LIFEZEAL 3-Tier Side Table User Manual

Model: PD98248KNFR

Brand: LIFEZEAL

1. PRODUCT OVERVIEW

The LIFEZEAL 3-Tier Side Table is designed for versatile storage and display in various indoor settings. It features a robust construction of P2 grade particle board with PVC edges and powder-coated iron tubes, ensuring durability and stability. The table includes three levels of storage, with a unique removable top shelf and a middle shelf combining iron mesh and iron bars for flexible organization.

Key Features:

- **Multiple Storage Options:** Three tiers, including a removable top shelf and a middle shelf with a half iron mesh and half iron bar design, allowing for customizable storage space.
- **Stable and Robust Construction:** Equipped with 4 adjustable feet for stability on various surfaces.
- **Durable Materials:** Constructed from P2 grade particle board with PVC edges and powder-coated iron pipes.
- **Elegant Design:** Rustic wood grain finish combined with a black metal frame.
- **Versatile Use:** Suitable as a bedside table, end table, sofa table, or general storage unit in living rooms, bedrooms, or offices.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Weight Capacity:** Do not exceed the maximum load capacities: 10 kg for the top shelf, 10 kg for the removable middle shelf, and 20 kg for the bottom shelf. The total recommended maximum load is 40 kg.
- **Stability:** Ensure all screws are tightened securely before use. Use the adjustable feet to level the table on uneven surfaces to prevent tipping.
- **Placement:** Place the table on a flat, stable surface. Avoid placing it in high-traffic areas where it could be easily bumped.
- **Children:** Keep small parts and packaging materials away from children during assembly. Do not allow children to climb on or play with the table.
- **Indoor Use Only:** This product is designed for indoor use. Exposure to outdoor elements may cause damage.

3. SETUP AND ASSEMBLY

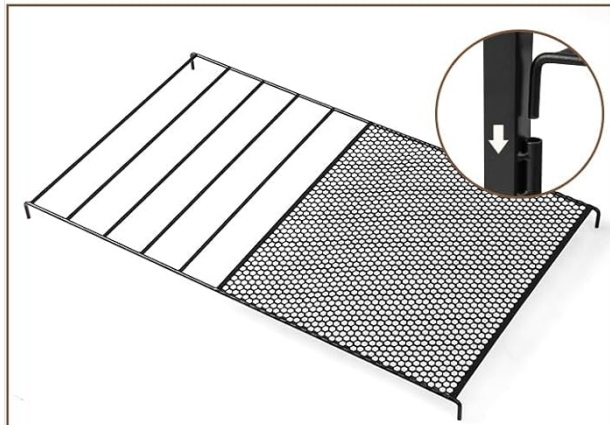

Assembly is required for this product. Please follow the steps carefully. It is recommended to assemble the table on a soft, clean surface to prevent scratches.

Tools Recommended:

- Wrench
- Screwdriver

Assembly Steps:

1. **Unpack Components:** Carefully unpack all parts and hardware from the packaging. Verify that all components listed in the parts list are present.
2. **Assemble Frame:** Connect the metal frame components according to the included diagram. Ensure all connections are finger-tightened initially.
3. **Attach Bottom Shelf:** Secure the bottom particle board shelf to the assembled metal frame using the provided screws.
4. **Install Middle Shelf:** Insert the iron mesh and iron bar middle shelf into the designated slots on the frame. This shelf features an insert-in connection for easy installation.

4. OPERATING AND USAGE

The LIFEZEAL 3-Tier Side Table is designed for convenient storage and display. Here are some tips for optimal use:

- **Customizable Storage:** Utilize the removable top shelf and the half-mesh middle shelf to adapt the storage space to your needs. The mesh part is ideal for items requiring ventilation or easy access, such as drinks or small kitchen items.

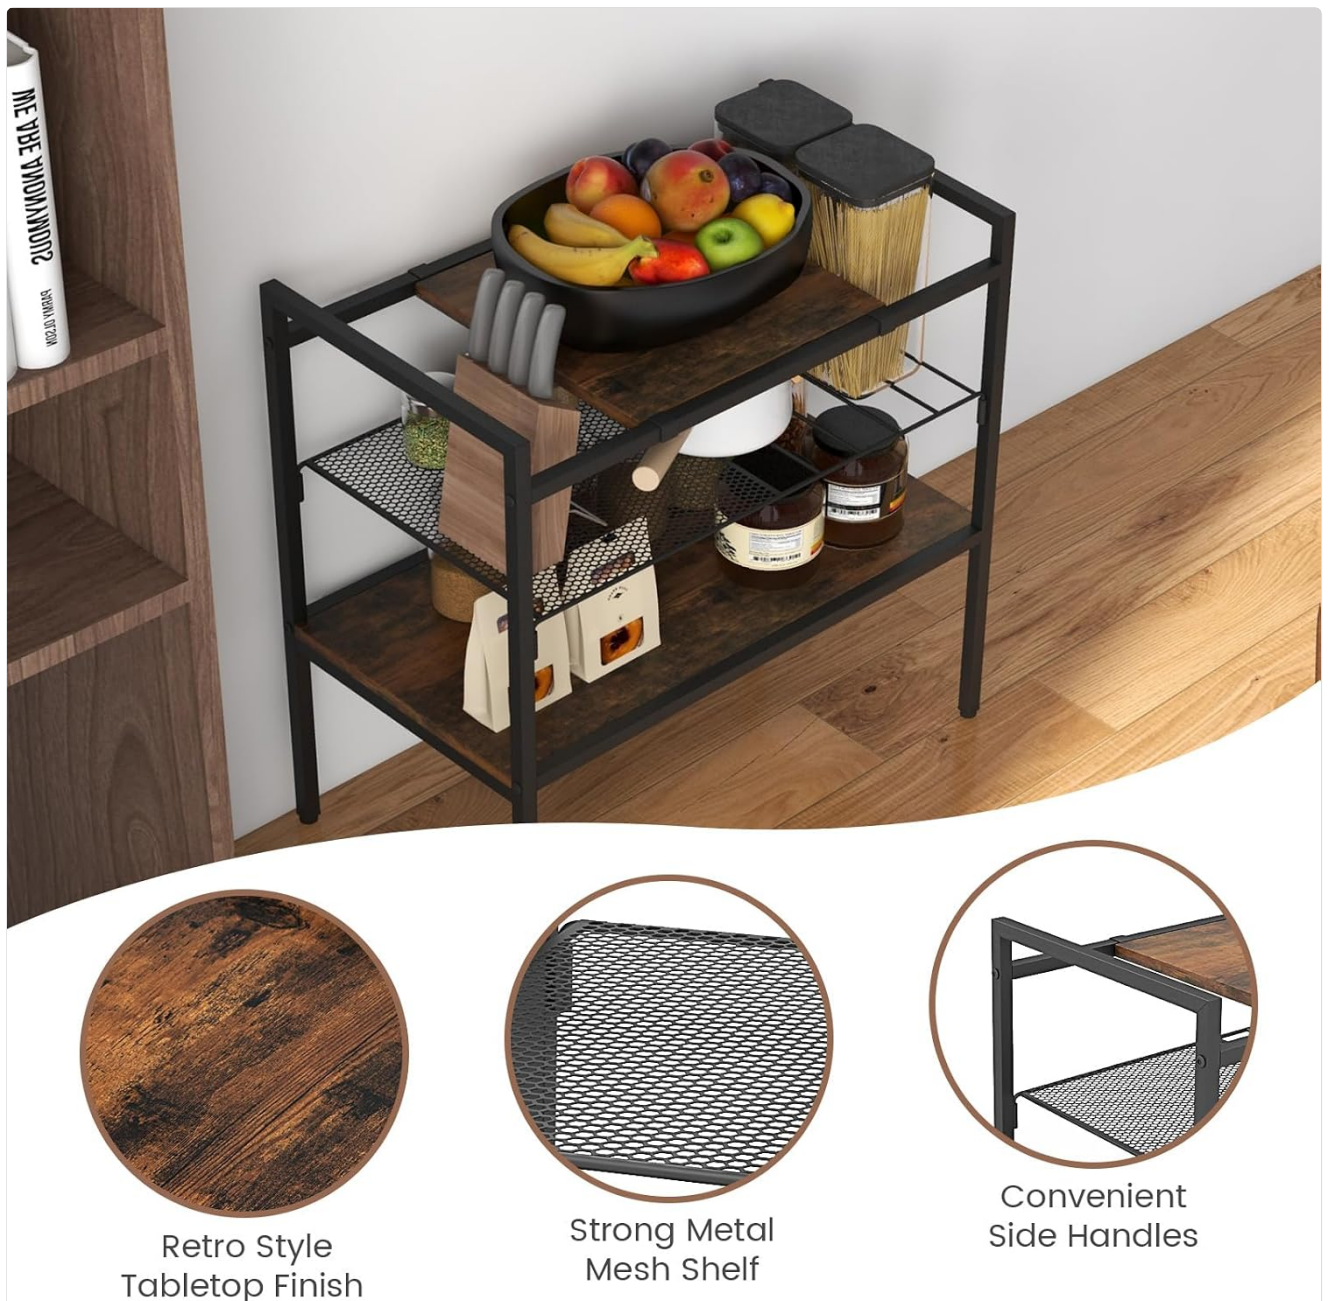

Image 4.1: The side table in a kitchen or dining area, displaying fruits, utensils, and other items on its shelves, highlighting the retro-style tabletop finish, strong metal mesh shelf, and convenient side handles.

- **Weight Distribution:** Distribute weight evenly across the shelves to maintain stability. Place heavier items on the bottom shelf.
- **Versatile Placement:** This table can serve as an end table next to a sofa, a nightstand in a bedroom, or an organizational unit in an office or hallway.
- **Side Handles:** The integrated side handles provide convenience for moving the table, though it is recommended to empty the shelves before relocating.

5. MAINTENANCE

Proper maintenance will extend the life and appearance of your LIFEZEAL side table.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the particle board surfaces.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.
- **Environment:** Avoid prolonged exposure to direct sunlight or extreme temperature changes, which can cause

warping or fading.

6. TROUBLESHOOTING

If you encounter any issues with your side table, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Table is wobbly/unstable.	Uneven floor; loose fasteners.	Adjust the foot pads until the table is level. Check and tighten all assembly screws.
Shelf does not fit properly.	Incorrect orientation; obstruction.	Ensure the shelf is oriented correctly as per the assembly instructions. Check for any debris in the slots.
Missing parts.	Packaging error.	Contact LIFEZEAL customer support with your model number and a description of the missing parts.
