

JUMMICO 0183

JUMMICO Height-Adjustable Electric Desk (Model 0183) User Manual

Brand: JUMMICO
Model: 0183

INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your JUMMICO Height-Adjustable Electric Desk. Please read these instructions thoroughly before initial use and retain for future reference. Proper use and care will ensure the longevity and optimal performance of your desk.

SAFETY INFORMATION

Adhere to the following safety guidelines to prevent injury or damage to the product:

- Always ensure the desk is properly assembled and stable before use.
- Do not exceed the maximum weight capacity of **60 kg**. Overloading can lead to instability and potential damage.
- Keep children and pets away from the desk during height adjustment to prevent accidents.
- Ensure no obstructions are present in the desk's path (e.g., walls, chairs, cables) during height adjustments.
- Disconnect power before cleaning, maintenance, or if the desk will be unused for an extended period.
- Use only the provided power adapter and cables.

PACKAGE CONTENTS

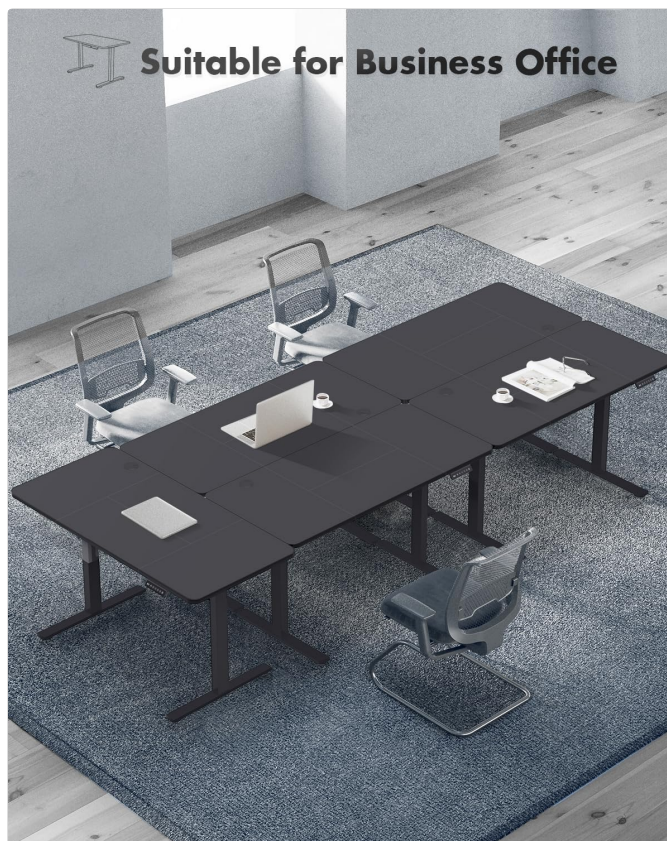

Before beginning assembly, unpack all components and verify that the following items are present:

- Desk tabletop (140 x 70 cm)
- Electric lifting columns (legs)
- Control panel with LED display and USB port
- Desk frame components (beams, feet)
- Drawer
- Cable tray

- Headphone hooks (2)
- Assembly hardware (screws, tools)
- Power adapter and cable
- Instruction manual

ASSEMBLY INSTRUCTIONS

Estimated assembly time: Approximately 30 minutes. A detailed installation guide with diagrams is included in your product packaging. Please follow those step-by-step instructions carefully.

This image illustrates the main components of the desk and the general assembly process, including the tabletop, frame, and control panel. Clear instructions and an installation video are typically provided to guide you through the setup.

1. Unpack all components and verify against the package contents list.
2. Assemble the desk frame according to the included manual, ensuring all connections are secure.
3. Attach the lifting columns to the frame.
4. Secure the tabletop to the assembled frame using the provided hardware.
5. Install the control panel, drawer, cable tray, and headphone hooks in their designated positions.
6. Connect all electrical cables as per the diagram in the manual, ensuring they are properly routed and secured to prevent pinching.

OPERATING INSTRUCTIONS

Control Panel Functions

The control panel allows for precise height adjustment and offers several convenient features. This image shows the LED display, height adjustment buttons, memory presets, sedentary reminder, and integrated USB charging port.

- **LED Display:** Shows the current desk height in centimeters.
- **Up/Down Buttons (+/-):** Press and hold the '+' button to raise the desk, or the '-' button to lower it. Release the button to stop movement.
- **Memory Presets (1, 2):**
 - To set a memory position: Adjust the desk to your desired height, then press the 'M' button followed by '1' or '2'. The display will confirm the setting.
 - To recall a memory position: Press '1' or '2' to automatically move the desk to the saved height.
- **Sedentary Reminders (Clock Icon):** Press the clock icon to activate reminder alarms for 0.5, 1, or 2 hours. These reminders prompt you to switch between sitting and standing positions for ergonomic health.
- **USB Charging Port:** Located on the side of the control panel, this port allows you to charge compatible devices directly from your desk.

Height Adjustment Range

This image demonstrates the versatility of the JUMMICO desk, allowing users to easily switch between sitting and standing positions. The desk offers a height adjustment range suitable for various ergonomic needs.

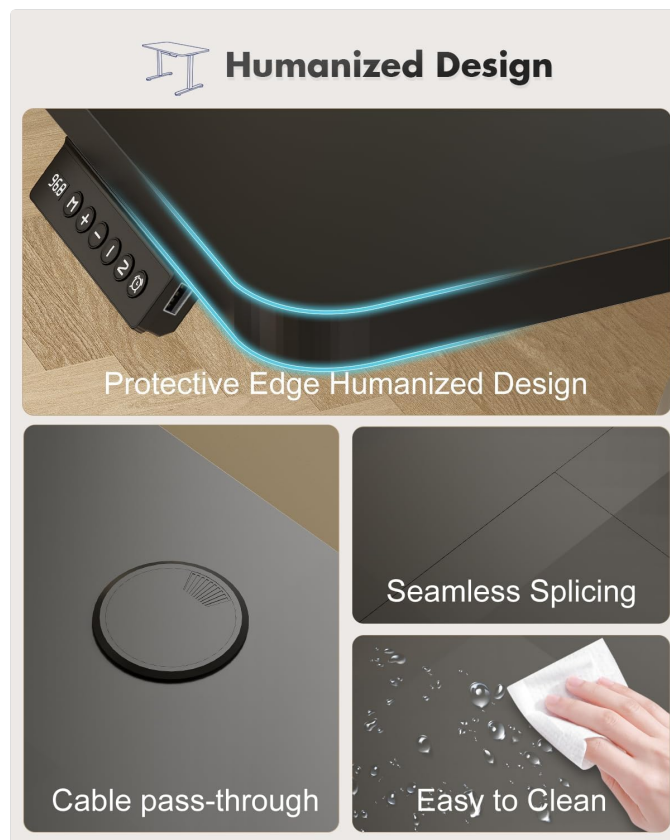

The desk's height can be adjusted between **72 cm and 116 cm**, providing a flexible workspace for different user heights and preferences.

Additional Features

- **Cable Management:** Utilize the integrated cable tray to organize and conceal power cords and other cables, maintaining a tidy workspace.
- **Headphone Hooks:** Two hooks are provided for convenient storage of headphones, bags, or other accessories.
- **Mobility:** The desk is equipped with wheels for easy repositioning. Ensure the wheels are locked when the desk is in use to maintain stability.

MAINTENANCE

Cleaning

The desk surface is designed for easy cleaning. This image highlights features like the cable pass-through and the ease with which the surface can be wiped clean.

- Wipe the desk surface with a soft, damp cloth. For stubborn marks, a mild soap solution can be used.
- Avoid abrasive cleaners, harsh chemicals, or solvents that could damage the finish of the tabletop or frame.
- For the metal frame, use a mild detergent solution if necessary, then wipe dry immediately to prevent rust.
- Ensure no liquids enter the control panel or motor housing.

General Care

- Regularly check all screws and fasteners to ensure they are tight. Retighten as needed.
- Do not place excessively heavy objects on the desk, ensuring the total weight remains below the 60 kg limit.
- Avoid sudden impacts or excessive force on the desk surface or frame.

TROUBLESHOOTING

If you encounter any issues with your JUMMICO Height-Adjustable Desk, please refer to the following common solutions before contacting customer service.

Problem	Possible Cause	Solution
Desk does not move.	Power cable disconnected or loose. Overload exceeding weight capacity.	Check all power connections. Ensure the power adapter is securely plugged into both the desk and a working outlet. Reduce weight on the desk.
Desk moves unevenly or makes unusual noises.	Loose assembly connections. Obstruction in the lifting mechanism.	Check all assembly points and tighten any loose screws. Ensure no objects are impeding the movement of the lifting columns.

Problem	Possible Cause	Solution
Control panel not responding.	Temporary power glitch. Control panel fault.	Unplug the desk from the power outlet for 30 seconds, then plug it back in. If the issue persists, contact customer service.

For further assistance or issues not listed here, please contact JUMMICO customer service.
