

Spirit Of Gamer MK600

Spirit Of Gamer MK600 Wireless Keyboard and Mouse Pack User Manual

Model: MK600

1. INTRODUCTION

This manual provides detailed instructions for the Spirit Of Gamer MK600 Wireless Keyboard and Mouse Pack. This pack is designed to offer a seamless and responsive experience for both gaming and general computer use. Please read this manual carefully before using the product to ensure proper setup and operation.

2. PACKAGE CONTENTS

Verify that all items are present in your package:

- 1 x RGB Gaming Keyboard
- 1 x RGB Gaming Mouse
- 1 x Nano USB Receiver
- 2 x USB-C/USB-A Charging Cables

3. SETUP INSTRUCTIONS

Follow these steps to set up your Spirit Of Gamer MK600 Wireless Keyboard and Mouse Pack:

1. **Connect the USB Receiver:** Locate the Nano USB Receiver. Plug this receiver into an available USB port on your computer or compatible console.
2. **Power On the Keyboard:** On the keyboard, locate the On/Off switch, usually on the back or side. Slide the switch to the 'On' position. The keyboard's RGB lighting should illuminate.
3. **Power On the Mouse:** On the mouse, locate the On/Off/RGB button, typically on the underside. Slide the switch to the 'On' position. The mouse's RGB lighting should illuminate.
4. **Automatic Connection:** The keyboard and mouse should automatically connect to the USB receiver. No additional drivers are typically required for basic functionality.
5. **Test Functionality:** Open a text editor or navigate your system to confirm that both the keyboard and

mouse are responding correctly.

The complete Spirit Of Gamer MK600 wireless keyboard and mouse pack, including the keyboard, mouse, and the essential USB nano receiver for wireless connectivity.

PACK GAMING SANS FIL

This image illustrates the 2.4GHz wireless connection capability of the Spirit Of Gamer MK600 keyboard and mouse, ensuring freedom of movement without cables.

4. OPERATING INSTRUCTIONS

4.1 Keyboard Functions

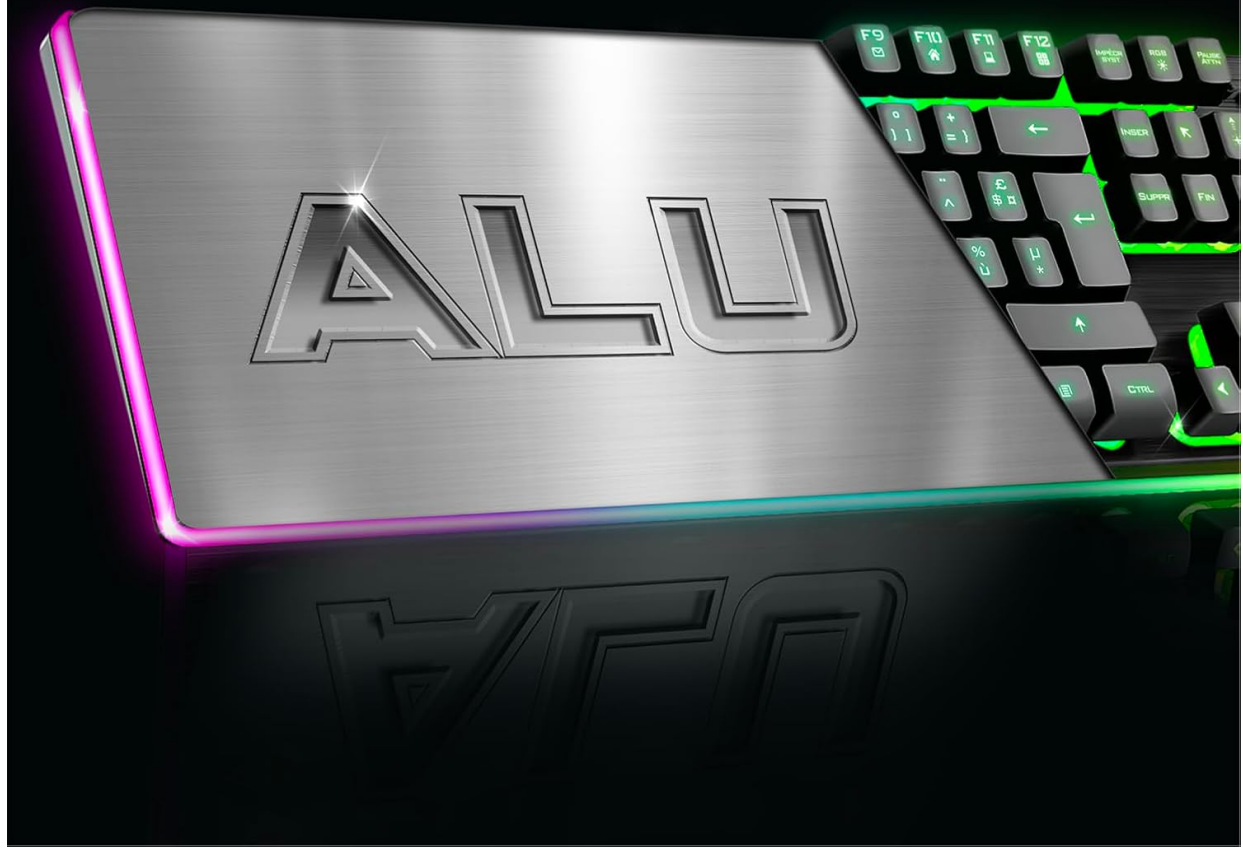

- **Layout:** The keyboard features a French AZERTY layout with 104 semi-mechanical keys.
- **Multimedia Shortcuts:** Access 12 multimedia functions using the 'Fn' key in combination with the F1-F12 keys. Refer to the keycaps for specific functions (e.g., volume control, media playback).
- **RGB Backlight:** The keyboard features Rainbow RGB backlighting. Use dedicated keys or Fn combinations (if available, check keycaps) to cycle through lighting modes or turn the backlight on/off.
- **Adjustable Height:** The keyboard has 1 adjustable height position for ergonomic comfort.

RÉTRO ÉCLAIRAGE RGB RAINBOW

The keyboard features a vibrant RGB Rainbow backlight, enhancing the gaming atmosphere and visibility in low-light conditions.

DESIGN ALUMINIUM

The keyboard incorporates an aluminum design, providing durability and a premium aesthetic.

4.2 Mouse Functions

- **DPI Adjustment:** The mouse offers 3 adjustable DPI levels: 1200, 2400, and 4800 DPI. Use the dedicated DPI button (usually located near the scroll wheel) to cycle through these settings.
- **Buttons:** The mouse has 8 buttons, including a RapidFire button for quick, repeated actions.
- **RGB Backlight:** The mouse features Rainbow RGB backlighting with 7 colors. The On/Off/RGB button on the underside can also control the lighting.
- **Ergonomics:** Designed for right-handed users, it includes a comfortable thumb rest.

4800 DPI **INSTANT SENSOR**

**NIVEAUX
AJUSTABLES**

The wireless mouse features a PixArt sensor with adjustable resolution up to 4800 DPI, allowing for precise control in various applications.

BATTERIES LITHIUM RECHARGEABLES

The mouse includes a dedicated RapidFire button, providing an advantage in fast-paced gaming scenarios.

BOUTON RAPID FIRE

The mouse features a Rainbow RGB backlight with 7 colors, complementing the keyboard's lighting and adding to the gaming setup's visual appeal.

5. CHARGING AND BATTERY LIFE

Both the keyboard and mouse are equipped with rechargeable lithium batteries.

- **Keyboard Battery:** 1850mAh Lithium Battery.
- **Keyboard Battery Life:** Approximately 50 hours with RGB lighting, up to 120 hours without RGB lighting.
- **Keyboard Charging Time:** Approximately 5 hours.
- **Mouse Battery:** 600mAh Lithium Battery.
- **Mouse Battery Life:** Approximately 40 hours with RGB lighting, up to 120 hours without RGB lighting.
- **Mouse Charging Time:** Approximately 2 hours.

Use the provided USB-C/USB-A charging cables to recharge the devices. Connect the USB-C end to the keyboard/mouse and the USB-A end to a powered USB port (e.g., computer, wall adapter).

RÉTRO ÉCLAIRAGE RGB RAINBOW

Both the keyboard and mouse are equipped with rechargeable lithium batteries, offering extended usage times, up to 120 hours without RGB lighting.

6. COMPATIBILITY

The Spirit Of Gamer MK600 Wireless Keyboard and Mouse Pack is compatible with the following operating systems and devices:

- **Operating Systems:** Windows XP, Windows Vista, Windows 7, Windows 8, Windows 10.
- **Compatible Devices:** PC, PlayStation 4 (PS4), PlayStation 5 (PS5), Xbox.

Note: When using with consoles, verify that the specific game supports keyboard and mouse input.

Coating	Aluminium	N/A

This image provides the physical dimensions of both the keyboard (44 x 13.5 x 3.8 cm) and the mouse (12.5 x 8.5 x 4.5 cm), useful for setup planning.

8. TROUBLESHOOTING

If you encounter issues with your MK600 pack, refer to the following common solutions:

- **No Connection:**

- Ensure the Nano USB receiver is securely plugged into a working USB port.
- Verify that both the keyboard and mouse are switched 'On'.
- Try plugging the receiver into a different USB port.
- Ensure the devices are within the 6-10 meter operating range of the receiver.

- **Input Lag or Disconnections:**

- Check for potential interference from other wireless devices (e.g., Wi-Fi routers, cordless phones).
- Ensure the devices are fully charged. Low battery can affect performance.
- Move the receiver closer to the keyboard and mouse.

- **RGB Lighting Not Working:**

- Ensure the devices are powered on.
- Check if the RGB lighting has been manually turned off or set to a very dim setting. Refer to operating instructions for RGB control.

- Charge the devices; low battery can disable lighting features.
- **Mouse Cursor Jumps or is Inaccurate:**
 - Clean the mouse sensor on the underside.
 - Ensure you are using the mouse on a suitable surface (a mouse pad is recommended).
 - Adjust the DPI setting to a level that suits your preference.

9. MAINTENANCE

To ensure the longevity and optimal performance of your MK600 pack:

- **Cleaning:** Use a soft, dry cloth to clean the surfaces of the keyboard and mouse. For stubborn dirt, a slightly damp cloth can be used, but ensure no moisture enters the devices. Avoid harsh chemicals.
- **Storage:** When not in use for extended periods, store the devices in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** Avoid completely draining the batteries frequently. Recharge them regularly to maintain battery health.

10. WARRANTY AND SUPPORT

The Spirit Of Gamer MK600 Wireless Keyboard and Mouse Pack comes with a **24-month product warranty**. For technical support, warranty claims, or any other inquiries, please contact Spirit Of Gamer customer service through their official website or the retailer where the product was purchased.
