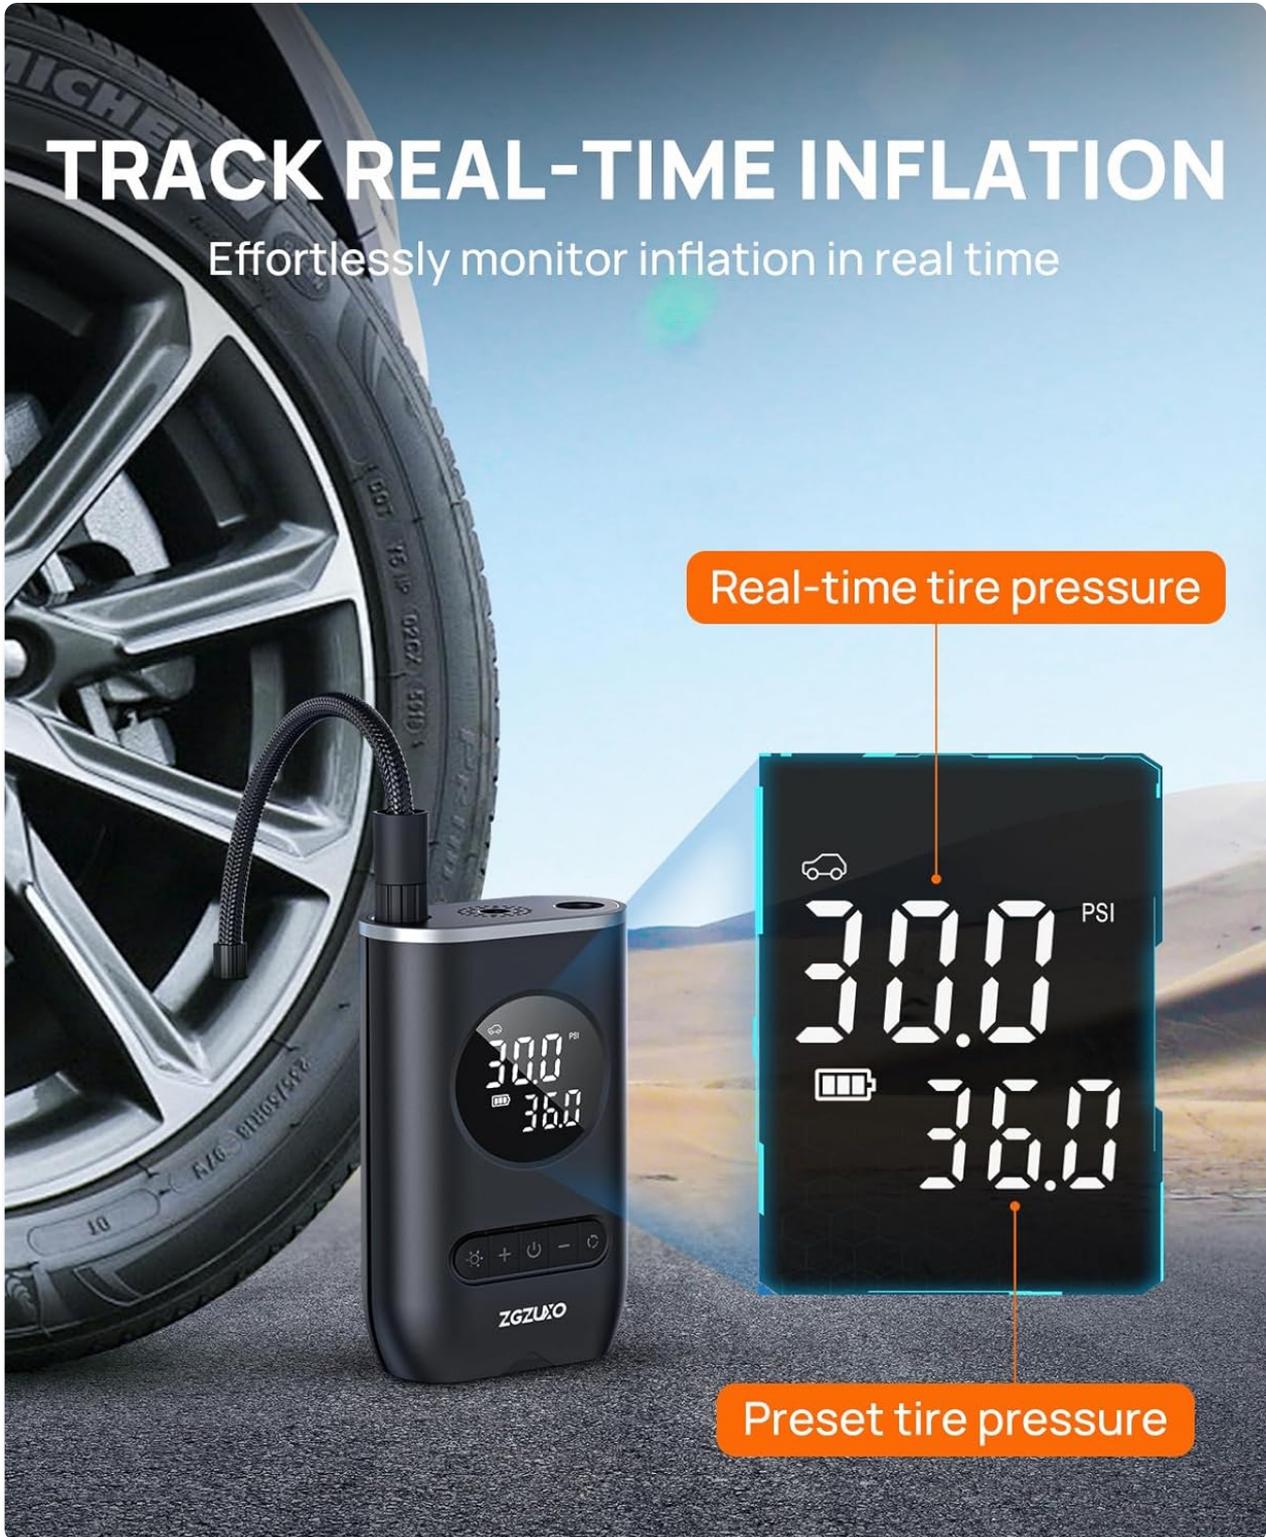

Image 5: Effortlessly monitor inflation in real-time with the clear LCD display.

## 5.4 Starting and Stopping Inflation

Once the desired pressure is set, press the power button to start inflation. The inflator will automatically stop when the target pressure is reached. You can manually stop inflation at any time by pressing the power button again.

Image 6: The auto-stop feature ensures safe and precise inflation, preventing over-inflation.

### 5.5 Using the Emergency LED Light

Press the light button (usually on the left) to turn on the integrated LED light for illumination in low-light conditions or emergencies.

### 5.6 Inflation Examples

The inflator is designed for quick inflation. For example, it can refill a standard car tire (195/55/R15) from 29-36 PSI in approximately 2 minutes.

Image 7: Fast inflation capabilities for various tire types.

### 5.7 Video Demonstrations

*Video 1: Demonstration of inflating a bike tire using the ZGZUXO inflator. This video shows the ease of use for bicycle maintenance.*

*Video 2: Demonstration of inflating a ball using the ZGZUXO inflator. This video highlights its versatility for sports equipment.*

## 6. MAINTENANCE

### 6.1 Battery Life

The portable tire inflator is powered by a robust rechargeable battery, capable of inflating up to 4 car tires (29-36 PSI) on a single charge. Its long-lasting battery ensures reliable performance anytime.

# ELECTRIC BIKE PUMP

## Electric

- ✓ Convenient to carry and store
- ✓ Fast Inflation with auto-stop function
- ✓ Saves time and energy efficiently

## Manual

- ✗ Bulkier and more challenging to carry
- ✗ Slower inflation and less precision
- ✗ Time-consuming and physically exhausting

*Image 8: The inflator boasts a long battery life for multiple uses on a single charge.*

### 6.2 Cleaning and Storage

Wipe the device with a soft, dry cloth. Do not use abrasive cleaners or solvents. Store the inflator and its accessories in a dry place, away from direct sunlight and extreme temperatures.

## 7. TROUBLESHOOTING

- **Device not turning on:** Ensure the battery is charged. If not, connect to power using the Type-C cable.
- **No air coming out:** Check if the air hose is securely connected to both the inflator and the tire valve. Ensure the correct nozzle is attached for the item being inflated.
- **Inaccurate pressure reading:** Ensure the hose is properly connected. If the issue persists, consult the manufacturer's guidelines for your tire/item's recommended pressure.
- **Device stops unexpectedly:** The device may have reached its preset pressure or the battery might be low. Check the display for indicators.

## 8. SPECIFICATIONS

Feature	Detail
Brand	ZGZUXO
Model Name	CZK-3668
Voltage	12 Volts (DC)
Power Source	Battery Powered
Noise Level	67 dB
Item Weight	0.9 Pounds
Maximum Power	144 Watts
Air Flow Capacity	35 LPM
Maximum Operating Pressure	36 Pound per Square Inch (for auto-stop, up to 150PSI custom)
Product Dimensions	3.3"L x 1.9"W x 5.4"H
Color	Black

## 9. WARRANTY AND SUPPORT

This ZGZUXO product comes with a 1-Year Warranty from the date of purchase. For any product inquiries, technical support, or warranty claims, please contact ZGZUXO Direct customer service. You can also visit the [ZGZUXO Store on Amazon](#) for more information and contact options.
