

## Fenge 42.5 Inch Dual Monitor Stand

# Fenge Dual Monitor Stand Instruction Manual

Model: 42.5 Inch Walnut Dual Monitor Stand

Brand: Fenge

## INTRODUCTION

The Fenge Dual Monitor Stand is designed to elevate your monitors to an ergonomic height, reducing neck and shoulder strain while providing valuable desktop organization. Constructed from high-quality MDF and aluminum, this 42.5-inch wide stand offers robust support for two monitors, integrated storage compartments, and efficient cable management solutions. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use of your monitor stand.

## SAFETY INFORMATION

- Ensure all components are securely fastened before placing monitors or other items on the stand.
- Do not exceed the maximum load capacity of 99 lbs (45 kg).
- Place the stand on a stable, level surface to prevent tipping.
- Keep small parts away from children to avoid choking hazards.
- Avoid exposing the stand to excessive moisture or direct heat sources.

## PACKAGE CONTENTS

Please verify that all the following components are included in your package:

- Main MDF Top Panel (1x)
- Lower MDF Shelf (1x)
- Aluminum Support Legs (4x)
- Internal Dividers/Supports (2x)
- Rubber Pads (4x)
- Assembly Hardware (screws, dowels, Allen wrench)
- Instruction Manual (this document)

## SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of your Fenge Dual Monitor Stand is straightforward and typically takes 5-8 minutes. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all components listed in the 'Package Contents' section are present.
2. **Attach Aluminum Legs to Lower Shelf:** Secure the four aluminum support legs to the designated points on the underside of the lower MDF shelf using the provided screws and Allen wrench. Ensure they are tightened firmly for stability.
3. **Install Internal Dividers:** Place the two internal dividers onto the lower shelf, aligning them with the pre-drilled holes. These will support the main top panel.
4. **Attach Main Top Panel:** Carefully align the main MDF top panel over the internal dividers and the aluminum legs. Secure the top panel to the internal dividers and legs using the remaining screws.
5. **Apply Rubber Pads:** Attach the four rubber pads to the bottom of the aluminum legs. These pads protect your desk surface and prevent the stand from sliding.

## OPERATING INSTRUCTIONS

Once assembled, your Fenge Dual Monitor Stand is ready for use. Follow these guidelines for optimal functionality:

- **Monitor Placement:** Place your monitors on the main top panel. The 42.5-inch width is designed to comfortably accommodate two monitors, raising them to an ergonomic viewing height of 5.7 inches.
- **Utilize Storage:** The lower shelf features a universal device holder slot and three high-capacity compartments. Use these to store office accessories, notebooks, tablets, or other items to keep your desktop tidy.
- **Cable Management:** The stand includes cable management slots to help organize and route your monitor and device cables, reducing clutter and maintaining a clean workspace.

## MAINTENANCE

---

To maintain the appearance and longevity of your monitor stand:

- Clean the surface with a dry or lightly damp soft cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- Regularly check all screws and connections to ensure they remain tight.

## TROUBLESHOOTING

---

If you encounter any issues with your monitor stand, refer to the following common solutions:

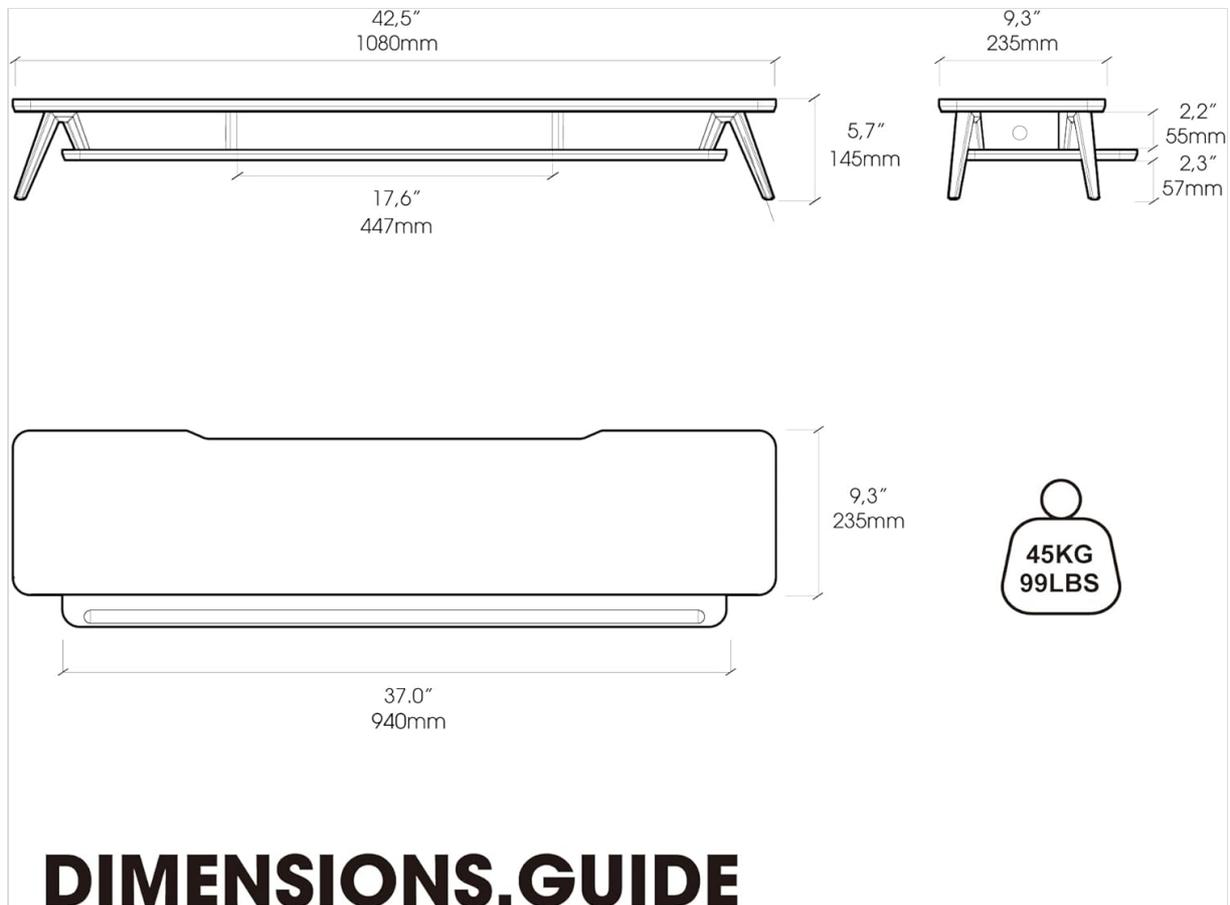

- **Stand is Wobbly:** Ensure all screws are fully tightened. Check that the stand is placed on a flat, stable surface. The rubber pads should be evenly distributed and making full contact with the desk.
- **Scratches or Marks on Surface:** The MDF panel is designed to resist scratches and fingerprints. For minor

marks, a gentle wipe with a damp cloth may suffice. Avoid sharp objects.

- **Missing Parts:** If any parts were missing upon arrival, please contact customer support immediately for assistance.

## SPECIFICATIONS

<b>Product Dimensions (L x W x H)</b>	42.5 x 9.3 x 5.7 inches (1080 x 235 x 145 mm)
<b>Item Weight</b>	18.61 pounds (8.46 kg)
<b>Load Capacity</b>	99 pounds (45 kg)
<b>Material</b>	Engineered Wood (MDF), Aluminum
<b>Color</b>	Walnut
<b>Assembly Required</b>	Yes
