6. MAINTENANCE

To ensure the longevity and appearance of your wooden docking station, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surface with a soft, dry cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the wood finish.
- **Moisture:** Keep the docking station in a dry environment. Avoid prolonged exposure to direct sunlight or extreme temperature changes.
- **Protection:** Periodically check the non-slip cushions and screws to ensure they are secure.

7. TROUBLESHOOTING

If you encounter any issues with your docking station, please refer to the following common solutions:

- **Device Not Charging:** Ensure your charging cable is properly connected to both your device and a

power source. Verify that the cable is correctly routed through the docking station's cutouts.

- **Stand Wobbles:** Check all assembly screws to ensure they are tightened. Confirm that the non-slip rubber cushions are securely attached to the base.
- **Drawer Sticks:** Ensure there are no obstructions within the drawer compartment. Gently pull and push the drawer to check for proper alignment.
