GoveeLife H7173

GoveeLife Smart Kettle H7173 Instruction Manual

Brand: GoveeLife | Model: H7173

INTRODUCTION

This manual provides essential information for the safe and effective operation of your GoveeLife Smart Kettle H7173. Please read all instructions carefully before first use and retain for future reference.

SAFETY INFORMATION

To ensure safe operation, observe the following precautions:

- Only supports 120V 60HZ voltage.
- Connects to 2.4GHz Wi-Fi or Bluetooth; 5GHz is not supported.
- Made of BPA-free, food-grade, and heat-resistant PP plastic.
- Features automatic shut-off, boil-dry protection, and over-temperature protection.
- To reduce limescale, rust, and spots, avoid boiling colored liquids such as coffee and milk directly in the kettle.
- Do not pour water quickly to prevent overflow.
- Always ensure the lid is securely closed during operation.
- Keep out of reach of children.

PRODUCT OVERVIEW

The GoveeLife Smart Kettle H7173 is designed for efficient and convenient water heating with smart features.

Key Components:

- Kettle body with 1.7L capacity and water level window.
- Power base with integrated controls.
- Lid with push-button release.
- Removable filter (for easy cleaning).

SETUP

1. **Unpack:** Remove all packaging materials and inspect the kettle for any damage.
2. **Initial Cleaning:** Before first use, fill the kettle with water to the MAX line, boil, and then discard the water. Repeat this process 2-3 times to remove any manufacturing residues.
3. **Placement:** Place the power base on a stable, flat, heat-resistant surface.
4. **Power Connection:** Plug the power cord into a 120V 60HZ electrical outlet.
5. **App Connection (Optional):** Download the GoveeLife app from your smartphone's app store. Follow the in-app instructions to connect your kettle via 2.4GHz Wi-Fi or Bluetooth for smart control features.

OPERATING INSTRUCTIONS

Filling the Kettle:

1. Press the button on the lid to open it.
2. Fill the kettle with fresh water, ensuring it is between the MIN (0.50L) and MAX (1.70L) marks on the water level window.
3. Close the lid securely until it clicks.

Basic Operation (Manual):

- Place the kettle onto the power base.
 - Press the 'ON/OFF' button on the handle to activate the kettle.
 - Press the 'MODE' button to cycle through the 4 preset temperature modes (Tea, Coffee, DIY, Boil). The LED indicator lights will change color to reflect the selected mode.
 - Press 'KEEP WARM' to activate the keep warm function for up to 2 hours (default 30 minutes).
 - The kettle will automatically shut off once the desired temperature is reached or if it runs dry.
-

LED Indicator Lights

Convenient to check and boil water day or night

Color adjustable

*Note: Option to turn off lights in App.

Smart Control (App & Voice):

Utilize the GoveeLife app or voice assistants (Alexa, Google Assistant) for enhanced control:

- **Remote Control:** Boil water, set specific temperatures (104°F-212°F), activate keep warm, and check current temperature from your smartphone.

- **Scheduling:** Program the kettle to start boiling at a specific time, saving time in the morning.
- **Voice Commands:** Control the kettle hands-free using voice commands through compatible smart home devices.
- **Custom DIY Mode:** Create and save your preferred temperature settings via the app.
- **LED Customization:** Adjust LED light colors for different modes through the app.

Smart Voice & App Control

Connect with voice assistants and app to brew your way

"Alexa, Set the Smart Electric Kettle to 212°F."

MAINTENANCE

Cleaning:

- Always unplug the kettle and allow it to cool completely before cleaning.
- **Exterior:** Wipe the exterior with a soft, damp cloth. Do not use abrasive cleaners or immerse the kettle body or power base in water.
- **Interior:** The interior is best cleaned by hand. Remove the filter for separate cleaning.
- **Filter:** Rinse the removable filter under running water. Use a soft brush if necessary to remove any deposits.

Image: A hand wiping the interior of the kettle with a cloth, demonstrating ease of cleaning.

Descaling:

Regular descaling is recommended to maintain performance, especially in hard water areas.

- Fill the kettle with a mixture of white vinegar and water (1:2 ratio) or a commercial descaling solution.
- Boil the mixture and let it stand for at least 30 minutes, or longer for heavy scale.
- Discard the mixture and rinse the kettle thoroughly with fresh water several times.

TROUBLESHOOTING

If you encounter issues with your GoveeLife Smart Kettle, refer to the following common solutions:

- **Kettle not heating:** Ensure the kettle is properly seated on the power base and the power cord is securely plugged into a working outlet. Check if the 'ON/OFF' button has been pressed.
- **App connectivity issues:** Verify your Wi-Fi network is 2.4GHz. Ensure Bluetooth is enabled on your device. Restart the kettle and your smartphone, then try reconnecting via the GoveeLife app.
- **Water not boiling to desired temperature:** Check the selected mode or DIY temperature setting in the app or on the kettle's handle.
- **Error Codes:** If an error code appears (e.g., E2 mentioned in some user feedback), consult the GoveeLife app or contact customer support for specific guidance.
- **Limescale buildup:** Perform regular descaling as described in the Maintenance section.

SPECIFICATIONS

Feature	Detail
Brand	GoveeLife
Model Name	H7173
Capacity	1.7 Liters
Power	1500W
Voltage	120V 60HZ
Material	Polypropylene (PP), BPA Free, Food Grade

Special Features	APP and Voice Control, Boil Dry Protection, LED Indicator Lights, Rapid Boil, Temperature Control, 2H Keep Warm
Connectivity	2.4GHz Wi-Fi, Bluetooth
Product Dimensions	10.82"L x 7.67"W x 10.03"H
Item Weight	3.34 pounds
Care Instructions	Hand Wash

WARRANTY AND SUPPORT

GoveeLife products typically come with a standard manufacturer's warranty. For specific warranty details, registration, or technical support, please refer to the official GoveeLife website or contact their customer service directly. The Quick Start Guide included with your product may also contain warranty information.

You can often find support resources, FAQs, and contact information on the GoveeLife official website: www.govee.com
