IRONCK Corner Bookshelf 6 Tiers User Manual

Model: 1042424

INTRODUCTION

Thank you for choosing the IRONCK Corner Bookshelf 6 Tiers. This industrial L-shaped bookcase is designed to maximize your storage and display space efficiently. This manual provides essential information for safe assembly, proper use, and maintenance of your new bookshelf. Please read these instructions carefully before assembly and retain them for future reference.

SAFETY INFORMATION

- **Weight Capacity:** Each shelf has a maximum weight capacity of 70 pounds (31.75 kg). Do not exceed this limit to prevent structural damage or injury.
- **Anti-Tip Device:** For safety, especially in households with children or pets, it is highly recommended to secure the bookshelf to the wall using the included anti-tip resistance device.
- **Stable Placement:** Ensure the bookshelf is placed on a flat, level, and stable surface. Adjust the footpads as necessary to prevent wobbling.
- **Assembly:** Assemble the unit according to the instructions. Do not skip steps or use unauthorized parts.
- **Children:** Do not allow children to climb on or play with the bookshelf.

PACKAGE CONTENTS

Before beginning assembly, please verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components (various sizes)
- Engineered Wood Shelf Panels (various sizes)
- Hardware Kit (screws, bolts, Allen wrench, adjustable footpads, anti-tip device)
- Instruction Manual

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Please follow the steps carefully. A Phillips head screwdriver may be required (not included).

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface (e.g., a blanket or cardboard) to prevent scratches. Identify each part using the provided parts list in your package.
2. **Assemble Frame Sections:** Begin by connecting the vertical metal frame pieces with the horizontal supports using the provided screws and Allen wrench. Do not fully tighten screws until all parts are aligned.
3. **Attach Shelf Panels:** Carefully place the engineered wood shelf panels onto the designated frame sections. Secure them with the appropriate screws. Ensure the baffles (raised edges) are facing upwards to prevent items from falling.
4. **Connect L-Shape:** Once the individual sections are partially assembled, connect them to form the L-shape. Ensure all connections are secure and aligned.
5. **Tighten All Screws:** Once the entire unit is assembled and aligned, go back and securely tighten all screws.
6. **Attach Adjustable Footpads:** Screw the adjustable footpads into the bottom of the metal frame legs. Adjust them to level the bookshelf on your floor.
7. **Install Anti-Tip Device:** Securely attach the anti-tip device to the top rear of the bookshelf and to a wall stud using the provided hardware. This is a critical safety step.

OPERATING INSTRUCTIONS

The IRONCK Corner Bookshelf is designed for versatile storage and display. To ensure optimal performance and longevity:

- **Load Distribution:** Distribute weight evenly across each shelf. Avoid concentrating heavy items in one area.
- **Item Placement:** Utilize the 2.8-inch baffles to prevent books, decor, or other items from sliding off the back or sides of the shelves.
- **Corner Optimization:** The L-shaped design is ideal for fitting into room corners, maximizing vertical storage space.

MAINTENANCE

Proper care will help maintain the appearance and structural integrity of your bookshelf.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the laminated finish.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Leveling:** Re-adjust the footpads if the bookshelf becomes unstable or if you move it to a new location.
- **Avoid Moisture:** Keep the bookshelf away from excessive moisture or direct sunlight to prevent warping or fading of the wood finish.

TROUBLESHOOTING

- **Bookshelf is Wobbly:**
 - Ensure all screws are fully tightened.
 - Adjust the leveling footpads on the bottom of the frame until the bookshelf is stable on the floor.
- **Parts Missing or Damaged:**
 - Double-check the package contents against the parts list.
 - Contact IRONCK customer support for assistance with replacement parts.
- **Difficulty Assembling:**
 - Review the assembly instructions carefully, paying attention to part orientation.
 - Ensure you are using the correct screws for each step.
 - Do not overtighten screws until the entire unit is assembled and aligned.

SPECIFICATIONS

Feature	Detail
Model Number	1042424
Brand	IRONCK
Material	Engineered Wood, Metal Frame
Color	Vintage Brown
Dimensions (D x W x H)	43.3" x 35.4" x 77.8" (110cm x 90cm x 198cm)
Shape	L-Shape
Number of Tiers	6
Number of Shelves	12
Shelf Thickness	0.75 Inches
Weight Capacity (per shelf)	70 Pounds (31.75 kg)
Item Weight	100.31 Pounds (45.5 kg)
Mounting Type	Freestanding (with anti-tip device recommended)
Assembly Required	Yes
Care Instructions	Wipe with Dry Cloth
