SETHDA K89

SETHDA K89 Gaming Earbuds User Manual

Model: K89 | Brand: SETHDA

1. INTRODUCTION

Thank you for choosing the SETHDA K89 Gaming Earbuds. These wireless Bluetooth 5.3 headphones are designed to provide a premium audio experience with low latency, Hi-Fi sound, and a durable, water-resistant design. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

What's in the Box:

- 1 x Pair of Earphones
- 1 x Charging Compartment
- 1 x USB Cable
- 1 x Instruction Manual
- 1 x Packing Box

2. KEY FEATURES

- **40ms Ultra-Low Latency:** Dual decoding mode for seamless switching between gaming and music. Experience perfect audio and video synchronization for competitive gaming.
- **Hi-Fi Big Driver Speakers:** Equipped with large 10mm drivers for immersive sound, delivering deeper bass and higher frequency detail for near Hi-Fi audio quality.
- **Ultra-Fast Bluetooth 5.3:** Advanced Bluetooth 5.3 ensures a stable connection with a 10-meter transmission distance and virtually no latency, even in busy environments.
- **Extended Playtime:** Enjoy up to 4 hours of listening on a single charge, with the charging case extending total battery life to 12 hours. The case charges via a convenient USB-C cable.
- **Futuristic Design & Necklace Combination:** Features a unique hollow alloy design. Necklace accessories are included, allowing for a fashionable combination with the earbuds.
- **IPX5 Water Resistance:** Designed to withstand splashes and sweat, making them suitable for workouts and outdoor activities.

3. INITIAL SETUP

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C cable to the charging port on the case and plug the other end into a compatible USB power source (e.g., computer USB port, wall adapter). The indicator lights on the case will show charging status.

3.2 Pairing with Your Device

1. Ensure the earbuds are in the charging case and the case has sufficient power.
2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by flashing lights on the earbuds.
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings and turn Bluetooth on.

4. Search for available devices and select "K89" from the list.
5. Once connected, the earbud lights will stop flashing, and you will hear a confirmation prompt.
6. If pairing fails, place the earbuds back in the case, close the lid, wait a few seconds, and repeat the steps.

Your browser does not support the video tag.

Video: This video demonstrates the physical handling of the K89 earbuds and charging case, including opening the case and removing the earbuds, which is relevant for initial setup and daily use.

4. OPERATING INSTRUCTIONS

4.1 Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on and connect to the last paired device.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically disconnect and power off.

4.2 Touch Controls

The K89 earbuds feature touch-sensitive controls for easy management of music and calls. Specific touch gestures may vary slightly, but common functions include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Activate Voice Assistant:** Triple tap on either earbud.

4.3 Dual Mode Switching (Gaming/Music)

The K89 earbuds support dual decoding modes. To switch between gaming mode (low latency) and music mode (Hi-Fi sound), refer to the specific touch gesture or button press detailed in the quick start guide included in your package. This feature optimizes performance for different audio experiences.

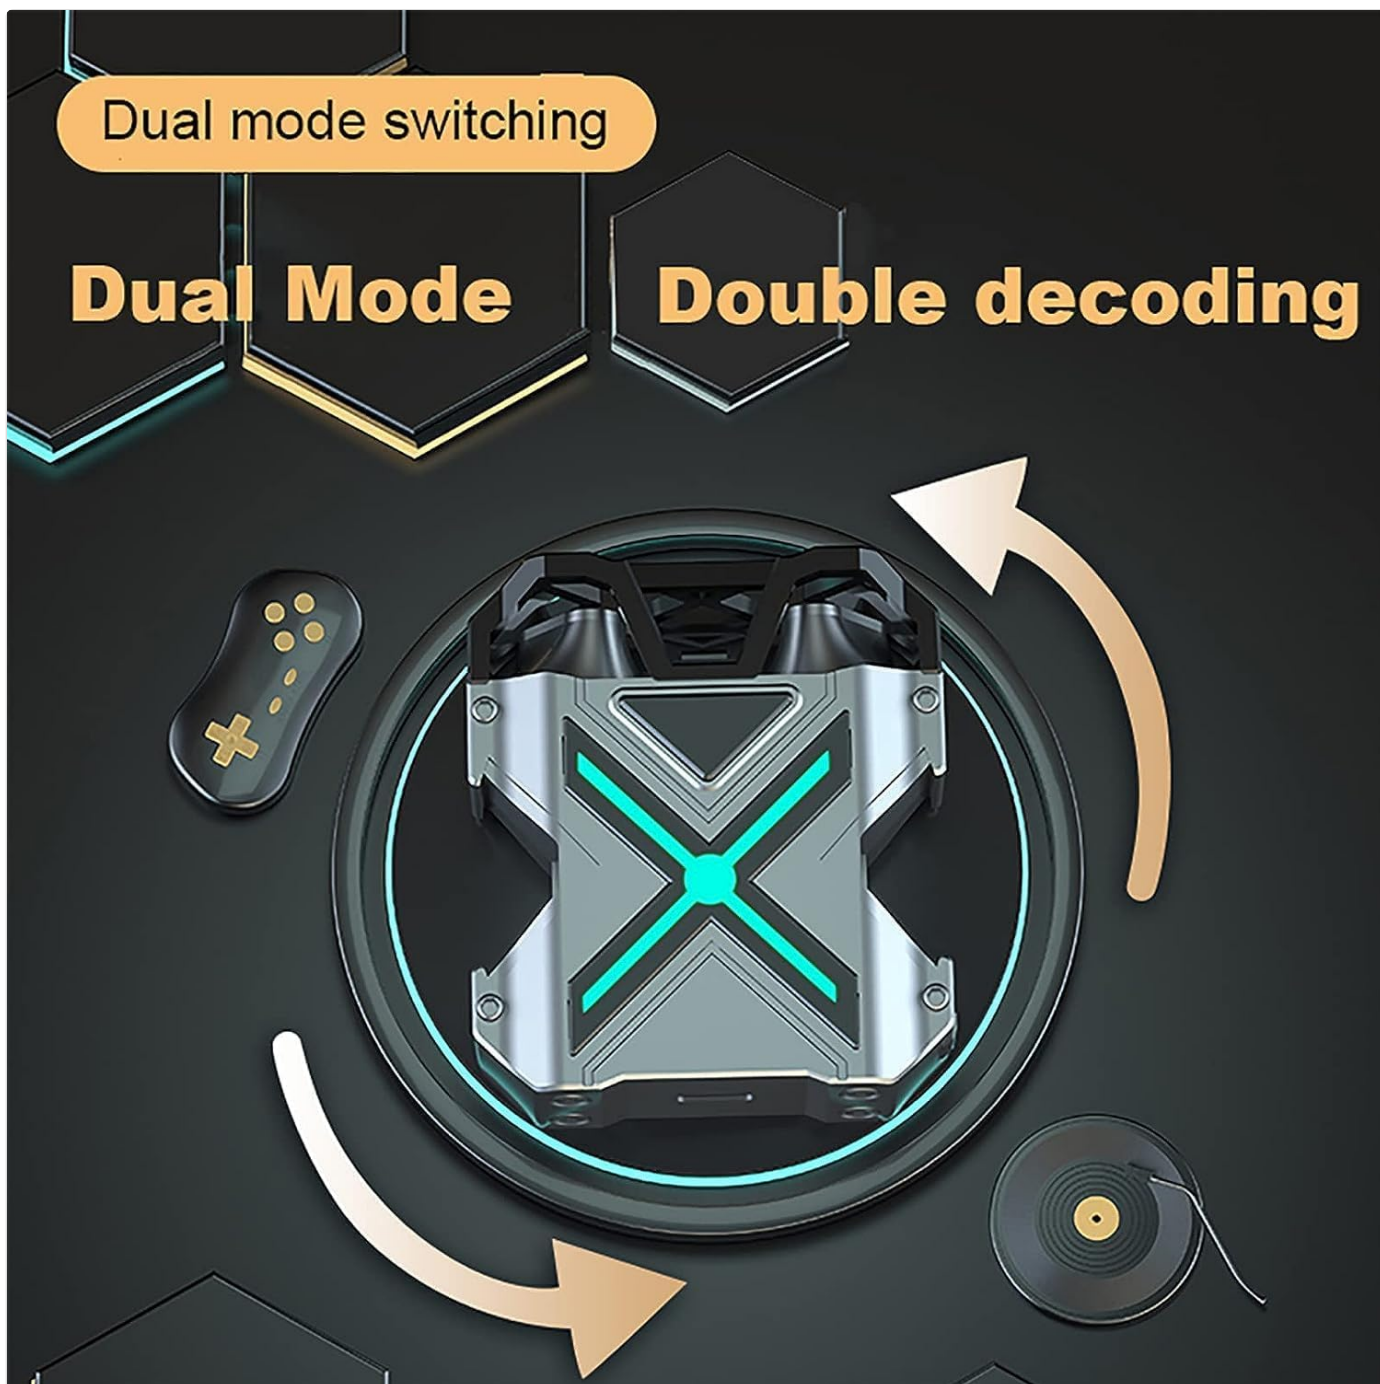

Image: A visual representation of the dual mode switching feature, showing transitions between gaming and music decoding modes.

4.4 Lighting Effects

The charging case and earbuds feature dynamic lighting effects. These lights can often be toggled or switched between different modes (e.g., breathing light mode, marquee mode) via a specific control on the case or earbuds. Consult your quick start guide for exact instructions on changing lighting modes.

5. MAINTENANCE AND CARE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** The earbuds are IPX5 water-resistant, meaning they can withstand splashes and sweat. Do not submerge them in water or expose them to heavy rain. Ensure they are dry before placing them back in the charging case.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Avoid extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly, even if not in constant use.

6. TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Place them back in the case, close the lid, then open to re-enter pairing mode. Turn Bluetooth off and on on your device. Forget "K89" in your device's Bluetooth settings and try pairing again.
No sound from one earbud	Check battery level of both earbuds. Place both earbuds back in the case, close the lid, and then take them out again. Ensure both earbuds are properly connected to your device.
Low volume or poor sound quality	Adjust volume on your device and on the earbuds (if applicable via touch controls). Ensure earbuds are clean and free of debris. Try different ear tip sizes for a better seal.
Charging case not charging	Check the USB-C cable and power adapter. Ensure the cable is securely connected to both the case and the power source. Try a different cable or power source.
Intermittent connection	Ensure your device is within the 10-meter Bluetooth range. Avoid obstacles between the earbuds and your device. Reduce interference from other wireless devices.

7. SPECIFICATIONS

Feature	Detail
Product Name	Earphones
Model	K89
Bluetooth Version	5.3
Effective Distance	15 meters
Channel	Stereo
Standby Time	168 hours
Use Time (Earbuds)	6-8 hours
Charging Time (Earbuds)	1-2 hours
Battery Capacity (Case)	400mAh
Waterproof Rating	IPX5
