Transparent Labs TL1

Transparent Labs Hydrate Electrolyte Formula - Peach Mango Instruction Manual

Model: TL1

INTRODUCTION

The Transparent Labs Hydrate Electrolyte Formula is designed to support optimal hydration, enhance athletic performance, and aid in faster recovery. This naturally sweetened powder provides a potent blend of essential electrolytes and minerals, including coconut water, calcium, taurine, and potassium, without artificial sweeteners, colors, or cheap sugars. It is formulated to ensure superior absorption and minimize digestive discomfort, making it an ideal supplement for maintaining electrolyte balance before, during, and after physical activity.

Transparent Labs Hydrate Electrolyte Formula in Peach Mango flavor, a naturally sweetened dietary supplement.

KEY FEATURES & BENEFITS

- **Optimal Hydration Support:** Features a potent blend of electrolytes, including Aquamin, Himalayan rock salt, and sodium citrate, ensuring rapid rehydration and maintenance of electrolyte balance for peak hydration performance.
- **Performance Enhancement:** With Taurine and Senactiv, our formula supports cardiovascular health, muscle function, and energy production, promoting endurance during intense workouts and enhancing overall athletic performance.
- **Faster Recovery Time:** By replenishing electrolytes and supporting muscle function, Transparent Labs Hydrate facilitates quicker recovery post-workout, allowing you to bounce back faster and train harder for your next session.
- **Natural and Clean Formula:** Uses only the highest quality, natural ingredients without any artificial sweeteners, colors, or cheap sugars. This ensures a clean supplement that minimizes the risk of stomach discomfort and digestive issues.
- **Superior Absorption:** Bioavailable mineral blend, including calcium bisglycinate and organic coconut water

powder, ensures maximum efficacy and absorption, guaranteeing that your body receives the essential nutrients it needs.

- ✓ **Fast Hydration**
- ✓ **Support Recovery**
- ✓ **Increase Endurance**
- ✓ **Replenish Electrolytes**

SETUP & USAGE INSTRUCTIONS

To prepare your Transparent Labs Hydrate Electrolyte Formula, follow these simple steps:

1. **Measure:** Use the provided scoop to measure 1 scoop (approximately 11.5g) of the powder.

2. **Mix:** Add the measured powder to 16-20 oz (473-591 ml) of water.
3. **Dissolve:** Stir or shake the mixture until the powder is fully dissolved.
4. **Consume:** Drink 1-2 servings daily, or as needed to maintain optimal hydration, especially around workouts or during periods of increased fluid loss.

For best results, ensure thorough mixing to avoid any undissolved powder. Adjust water amount to your taste preference for desired sweetness and flavor intensity.

WARNINGS & SAFETY INFORMATION

Please read and adhere to the following warnings and safety information before consuming Transparent Labs Hydrate Electrolyte Formula:

- **Intended Use:** Product intended for healthy adults only.
- **Consult Professional:** Check with a qualified healthcare professional before use. Do not use if you are pregnant or nursing a baby, under 18 years of age, or have any known/suspected medical conditions, or are

taking any prescription medication.

- **Hydration:** Ensure you increase your water intake when taking this product to avoid dehydration.
- **Adverse Reactions:** Reduce or discontinue use if sleeplessness, tremors, dizziness, nervousness, headaches, or heart palpitations occur. Immediately discontinue use if you experience any adverse reactions.
- **Dosage:** Do not exceed the recommended dosage. Follow recommendations as outlined in "Directions".
- **Product Integrity:** Do not use if safety seal is broken.
- **Storage:** Store in a cool, dry place.
- **California Proposition 65 Warning:** Consuming this product can expose you to chemicals including lead, which are known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov/food.
- **FDA Disclaimer:** Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

Directions

As a dietary supplement, mix 1 scoop with approx. 12oz of water 1-3 times per day.

Important

During your workout, it is recommended that you drink plenty of water to stay hydrated.

Warnings

NOT INTENDED FOR PERSONS UNDER THE AGE OF 18. KEEP OUT OF REACH OF CHILDREN. Do not use if pregnant or nursing. Consult a healthcare professional prior to consumption if you are unaware of your current health condition, have any pre-existing medical conditions, or are taking any prescription medication. Reduce or discontinue use if sleeplessness, tremors, dizziness, nervousness, headaches, or heart palpitations occur. Improper use of this product will not improve results and is potentially hazardous to a person's health. Store in a cool, dry place.

† These statements have not been evaluated by the food and drug administration.

UPC	874659000595

TROUBLESHOOTING

If you encounter any issues or unexpected effects while using Transparent Labs Hydrate, consider the following:

- **Taste/Mixability:** Ensure you are using the recommended amount of water (16-20 oz per scoop) and mixing thoroughly. Adjust water volume to personal preference if the taste is too strong or too weak.
- **Digestive Discomfort:** If you experience stomach discomfort, try reducing the dosage or consuming with a meal. Ensure adequate overall water intake throughout the day.
- **Lack of Effect:** Ensure consistent use as directed. Individual results may vary based on activity level, diet, and overall health.
- **Adverse Reactions:** Refer to the 'Warnings & Safety Information' section. Discontinue use immediately and consult a healthcare professional if any severe or persistent adverse reactions occur.
