1.3 Case Installation

To install your tablet into the Nillkin Bumper Combo Keyboard Case:

1. Separate the keyboard from the case. The keyboard is detachable for flexible use.
2. Tilt the corner of your tablet with the camera into the case first.
3. Gently press the other corners to secure the tablet firmly in place. Ensure all edges are fitted securely.

1.4 Bluetooth Pairing

To connect the keyboard to your tablet via Bluetooth:

1. Turn on the keyboard using the power switch.
2. Press the "Fn" and "C" keys on the keyboard simultaneously. The indicator light will flash, indicating it's in

pairing mode.

3. On your Samsung Galaxy Tab, go to **Settings > Connections > Bluetooth** and turn Bluetooth on.
4. Select "Bluetooth Keyboard" from the list of available devices.
5. Confirm the pairing request on your tablet. Once connected, the indicator light on the keyboard will stop flashing.

Backlight Control:

The keyboard features 7 colors and 3 levels of adjustable backlit brightness. To adjust:

- Press the **Backlight Key** (usually F3 or F4 with a lightbulb icon) to cycle through brightness levels.
- Press **Fn + Backlight Key** to change the backlight color.

Trackpad Usage:

The sensitive trackpad supports Multi-Touch gestures for navigation, editing, and browsing. It includes palm rejection technology to prevent accidental inputs while typing.

- **Single-finger tap:** Left-click.
- **Two-finger tap:** Right-click.
- **Two-finger scroll:** Scroll up/down or left/right.
- **Pinch to zoom:** Zoom in/out on content.

2.2 Adjustable Stand and Multi-Mode Use

The integrated kickstand allows for angle adjustments from 0° to 180°, supporting both landscape and portrait orientations. The keyboard can be easily detached for tablet-only use, ideal for drawing or gaming.

Free Angle, Multi-Mode

- Adjust the angle of the kickstand freely
- Can be placed in landscape and portrait
- Always find a comfortable view to work, reading or drawing

2.3 S Pen Holder and Charging

The case features precise cutouts to ensure the S Pen can be charged properly when attached to the tablet. Additionally, an extra easy-access holder securely stores the S Pen, making it convenient to take out and use.

2.4 Sliding Camera Cover

A unique sliding camera cover is integrated into the case design to protect the tablet's camera lens and ensure user privacy.

Military-grade Tough Protection

Combined with the thickened TPU border and hard PC back panel
Outstanding guard for your tablet

Corner Crash-proof Design
Fearless of bumps or drops

3. MAINTENANCE

3.1 Cleaning

To clean the keyboard case, use a soft, damp cloth. Avoid using harsh chemicals or abrasive materials that could damage the surface.

3.2 Battery Charging

The keyboard is equipped with a 500mAh battery and uses a Type-C charging port. A full charge provides up to 100 hours of use or 180 days of standby time. The keyboard features auto sleep/wake functionality to conserve battery life.

Charge 3 Times a Year

No Worry During Business Travel
or Long Hours

4. TROUBLESHOOTING

4.1 Keyboard Not Connecting

- Ensure the keyboard is powered on and fully charged.
- Verify Bluetooth is enabled on your tablet and the keyboard is in pairing mode (indicator light flashing).
- Forget the device in your tablet's Bluetooth settings and attempt to re-pair.
- Restart both the tablet and the keyboard.

4.2 Trackpad Issues

- Ensure the trackpad is enabled. Some keyboards have a function key combination to enable/disable the trackpad.

- Clean the trackpad surface to remove any dirt or debris.
- Check tablet settings for mouse and trackpad sensitivity and adjust as needed.

4.3 Backlight Not Working

- Press the backlight key to cycle through brightness levels.
- Ensure the keyboard battery is not critically low.
