## Ceveresa 52-389

# Ceveresa 52 Inch Wood Ceiling Fan Instruction Manual

MODEL: 52-389

Brand: Ceveresa

## 1. INTRODUCTION

---

Thank you for choosing the Ceveresa 52 Inch Wood Ceiling Fan. This manual provides detailed instructions for the safe and efficient installation, operation, and maintenance of your new ceiling fan. Please read this manual thoroughly before beginning installation and retain it for future reference.

### Product Overview

- **Solid Wood Blades:** Crafted from paulownia wood for durability and resistance to rot and corrosion. Aerodynamically designed and balanced for stable rotation.
- **Noiseless Reversible DC Motor:** Features solid copper wire for over 50% enhanced efficiency and reduced energy consumption. Operates below 30 decibels for quiet performance.
- **Multi-function Remote Control:** Offers 6 fan speeds, 1/4/8 hour timer settings, and easy operation.
- **Easy Installation:** Includes 5" and 10" downrods to accommodate various ceiling heights. Most components are pre-installed.
- **Convenient Memory Function:** Recalls the last fan setting after power interruption.
- **Versatile Use:** Suitable for bedrooms, living rooms, outdoor patios, cottages, porches, offices, dining areas, and farmhouses.

## 2. PACKAGE CONTENTS

---

Before beginning installation, ensure all components listed below are present and undamaged. If any parts are missing or damaged, do not attempt to install and contact customer service.

- Ceiling Fan Motor Assembly
- 3 Solid Wood Fan Blades
- Remote Control
- Remote Control Holder
- 5" Downrod
- 10" Downrod
- Mounting Bracket
- Canopy

- Canopy Cover
- Hardware Pack (screws, washers, wire nuts)
- Instruction Manual

## Solid Wood Blades Sturdy And Durable

Plywood and plastic fan blades are **easy to deform and sag** after a long time of use, resulting in insufficient wind power and affecting aesthetics.  
**When you are purchasing, pay attention to the material!**

SOLID WOOD

VS

PLYWOOD/PLASTIC

## Pure Solid Wood Carefully Handcrafted

Cevera uses paulownia wood, which is uniquely resistant to rot, acids and alkalis, and has a strong wood structure. Solid wood texture is better and more exquisite.

Figure 2: All fan components as received in the package.

## 3. SETUP AND INSTALLATION

### Safety Precautions

- Always turn off power at the circuit breaker before beginning installation.
- Ensure the mounting structure can support the weight of the fan (approx. 12.38 lbs).
- Follow all local electrical codes and ordinances.
- If you are unsure about wiring, consult a qualified electrician.
- Do not expose solid wood blades to direct rain.

### Assembly Steps

Refer to the detailed installation video provided by the manufacturer for visual guidance.

*Video 1: Official installation guide for the Cevera 52/60 Inch Ceiling Fan. This video demonstrates the step-by-step process of assembling and mounting the fan.*

1. **Attach Fan Blades:** Secure each of the three solid wood blades to the motor assembly using the provided screws. Ensure they are firmly attached.

*Figure 3: Exploded view illustrating the fan components and how they connect.*

2. **Assemble Downrod:** Choose either the 5" or 10" downrod based on your ceiling height. Thread the fan's wires through the downrod. Secure the downrod to the motor assembly using the provided pin and set screw.
3. **Install Mounting Bracket:** Secure the mounting bracket to your ceiling's electrical junction box. Ensure it is properly anchored to a ceiling joist or a fan-rated outlet box.
4. **Wire Connections:** Connect the fan's electrical wires to your household wiring according to the provided wiring diagram in the manual. Typically, this involves connecting live, neutral, and ground wires.
5. **Hang Fan:** Carefully lift the fan assembly and hang it onto the mounting bracket. Ensure the fan is securely seated in the bracket's hook.
6. **Install Receiver:** Connect the remote control receiver to the fan's wiring harness. Tuck the receiver neatly into the canopy.
7. **Attach Canopy:** Slide the canopy up the downrod and secure it to the mounting bracket with screws. Ensure all wires are tucked inside the canopy.

### Room Suitability and Dimensions

The 52-inch fan is suitable for large rooms up to 10x20 feet. It comes with two downrods (5" and 10") to accommodate

various ceiling heights. Best installed when ceiling slope is within 10 degrees.

## Dimension:52 Inch Suitable For Different Rooms

2 Downrods Provided, Sloped Ceiling  $\leq 15^\circ$

	<b>Small Rooms</b>	<b>30-48" FANS</b> Rooms up to 8x10
	<b>Large Rooms</b>	<b>48-54" FANS</b> Rooms up to 10x20
	<b>Great Rooms</b>	<b>&gt;56" FANS</b> Rooms up to 20x20

Figure 4: Fan dimensions and recommended room sizes for optimal air circulation.

## 4. OPERATING INSTRUCTIONS

### Remote Control Functions

Your Ceveresa ceiling fan comes with a multi-function remote control for convenient operation.

**CEVERESA**<sup>®</sup>  
CREATING A WONDERFUL HOME LIFE

## Remote Control Multi-functional, Easy to operate

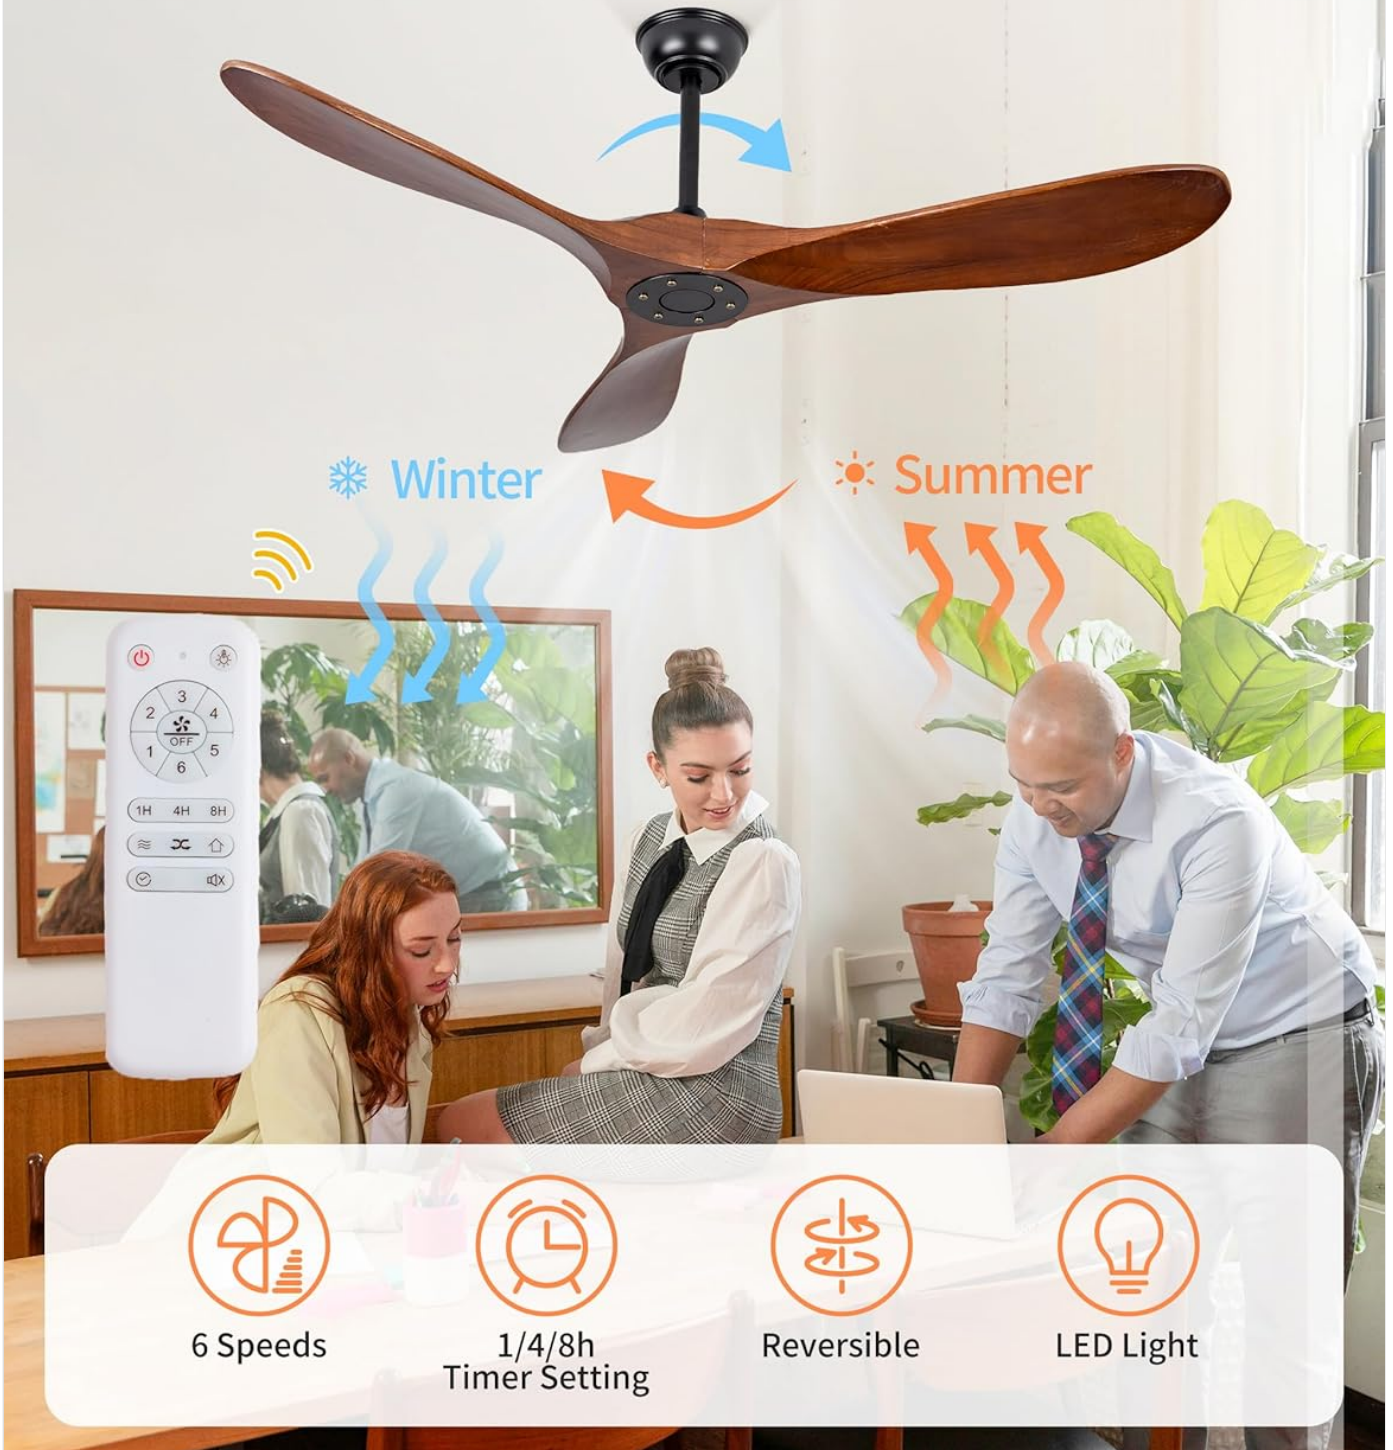

Figure 5: Remote control layout with various function buttons.

- **Power Button:** Turns the fan ON/OFF.
- **Fan Speed Buttons (1-6):** Adjusts the fan speed from 1 (lowest) to 6 (highest).

- **Timer Buttons (1H, 4H, 8H):** Sets the fan to automatically turn off after 1, 4, or 8 hours.
- **Reverse Function Button:** Changes the direction of the fan blades for seasonal use.
- **Memory Function:** The fan will restore to its last setting after a power interruption if the power switch is turned off and on again after 10 seconds.

## Seasonal Operation (Reverse Function)

The reversible DC motor allows for year-round comfort by changing the direction of airflow.

Figure 6: Illustration of fan airflow for summer and winter modes.

- **Summer Forward Mode:** Blades rotate counter-clockwise, pushing air downwards to create a cooling breeze.
- **Winter Reverse Mode:** Blades rotate clockwise, drawing air upwards to circulate warm air trapped near the ceiling, helping to warm the room.

## 5. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your ceiling fan.

- **Cleaning:** To protect the solid wood, the ceiling fan should not be exposed to direct rain. Clean the fan blades and motor housing periodically with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.

Figure 7: Regular cleaning helps maintain the fan's appearance and performance.

- **Tighten Fasteners:** Check all screws and fasteners on the fan and mounting bracket periodically to ensure they are secure.
- **Blade Balance:** If the fan wobbles, check that all blades are securely attached and balanced. A balancing kit (not included) may be used if necessary.

## 6. TROUBLESHOOTING

If you experience issues with your fan, consult the table below for common problems and solutions.

Problem	Possible Cause	Solution
Fan does not start	No power to the fan Loose wire connections Remote control battery low	Check circuit breaker and wall switch Verify all wire connections are secure Replace remote control batteries
Fan wobbles	Loose blade screws Unbalanced blades Loose mounting bracket	Tighten all blade screws Use a balancing kit to balance blades Ensure mounting bracket is securely fastened
Noisy operation	Loose screws Motor housing rubbing Incorrect installation	Check and tighten all screws Ensure no parts are rubbing Review installation steps
Remote control not working	Battery low/dead Receiver not connected Interference	Replace batteries Check receiver connection Ensure no other devices are causing interference

## 7. SPECIFICATIONS

Feature	Detail
Brand	Ceversa
Model Name	52-389
Size	52 Inch
Color	Dark Walnut
Number of Blades	3
Blade Material	Wood (Paulownia)
Motor Type	DC Motor
Noise Level	Below 30 dB
Control Method	Remote
Voltage	120 Volts (DC)
Wattage	35 watts

Feature	Detail
Product Dimensions	52"D x 52"W x 16.7"H
Item Weight	12.38 pounds
Indoor/Outdoor Usage	Outdoor, Indoor

## 8. WARRANTY AND SUPPORT

---

Ceversa stands behind the quality of its products.

- **Motor Warranty:** The motor is guaranteed for 10 years.
- **Component Warranty:** The remote control and other components are guaranteed for 2 years.

If you have any questions or require assistance with your Ceversa 52 Inch Ceiling Fan, please contact us through Amazon. We are committed to providing prompt support and will answer you as soon as possible.
