Braun 9577cc

Braun Series 9 PRO+ 9577cc Electric Razor Instruction Manual

Model: 9577cc

PRODUCT OVERVIEW

The Braun Series 9 PRO+ Electric Razor is engineered for ultimate closeness and skin comfort, designed to handle 1, 3, or even 7-day beards with exceptional efficiency. Featuring 5 specialized ProShave elements, including the ProLift Blade, and unique Sonic Technology, it adapts to your beard for a precise and gentle shave. The integrated Precision ProTrimmer, enhanced with surgical-grade stainless steel, ensures perfect detailing for sideburns and mustaches.

Key Features:

- **5 ProShave Elements:** Delivers efficiency and skin comfort on various beard lengths.
- **Precision ProTrimmer:** Integrated trimmer with surgical-grade steel for precise detailing.
- **6-in-1 SmartCare Center:** Cleans, lubricates, dries, and charges at the touch of a button.
- **PowerCase:** Charging travel case providing up to 60 minutes of mobile shaving.
- **100% Waterproof:** Suitable for wet and dry use with foam, gel, or in the shower.
- **Long Battery Runtime:** Powerful Li-Ion battery offers 60 minutes of shaving time.

SETUP

Before first use, ensure your Braun Series 9 PRO+ is fully charged. The razor comes with a 6-in-1 SmartCare Center for convenient charging and maintenance.

Initial Charging:

1. Connect the SmartCare Center to a power outlet using the provided charging cable.
2. Place the shaver into the SmartCare Center. The battery indicator on the shaver will illuminate to show charging progress.
3. A full charge typically takes about 1 hour. A 5-minute quick charge option is available for a single shave.

6-in-1 SmartCare Center

- 1 Selects program
- 2 Hygienically cleans
- 3 Protects blade lifetime
- 4 Optimizes performance
- 5 Dries
- 6 Charges

Li-Ion +50% PowerCase
Up to 6 weeks of on-the-go shaving

OPERATING INSTRUCTIONS

The Braun Series 9 PRO+ is designed for both dry and wet shaving, offering versatility for your grooming routine.

General Shaving Tips:

- For best results, shave before washing your face.
- Hold the shaver at a right angle (90°) to your skin.
- Stretch your skin and shave against the direction of beard growth.
- Apply gentle pressure.

Using the Precision ProTrimmer:

The integrated ProTrimmer is ideal for shaping sideburns, mustaches, and reaching tricky areas.

- Slide the ProTrimmer out from the back of the shaver.
- Use the trimmer for precise lines and detailing.

MAINTENANCE

Regular cleaning and maintenance are crucial for optimal performance and longevity of your Braun Series 9 PRO+ razor.

Using the SmartCare Center for Cleaning:

The 6-in-1 SmartCare Center automatically cleans, lubricates, dries, and charges your shaver.

1. Ensure a fresh cleaning cartridge is inserted into the SmartCare Center.
2. Place the shaver head-down into the SmartCare Center.
3. Press the start button on the SmartCare Center to initiate the cleaning cycle.
4. The center will automatically select the appropriate cleaning program, hygienically clean, protect blades, optimize performance, and dry the shaver.

For a shaver
like new,
every day

Manual Cleaning:

For quick cleaning or when the SmartCare Center is not available:

- Rinse the shaver head under warm running water after each use.
- Use the provided cleaning brush to remove any stubborn hair particles.

Replacement Schedule:

To maintain peak performance, replace components as recommended:

- Replace the shaver head (foil and cutter cassette) every 18 months.
- Replace the cleaning cartridge in the charging base every 2 months.
- The shaver handle is built to last for up to 7 years.

TROUBLESHOOTING

If you encounter issues with your Braun Series 9 PRO+ razor, consider the following common solutions:

- **Uneven Shave/Leftover Patches:** Ensure you are shaving against the grain and stretching the skin. For stubborn areas, try adjusting the shaver head lock feature to allow for more flexibility or stability as needed.
- **Reduced Comfort:** Ensure the shaver head is clean and lubricated. Replace the shaver head if it has been used for more than 18 months, as dull blades can cause discomfort.
- **Shaver Not Charging:** Check that the charging cable is securely connected to both the SmartCare Center and the power outlet. Ensure the shaver is correctly seated in the SmartCare Center.
- **SmartCare Center Not Functioning:** Verify that the cleaning cartridge has sufficient solution and is correctly inserted. Ensure the power cable is connected.

SPECIFICATIONS

Feature	Detail

WARRANTY & SUPPORT

The Braun Series 9 PRO+ Electric Razor comes with a manufacturer's warranty of up to 2 years. For detailed warranty information, please refer to the documentation included with your product or visit the official Braun website.

Safety Information:

- Always keep the shaver dry when not in use.
- Do not submerge the shaver in water.
- Clean and lubricate the shaver regularly using the 6-in-1 SmartCare Center to prevent bacterial growth.
- Always hold the shaver firmly and carefully while using it to avoid accidental cuts.
- Do not use the shaver while charging.
