FENGЕ Dual Monitor Stand with Drawers - Instruction Manual

Model: G04D2101A-C

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the FENGЕ Dual Monitor Stand with Drawers. This manual provides essential information for the safe and effective assembly, operation, and maintenance of your new monitor stand. Designed to elevate your monitors to an ergonomic viewing height, this stand also offers integrated storage solutions to help organize your workspace.

The FENGЕ Dual Monitor Stand is a versatile accessory suitable for various setups, including dual monitor configurations, single large monitors, laptops, printers, and even as a TV stand. Its robust construction and adjustable features are designed to enhance your comfort and productivity.

Image 1.2: Visual representation of the stand's benefits: improved desktop organization, ergonomic monitor elevation, and support for cervical spine health.

2. SETUP AND ASSEMBLY

The FENGЕ Dual Monitor Stand requires minimal assembly. Please follow these steps carefully to ensure proper setup.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components are present according to the included parts list (not provided in this manual).
2. **Attach Legs:** Position the main board on a soft, clean surface to prevent scratches. Attach the adjustable legs to the designated points on the underside of the board using the provided screws. Ensure they are securely fastened.
3. **Insert Drawers:** Slide the fabric drawers into their respective compartments on the stand.
4. **Adjust Height:** Once assembled, place the stand on your desk. Adjust the height of the stand by rotating the anti-slip foot mats on the bottom of each leg. Turn clockwise to raise and counter-clockwise to lower. Ensure all legs are adjusted to an even height for stability.

Image 2.2: The adjustable foot mechanism allows for precise height tuning.

3. OPERATING INSTRUCTIONS

Using your FENGGE Dual Monitor Stand is straightforward. Follow these guidelines for optimal use.

- **Placement of Monitors/Devices:** Carefully place your monitors, laptop, printer, or TV on the top surface of the stand. Ensure the weight is evenly distributed and does not exceed the maximum load capacity of 99 lbs (45 kg).
- **Utilizing Storage Drawers:** The two slide-out fabric drawers are designed for storing small office supplies such as pens, sticky notes, mobile devices, and cables. Gently pull the leather handle to open and push to close.
- **Central Compartment:** The open central compartment provides additional space for items like notebooks, tablets, or a keyboard when not in use, helping to keep your desk tidy.
- **Ergonomic Positioning:** Adjust the stand's height using the adjustable feet to achieve a comfortable eye level for your monitors. This helps reduce neck and eye strain during prolonged use.

4. MAINTENANCE

Proper care will ensure the longevity and appearance of your FENGÉ Dual Monitor Stand.

- **Cleaning:** Wipe the surface of the stand with a soft, damp cloth. For stubborn marks, a mild soap solution can be used, followed by wiping with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish of the engineered wood.
- **Drawer Care:** The fabric drawers can be spot cleaned with a damp cloth and mild detergent if necessary. Allow them to air dry completely before reinserting.
- **Regular Checks:** Periodically check that all leg connections are secure to maintain stability.

5. TROUBLESHOOTING

If you encounter any issues with your monitor stand, refer to the following common solutions.

- **Stand is Unstable/Wobbly:**

- Ensure all legs are securely tightened to the main board.
 - Verify that the adjustable feet are evenly extended and making full contact with the desk surface. Adjust as needed.
 - Check that the desk surface itself is level.
- **Drawers are Sticking/Difficult to Open:**
 - Remove the drawer and check for any obstructions inside the compartment or along the drawer's edges.
 - Ensure the drawer is inserted correctly and aligned within its slot.
 - Confirm that the drawer is not overloaded, which could cause it to bind.
- **Scratches on Desk Surface:**
 - The adjustable feet are equipped with anti-slip mats to prevent scratches. Ensure these mats are intact and clean.
 - Avoid dragging the stand across the desk; lift it when repositioning.

6. SPECIFICATIONS

Detailed specifications for the FENGE Dual Monitor Stand (Model G04D2101A-C).

Feature	Detail
Model Number	G04D2101A-C
Material	Engineered Wood (MDF Board, 15mm thick)
