Lamshaw 22mm Soft Silicone Magnetic Buckle Sport Wristband

# Lamshaw 22mm Soft Silicone Magnetic Buckle Sport Wristband Instruction Manual

## INTRODUCTION

This manual provides comprehensive instructions for the installation, operation, and maintenance of your Lamshaw 22mm Soft Silicone Magnetic Buckle Sport Wristband. Please read this manual thoroughly to ensure proper use and longevity of your product.

## PRODUCT OVERVIEW

The Lamshaw 22mm Soft Silicone Magnetic Buckle Sport Wristband is designed for comfort and durability, offering a secure fit for various Amazfit smartwatch models. It features a magnetic folding buckle for easy adjustment and is constructed from skin-friendly, food-grade silicone.

## Compatibility

This wristband is compatible with a range of Amazfit smartwatches, including:

- Amazfit Bip 5
- Amazfit Balance
- Amazfit Cheetah Pro
- Amazfit Cheetah
- Amazfit GTR 47mm
- Amazfit GTR 2
- Amazfit GTR 3
- Amazfit GTR 3 Pro
- Amazfit GTR 4

- Amazfit GTR 2e
- Amazfit Falcon
- Amazfit Stratos

## INSTALLATION

---

The wristband is designed for easy and direct installation. It comes with watch lugs on both ends that precisely and securely lock into your smartwatch interface.

1. Align one end of the wristband with the corresponding lug slot on your smartwatch.
2. Slide the wristband into the slot until you hear or feel a click, indicating it is securely locked.
3. Repeat the process for the other end of the wristband.
4. Gently pull on both ends of the band to ensure it is firmly attached before wearing.

## OPERATING INSTRUCTIONS: ADJUSTING THE WRISTBAND

---

The magnetic folding buckle allows for quick and precise adjustment to fit your wrist circumference.

1. To adjust, locate the button or lever on the back of the magnetic buckle.
2. Open the button/lever to release the magnetic clasp.
3. Slide the band through the buckle to achieve your desired wrist circumference. The band length can be adjusted from 5.7 inches (145mm) to 8.25 inches (210mm).
4. Once the desired fit is achieved, press the button/lever back into place to secure the magnetic clasp. The adjustment is now complete.

## 【How to adjust】

Open the button on the back of the strap,  
adjust it to suit your wrist circumference,  
press the button,  
and the adjustment is complete

## MAINTENANCE AND CARE

To maintain the quality and appearance of your wristband, follow these care instructions:

- **Cleaning:** Wipe the silicone band regularly with a soft, damp cloth to remove sweat, dirt, and oils. For deeper cleaning, use mild soap and water, then rinse thoroughly and dry completely.
- **Avoid Harsh Chemicals:** Do not expose the band to strong chemicals, solvents, or abrasive cleaners, as these can damage the silicone material and the magnetic clasp.
- **Storage:** Store the wristband in a cool, dry place away from direct sunlight when not in use to prevent material degradation.

- **Magnetic Clasp Care:** Ensure the magnetic clasp remains free of debris to maintain its strong hold. If the clasp feels loose, check for any obstructions.

## TROUBLESHOOTING

If you encounter any issues with your wristband, consider the following common solutions:

- **Band not attaching securely:** Ensure the watch lugs are correctly aligned with the smartwatch slots and pushed in completely until they click. Check for any debris in the slots.
- **Magnetic clasp not holding:** Verify that the magnetic surfaces are clean and free from dirt or metallic particles. Ensure the adjustment mechanism is fully engaged.
- **Skin irritation:** If irritation occurs, ensure the band is clean and dry. Try adjusting the tightness to prevent excessive friction. If irritation persists, discontinue use and consult a healthcare professional.

## SPECIFICATIONS
