Sluban M38-B0638C

Sluban Assault Truck Building Block Toy M38-B0638C Instruction Manual

Model: M38-B0638C | Brand: Sluban

1. INTRODUCTION

Welcome to the world of Sluban building blocks! This manual provides essential information for assembling, operating, and maintaining your Sluban Assault Truck Building Block Toy, model M38-B0638C. This 73-piece construction set is designed to enhance problem-solving skills, hand-eye coordination, and imaginative play for children aged 6 and above.

Safety Warning:

- This product contains small parts and is not suitable for children under 3 years of age due to choking hazards.
- Adult supervision is recommended during assembly and play.
- Keep packaging materials away from children.

2. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- 73 x Building Blocks (Multicolored)
- 1 x Mini-figure (S.W.A.T. officer)
- 1 x Pictorial Instruction Manual

3. ASSEMBLY INSTRUCTIONS

Follow the step-by-step pictorial guide provided in the included instruction manual for detailed assembly. The blocks are designed for precise fitting and are compatible with major building block brands.

1. **Preparation:** Unpack all building blocks and sort them by color or shape to make the assembly process easier. Refer to the parts list in your pictorial manual.
2. **Follow the Manual:** Carefully follow each step illustrated in the instruction manual. Each step will show which blocks to use and where to place them.
3. **Connecting Blocks:** Press blocks firmly together to ensure a secure connection. If a block does not fit, check its orientation or ensure you are using the correct piece as indicated in the manual.
4. **Building the Chassis:** Start by building the base (chassis) of the assault truck, which forms the foundation for the rest of the structure.
5. **Adding Details:** Proceed to add the body, cabin, wheels, and other detailed elements such as the S.W.A.T. shield, police lights, and headlights.
6. **Assembling the Mini-figure:** Assemble the S.W.A.T. mini-figure according to the manual. The figure's head and wrists can rotate 15 degrees, and the waist can rotate 360 degrees.

7. **Final Check:** Once all steps are completed, review your assembled truck against the images in the manual to ensure all parts are correctly placed and securely attached.

4. OPERATING THE TOY

Once assembled, the Sluban Assault Truck is ready for imaginative play:

- **Role-Play:** Use the S.W.A.T. mini-figure to create various scenarios, such as police pursuits, rescue missions, or tactical operations.
- **Movement:** The truck features simulation rubber wheels, allowing it to be pushed and rolled across surfaces.
- **Interactive Figure:** Position the mini-figure in the driver's seat or have it stand alongside the truck. Utilize the figure's rotating head, wrists, and waist for dynamic poses.
- **Expand Play:** Integrate this set with other compatible building block brands to create larger, more complex play environments and stories.

5. MAINTENANCE

To ensure the longevity and cleanliness of your Sluban Assault Truck:

- **Cleaning:** Wipe the blocks and assembled truck with a soft, damp cloth. Avoid using harsh chemicals or

abrasive cleaners.

- **Storage:** Store the toy in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Disassembly:** If disassembling for storage, keep all small parts together in a container to prevent loss.

6. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Missing Pieces:** If you find any pieces missing from your set, please contact Sluban customer support with your product model number and details of the missing parts.
- **Blocks Not Connecting:** Ensure the blocks are correctly oriented and aligned. Apply firm, even pressure. If a block still doesn't fit, double-check the instruction manual to confirm you are using the correct piece for that step.
- **Loose Connections:** If parts feel loose, gently press them together again. Over time, frequent assembly and disassembly can slightly wear down connections, but this is normal.

7. SPECIFICATIONS

Model Number	M38-B0638C
Brand	Sluban
Number of Pieces	73
Material	ABS Plastic (Non-Toxic)
Color	Multicolor (Predominantly Black)
Recommended Age	6 years and above
Item Dimensions (L x W x H)	16.5 x 14.5 x 4.5 Centimeters
Item Weight	0.1 Kilograms
Educational Objective	Construction Skills, STEM Learning
