Tirff Yellow Crane Tower Architecture Model Building Block Set - 4748 Pieces Instruction Manual

Model: Yellow Crane Tower Architecture Model

Brand: Tirff | UPC: 766157278319 | ASIN: B0CFLFSNGM

1. INTRODUCTION

This instruction manual provides detailed guidance for assembling the Tirff Yellow Crane Tower Architecture Model building block set. This set allows you to construct a detailed replica of the ancient Chinese Yellow Crane Tower using 4748 mini nano blocks. Designed for enthusiasts aged 14 and above, this model offers an engaging building experience and results in a beautiful display piece.

Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building process.

2. SAFETY INFORMATION

- **Small Parts Warning:** This set contains numerous small parts which may pose a choking hazard. Keep out of reach of children under 3 years of age.
- **Age Recommendation:** Recommended for ages 14 and up due to the complexity and small size of the blocks.
- **Material Safety:** The blocks are made from high-quality, durable, and recyclable ABS material.
- **Handling:** Handle blocks carefully to avoid loss or damage.

3. SETUP AND PREPARATION

Before you begin assembling your Yellow Crane Tower model, follow these preparatory steps:

1. **Unpack Contents:** Carefully open the product packaging and remove all bags of building blocks and the instruction booklet.

2. **Organize Parts:** Due to the large number of small blocks (4748 pieces), it is highly recommended to sort the blocks by color, shape, or bag number before starting. This will significantly aid in the assembly process and prevent loss.
3. **Clear Workspace:** Ensure you have a clean, well-lit, and spacious work area to prevent losing small pieces.
4. **Review Instructions:** Briefly review the entire instruction booklet to familiarize yourself with the overall building steps and design.

4. ASSEMBLY INSTRUCTIONS

The assembly of the Yellow Crane Tower model is a multi-step process. Follow the included detailed instruction booklet for step-by-step guidance.

- **Step-by-Step Guidance:** Each bag of blocks corresponds to specific sections of the model. Follow the numerical order provided in the instruction booklet.
- **Precision:** Nano blocks require careful placement. Ensure each block is securely connected to the previous one.
- **Visual Aids:** Refer to the diagrams in the instruction booklet for visual confirmation of each step.
- **Patience:** This is a complex model. Take your time and enjoy the building process. Do not force pieces together.

5. MAINTENANCE

- **Cleaning:** To clean the model, gently wipe it with a dry, soft cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model in a stable location away from direct sunlight and extreme temperatures to prevent discoloration or material degradation.
- **Disassembly:** If disassembling, do so carefully to avoid damaging the blocks. Store blocks in sealed containers to prevent loss.

6. TROUBLESHOOTING

- **Missing Pieces:** If you discover a missing piece, double-check your work area and sorted piles. If still missing, contact Tirff customer support with details of the missing part (e.g., shape, color, step number in instructions).
- **Difficulty Connecting Blocks:** Ensure blocks are correctly oriented and aligned. Apply gentle, even pressure. Do not force blocks, as this can cause damage.
- **Model Instability:** Review previous steps to ensure all connections are secure and blocks are

placed according to the instructions. Loose connections can lead to instability.
