ZAFRO Z5815NH-BLACK

ZAFRO Nugget Ice Maker Instruction Manual

Model: Z5815NH-BLACK

Introduction

Thank you for choosing the ZAFRO Nugget Ice Maker. This countertop ice maker is designed to provide soft, chewable nugget ice quickly and efficiently, producing up to 35 pounds of ice per day. Its compact and portable design makes it ideal for various settings, including homes, offices, bars, and parties. This manual provides essential information for the safe and effective operation, maintenance, and troubleshooting of your new ice maker.

Safety Information

Please read all instructions carefully before using the appliance. Keep this manual for future reference.

- Ensure the ice maker is placed on a stable, level surface away from direct sunlight and heat sources.
- Allow at least 4 inches of clearance around the appliance for proper ventilation.
- Do not immerse the appliance, power cord, or plug in water or other liquids.
- Use only potable water. Filtered water is recommended to prevent mineral buildup and ensure optimal ice quality.
- Unplug the ice maker before cleaning or when not in use for extended periods.
- Keep children and pets away from the appliance during operation.
- Do not operate the appliance with a damaged cord or plug.

What's in the Box

Upon unpacking, please ensure all items are present and in good condition:

- ZAFRO Nugget Ice Maker Unit
- Ice Scoop

- Ice Basket
- Instruction Manual (this document)

Specifications

Feature	Detail
Model Number	Z5815NH-BLACK
Product Dimensions (D x W x H)	8.66"D x 11.3"W x 12.68"H
Weight	21.18 Pounds
Ice Production Capacity	Up to 35 lbs / 24 hours
Water Tank Capacity	1.1 Liters
Ice Basket Capacity	1.2 Liters
Wattage	1400 watts
Noise Level	Low (equipped with 2023 generation high-efficiency compressor)

Setup

Follow these steps to set up your ZAFRO Nugget Ice Maker for the first time:

1. **Unpacking and Placement:** Remove all packaging materials. Place the ice maker on a flat, stable surface. Ensure there is adequate ventilation around the unit, at least 4 inches (10 cm) from walls or other objects.

Figure 1: Front view of the ZAFRO Nugget Ice Maker, showing its compact design suitable for countertops.

Figure 2: Back view of the ice maker, highlighting the ventilation fan. Ensure this area is not obstructed.

2. **Initial Cleaning:** Before first use, clean the interior of the ice maker. Remove the ice basket and wipe the interior with a soft cloth and mild detergent. Rinse thoroughly and dry.

Figure 3: The removable ice basket and the water reservoir inside the unit, which should be cleaned before initial use.

3. **Add Water:** Open the top lid and fill the water reservoir with potable water up to the "MAX" fill line. Filtered water is recommended for best results and to prolong the life of the unit.
4. **Power On:** Plug the ice maker into a grounded electrical outlet. Press the "ON/OFF" button on the control panel to start the ice making process.

Figure 4: The control panel, featuring indicator lights for "Ice Full" and "Add Water," and the "Ice/Clean" button.

5. **First Ice Cycle:** The first few batches of ice may not be perfect due to air in the system. Discard the first 2-3 batches of ice.

Operating Instructions

Your ZAFRO Nugget Ice Maker is designed for simple, one-click operation.

1. **Start Ice Making:** After adding water and plugging in the unit, press the "ON/OFF" button. The ice maker will begin producing nugget ice within approximately 7 minutes.

Figure 5: Side view of the ice maker during operation, showing its compact form.

2. **Ice Full Indicator:** When the ice basket is full, the "Ice Full" indicator light will illuminate, and the ice making process will pause automatically. Remove ice from the basket to resume production.
3. **Add Water Indicator:** If the water level in the reservoir is too low, the "Add Water" indicator light will illuminate. Add more water to the reservoir to continue ice production.
4. **Enjoying Your Ice:** Use the provided ice scoop to retrieve ice from the basket. The nugget ice is soft and chewable, perfect for various beverages.
5. **Official Product Video:** Watch this video for a demonstration of the ZAFRO Nugget Ice Maker in action, including its ice production and features.

Maintenance

Regular cleaning and maintenance will ensure the longevity and optimal performance of your ice maker.

1. **Self-Cleaning Function:** The ice maker features a convenient one-click self-cleaning function. To activate, ensure there is water in the reservoir, then press and hold the "Ice/Clean" button for 5 seconds. The unit will perform an automatic cleaning cycle.
2. **Draining Water:** To drain water from the reservoir, locate the drainage plug at the bottom of the unit. Place a basin underneath and remove the plug to allow water to drain completely.
3. **Regular Cleaning:** For thorough cleaning, unplug the unit and drain all water. Remove the ice basket. Clean the interior surfaces, including the water reservoir and ice chute, with a soft cloth and a solution of water and mild detergent or vinegar. Rinse thoroughly with clean water. Dry all parts before reassembling.
4. **Exterior Cleaning:** Wipe the exterior of the ice maker with a soft, damp cloth. Do not use abrasive cleaners or solvents.

Troubleshooting

If you encounter issues with your ice maker, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Ice maker not working.	Not plugged in; power outage; "Add Water" light on.	Ensure unit is properly plugged in; check power supply; add water to the reservoir.
"Ice Full" indicator light is on, but basket is not full.	Ice may be blocking the sensor.	Rearrange ice in the basket or remove some ice.
Ice production is slow or ice is not forming.	Room temperature too high; water temperature too high; poor ventilation.	Ensure ambient temperature is within recommended range; use cold water; ensure proper ventilation around the unit.
Unusual noise during operation.	Normal operation sounds; unit not level.	Some sounds (compressor, water flow) are normal. Ensure the unit is on a level surface.

Warranty and Support

For warranty information or technical support, please refer to the contact details provided on the product packaging or visit the official ZAFRO website. Keep your purchase receipt as proof of purchase for any warranty claims.
