### Key Features:

- Comfortable sleeping space.
- Solid construction from Scandinavian solid pine wood.

- Integrated ladder for safe and easy access.
- Under-bed space for storage or play, enhanced by the included Fire Truck curtain.

## 2. SAFETY INFORMATION

---

Please read and understand all safety warnings and instructions before assembling and using this product. Failure to follow these instructions can result in serious injury.

- **Maximum Weight Capacity:** Do not exceed the recommended weight limit for the bed. Refer to the assembly instructions for specific details.
- **Age Recommendation:** Mezzanine beds are generally recommended for children aged 6 years and older.
- **Guardrails:** Ensure all guardrails are properly installed and secured to prevent falls.
- **Ladder Safety:** Always use the ladder to access the bed. Do not jump on or off the bed. Ensure the ladder is securely attached.
- **Placement:** Position the bed away from windows, cords, and other items that could pose a strangulation hazard.
- **Assembly:** This product requires adult assembly. Ensure all fasteners are tightened securely before use and check periodically.
- **Mattress:** Use only a mattress of the specified size to ensure proper fit and safety.

## 3. SETUP AND ASSEMBLY

---

The Vipack Scott Mezzanine Bed requires assembly. Please ensure you have all components and tools listed in the separate assembly guide provided with your purchase. Follow the step-by-step instructions carefully.

### General Assembly Guidelines:

1. **Unpack:** Carefully unpack all components and check against the parts list in your assembly manual.
2. **Tools:** Gather any necessary tools (e.g., screwdriver, Allen key) as specified in the assembly guide.
3. **Follow Instructions:** Adhere strictly to the numbered steps in the provided assembly manual.
4. **Secure Fasteners:** Ensure all screws, bolts, and connectors are fully tightened. Do not overtighten.
5. **Curtain Installation:** Attach the Fire Truck curtain according to the instructions, typically using hooks or ties to the bed frame.
6. **Final Check:** Before first use, verify that the bed is stable, all parts are correctly assembled, and all safety features (like guardrails and ladder) are secure.

*Note: If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.*

## 4. OPERATING INSTRUCTIONS

---

This section provides guidance on the proper use of your Vipack Scott Mezzanine Bed.

- **Accessing the Bed:** Always use the provided ladder to climb into and out of the mezzanine bed. Ensure the ladder is stable before use.
- **Under-Bed Area:** The space beneath the bed, enhanced by the Fire Truck curtain, can be used for storage of toys, books, or as a dedicated play area. Ensure the area is kept clear of hazards.
- **Curtain Use:** The Fire Truck curtain is designed for decorative and play purposes. It can be opened

or closed as desired. Ensure it does not obstruct the ladder or create a tripping hazard.

- **General Use:** Avoid rough play on or around the bed. Do not hang items from the bed frame or guardrails that could pose a risk.

## 5. MAINTENANCE

Regular maintenance will help prolong the life and ensure the safety of your mezzanine bed.

- **Cleaning the Frame:** Wipe the wooden frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Curtain:** The fabric curtain can typically be spot cleaned with a mild detergent and water. For deeper cleaning, refer to any care labels on the curtain for specific washing instructions.
- **Tightening Fasteners:** Periodically check all screws, bolts, and connections to ensure they remain tight. Retighten as necessary to maintain structural integrity.
- **Inspecting for Damage:** Regularly inspect the bed for any signs of wear, damage, or loose parts. Discontinue use if any significant damage is found and contact customer support.

## 6. TROUBLESHOOTING

This section addresses common issues you might encounter with your mezzanine bed.

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose fasteners.	Check and tighten all screws, bolts, and connections. Ensure the bed is on a level surface.
Ladder is not secure.	Improper attachment or loose hardware.	Verify the ladder is correctly attached to the bed frame and all securing hardware is tight.
Curtain does not fit correctly.	Incorrect installation.	Refer to the assembly instructions for proper curtain attachment. Ensure it is aligned correctly.

If you encounter an issue not listed here or if the suggested solutions do not resolve the problem, please contact Vipack customer support.
