SAFETY INFORMATION

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children away during assembly.
- **Weight Limit:** Do not exceed the maximum recommended weight of 25 kg (55 lbs) on the nightstand surface. Overloading can cause instability and damage.

- **Top Surface:** The top surface is suitable for a bedside lamp, alarm clock, or decorative items. Ensure items placed on top do not exceed the recommended weight limit of 25 kg. The raised back panel helps prevent items from falling behind the unit.

CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your Vicco Monty Nightstand.

- **Cleaning:** Wipe the surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the melamine resin coating.
- **Spills:** Immediately wipe up any spills to prevent moisture damage or staining.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.
