› Leyndo 4 Pack Kids Air Mattress Instruction Manual - Model IFS-Leyndo-1052

## Leyndo IFS-Leyndo-1052

# Leyndo 4 Pack Kids Air Mattress Instruction Manual

Model: IFS-Leyndo-1052

## INTRODUCTION

This manual provides instructions for the safe and effective use of your Leyndo 4 Pack Kids Air Mattress, Model IFS-Leyndo-1052. Designed for children aged 3 to 10 years, these inflatable airbeds offer a comfortable sleeping solution for various occasions.

## PRODUCT FEATURES

- **Quantity:** Includes 4 air mattresses in assorted colors (pink, blue, green, orange).
- **Dimensions:** Each mattress measures approximately 61.81 x 25.98 x 7.09 inches (157 x 66 x 18 cm), suitable for children aged 3-10 years.
- **Material:** Constructed with thick, waterproof flocking material on top for comfort and a puncture-resistant PVC bottom.
- **Portability:** Lightweight design for easy packing, carrying, and storage, ideal for travel, camping, and sleepovers.
- **Versatility:** Suitable for various scenarios including sleepovers, camping, home play, guest accommodation, and travel.

## SETUP INSTRUCTIONS

1. **Unpack:** Carefully remove the air mattress from its packaging and unroll it on a clean, flat surface.
2. **Locate Valve:** Find the inflation valve on the mattress.
3. **Inflate:** Open the valve cap. Use an air pump (not included) to inflate the mattress to your desired firmness. Ensure the valve is securely closed after inflation to prevent air leakage.
4. **Apply Fitted Sheet:** If using, place the included fitted sheet over the inflated mattress.

## OPERATING INSTRUCTIONS

The Leyndo Kids Air Mattress is designed for comfortable use by children aged 3 to 10 years. Its soft, flocked surface provides a pleasant sleeping or lounging experience. Ensure the mattress is placed on a smooth, clear surface to prevent punctures.

- **Comfort:** The flocked top surface offers enhanced comfort, similar to a traditional mattress.
- **Stability:** The robust construction helps maintain firmness throughout the night.
- **Versatile Use:** Can be used indoors for sleepovers or naps, and outdoors for camping or picnics.

## MAINTENANCE

To ensure the longevity of your Leyndo Kids Air Mattress, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the mattress surface with a damp cloth. For the fitted sheets, machine wash according to fabric care instructions.
- **Storage:** After use, deflate the mattress completely by opening the valve. Roll or fold it neatly and store it in a cool, dry place, preferably in its original bag.
- **Puncture Prevention:** Avoid placing the mattress on sharp objects or rough surfaces. The PVC bottom is puncture-resistant, but extreme care should still be taken.

## TROUBLESHOOTING

- **Mattress losing air:** Ensure the inflation valve is securely closed. Check for any punctures or leaks. Small

punctures can often be repaired with a patch kit (not included).

- **Difficulty inflating:** Verify that your air pump is functioning correctly and that the nozzle fits snugly into the mattress valve.

## SPECIFICATIONS
